LAW-08KS

Kids Scooter

This Kid Scooter is designed to give children aged 1–12 years a safe, fun, and stylish ride. Built with a durable nylon deck, comfortable TPE grips, and a lightweight aluminum T-bar, it offers easy handling and control. The widened PU flashing wheels ensure a smooth, stable ride, while the rear-wheel brake provides reliable stopping power. Kids will enjoy the LED lights and music, adding excitement to every ride. With its easy-fold design, the scooter is convenient for storage and travel. Weighing just 3.5KG and supporting up to 60KG, it combines portability with strength. Certified to EN71 safety standards, it's a secure and enjoyable choice for outdoor adventures.

KEY FEATURES

The Kids Scooter is designed for children aged 1–12 years, combining safety, comfort, and fun in one sleek design. Built with a durable nylon deck, lightweight aluminum T-bar, and soft TPE grips, it ensures easy handling and control. The widened PU flashing wheels provide a smooth and stable ride, while the rear-wheel brake guarantees reliable stopping power. Its easy-fold design makes the scooter convenient to carry and store, and the built-in LED lights add extra excitement for young riders. With a maximum load capacity of 60KG and a net weight of just 3.5KG, it strikes the perfect balance between strength and portability. Certified to EN71 safety standards, this scooter offers parents peace of mind while giving kids an enjoyable outdoor adventure.
