ESTIMATE DETAILS

Water Service Replacement (Estimate):
Pull plumbing permit and replace waterline from existing piping inside home to pigtail connection on county water meter pit. We will excavate as needed to replace line with ¾" CTS HDPE tubing with tracer wire as required by plumbing code. We will use a combination of excavation, missile, and pulling cables to minimize disturbance to landscaping. Upon completion of job and successful plumbing inspection, we will backfill excavations and rough grade soil. Homeowner is responsible for concrete repairs, irrigation system or rain leader repairs (if needed), and final landscaping. New waterline guaranteed ten full years for materials and workmanship.

CUSTOMER AUTHORIZATION

THIS IS AN ESTIMATE, NOT A CONTRACT FOR SERVICES. The summary above is furnished by Alpha Plumbing as a good faith estimate of work to be performed at the location described above and is based on our evaluation and does not include material price increases or additional labor and materials which may be required should unforeseen problems arise after the work has started. If Alpha Plumbing encounters unforeseen problems (high water table, large rocks, excessive concrete thickness, etc.), we will discuss problems with homeowner before proceeding with additional work which could increase estimate price. I understand that the final cost of the work may differ from the estimate, perhaps materially. THIS IS NOT A

GUARANTEE OF THE FINAL PRICE OF WORK TO BE PERFORMED. I agree and authorize the work as summarized on these estimated terms, and I agree to pay the full amount for all work performed.

Final payment is due upon completion of the project. Interest at the rate of 1 ½% per month will be charged on any balance more than 30 days old. In addition, if we are required to retain the services of an attorney, customer will pay all attorney's fees and other costs of collection we incur.
