KEY FEATURES

The Kids Scooter is designed to provide children aged 1–12 years with a safe, fun, and reliable riding experience. Made from durable yet lightweight PP material, it is easy to handle while ensuring long-lasting use. The scooter is equipped with PU flash wheels that deliver a smooth ride, featuring front wheels (110×45 mm) and a rear wheel (85×46 mm) for stability and comfort. A rear-wheel brake ensures dependable stopping power, while the one-click folding system allows for quick storage and portability. With a 60 kg load capacity, compact size of 53×30×80 cm, and a net weight of just 2.1 kg, it combines strength with convenience. Available in multiple vibrant colors, this scooter offers both style and performance, making it perfect for everyday adventures.
