Free placement

You can set up and get going, without any tools in less than 5 minutes. With its modern design that does not need to be hidden you can leave this Waterwheel to decorate your garden. Accessories can be conveniently stored in the Waterwheels accessory storage.

360° easy access

Freely place the Waterwheel at any ideal location in your garden for easy watering access all around, with the revolutionary 360° reel rotation in horizontal setting. You can reach any location of your garden with a short distance from the Waterwheel.

Automatic reel-in

Automatic hose reel-in and light hose pull-out from reel makes this Waterwheel easy to use.
