LAW-06KS

Kids Scooter

This folding kids scooter is designed for fun, safety, and convenience, perfect for children aged 1–12 years. Built with a durable nylon board and an aluminum T-bar with TPE grips, it offers a comfortable and sturdy ride. The widened PU flashing wheels ensure stability and add a colorful touch, while the LED lights and music make every ride exciting. Its easy-fold design allows for quick storage and transport, and the rear wheel brake provides reliable stopping power. Weighing just 3.5 kg, it supports up to 60 kg, making it ideal for everyday play and adventure.

KEY FEATURES

The kids scooter is built with a durable nylon board and a strong aluminum T-bar, offering both sturdiness and comfort. Its TPE grips provide a secure hold, while the widened PU flashing wheels with LED lights ensure stability and add a fun, colorful touch to every ride. To make the experience even more enjoyable, the scooter is equipped with a music function, keeping children entertained as they play. Despite its lightweight design of only 3.5 kg, the scooter can support up to 60 kg, making it reliable for everyday use. The easy-fold design allows for quick storage and transportation, while the rear wheel brake provides dependable stopping power for added safety. Suitable for children aged 1 to 12 years, this scooter is an excellent choice for fun, safe, and adventurous play, available in a range of vibrant colors.
