BULLHEAD SAFETY®
EYE PROTECTION

KNIFEJAW™

Professional design safety glasses with semi-transparent side shields deliver superior protection and all-day comfort

The Knifejaw safety glasses are engineered for professionals who demand reliable eye protection and all-day comfort in challenging industrial environments. Featuring a full-frame design with Performance Fog Technology (PFT) lenses, these glasses provide superior clarity and resistance to fogging, ensuring uninterrupted visibility in varying temperature and humidity conditions. The semi-transparent side shields deliver additional lateral protection without compromising peripheral vision, making them ideal for environments with dynamic movement and potential side impact risks.

LENS OPTIONS

- Green Mirror
- Clear
- Gray
- Blue Ice Mirror

FEATURES

- PFT - Performance Fog Technology lens: Better than traditional anti-fog! This water-washable, hydrophilic anti-fog lens coating is permanently bonded to the lens to absorb moisture and evenly disperse it, providing clear, fog-free vision
- Precision lenses block blue light rays, which reduces eyestrain, increases visual acuity, and protects from the long-term effects of blue light exposure
- Dual 6-base curve lenses give it a flat front-facing appearance
- Semi-transparent side shields for maximum protection against side impacts
- Semi-transparent side shields for maximum protection against side impacts
- Vented temples increase airflow
- Adjustable TPR nose pads for a customized fit
- TPR temple ends to prevent slipping
- TPR temple ends to prevent slipping
