RILEY® EYE PROTECTION

RLY00495

Lens Blue Anti-Fog

Frame Blue to Green

Description

Engineered without single-use plastic and for use all-day in demanding industrial environments, Ligera Eco™ delivers superior eye protection in an ultra-lightweight, sports-inspired frame. Weighing just 16.5g, Ligera Eco™ offers exceptional comfort without compromising on safety. Its sleek 10-base curve design and integral nose piece ensure a secure, ergonomic fit, while dual-molded temples with TPE ends provide a snug, pressure-free grip for prolonged use. Built to perform under pressure, Ligera Eco™ features UV400 panoramic lenses with dual anti-scratch and anti-fog coatings on both sides, offering uninterrupted clarity and protection even in harsh or humid conditions. The high-impact resistant lens withstands extreme temperatures from 23°F to 131°F (-5°C to 55°C), making it the ideal choice for varied worksite conditions. With full wraparound coverage and optimal optical clarity, Ligera Eco™ ensures maximum safety, visibility, and wearer confidence in any industrial setting.

Z87+ — MEETS ANSI/ISEA Z87.1-2020 STANDARDS

ANTI - FOG — HYDROPHOBIC TREATMENT REDUCES FOG

HARD COAT — ANTI-SCRATCH HARD COAT TREATED LENS

UV PROTECTION — FILTERS 99.9% UVA/UVB/UVC LIGHT RAYS

Technology

This style features lenses constructed with the highest quality polycarbonate, temples made with polycarbonate and Thermoplastic Elastomers (TPE), and the nose piece and temple ends made with TPE material.

Features

- Arida 400 Coating: Anti-fog lens treatment greatly reduces fog in hot, humid, and variable temperature environments. It disperses moisture which allows the water droplets to bead and clear during normal movement and airflow
- UV400 coating is a UV absorber added into the polycarbonate material, which enhances protective capabilities against harmful UV rays
- Lightweight frameless design with slim wraparound style lenses
- Panoramic lenses offer full wraparound protection and optimum vision
- Sleek sports design with a 10-base curve
- Super lightweight with just a 16.5 gram weight
- Dual molded temples with TPE temple ends for maximum fit and comfort
- High-impact resistance under extremes of temperature (23 to 130°F)
- Meets ANSI/ISEA Z87.1-2020 high impact standards
- Comes in a microfiber pouch made from 100% recycled material, no single use packaging.
