THE LAVATORY.

The necessary basis of daily routine. Yet anything but ordinary. Mansfield lavatories bring beauty to the bathroom with a choice of eye-catching designs. Elegant pedestal lavatories. Self-rimming basins designed to complement your choice of vanity. Plus popular vessel-style, above-counter options – for a dramatic sense of style. All fine china. All quality crafted for years of good mornings ... and pleasant goodnights.

STYLE. Today, it's not just a bathroom. It's a sanctuary. Dozens of choices designed to enhance any bathroom décor. Traditional. Transitional. Contemporary. Perhaps a combination is best? When it comes to style for the bathroom, it's personal. **When you choose Mansfield, it's perfect.**

RESIDENTIAL PRODUCTS

Beautifully Designed. Affordably Priced.

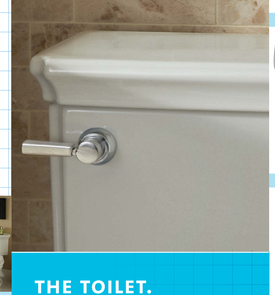
www.mansfieldplumbing.com

Easy to install, and built to last a lifetime, Mansfield Plumbing Products offers you hundreds of affordable, flexible solutions for your bath projects.

This handy guide gives a clear, detailed look at our full selection of affordable toilets and lavatories. All beautifully designed and crafted for lasting value and performance. Available in a wide range of sizes, styles and colors to fit any design and budget while satisfying the most discriminating clients.

MADE IN USA

Dedicated to the spirit of the American worker, Mansfield features a full range of quality products proudly Made in the USA. Just look for this symbol.



THE TOILET.

A bathroom standard made extraordinary by Mansfield. Concealed trapways are easier to clean and more visually appealing. Large water surface areas help keep the bowl cleaner. SmartHeight™ bowls are ADA height and provide chair-like comfort. Elongated bowls are more comfortable and hygienic. HET toilets use 20% less water than conventional toilets.

A wide choice of designs, all built for superior performance and style.

KIT This symbol indicates this product is available as a kit. Kits include the following items:

- Toilet bowl and tank
- Toilet seat
- Flange bolts
- Wax ring with polyethylene flange
- Instructions

Some kits are available with lined tanks (LT).
