DIGITAL KEYS					
	9400000012830	DIGITAL KEY VOUCHER Important notes on handling digital keys: • Digital keys can only be downloaded to a cell phone once (when changing phones, the digital key cannot be taken over, when uninstalling, the key is removed) • There can only be one digital key per cell phone (KEM/evolo smart). If another key is read and confirmed, the previous one is deleted. This can lead to the fact that possible doors can then no longer be opened. • dormakaba takes no liability for incorrect handling or loss of the digital key Product information Electronic Access and Data • Digital keys cannot be removed manually. Authorization changes must be made to the access component. Note: Alternatively users can purchase digital keys as a In app. Prices below		○	$11.15
