# Electric Luggage

This 20-inch aluminum smart rideable suitcase is ideal for modern adventurers seeking mobility and practicality. Its strong, lightweight aluminum alloy build weighs just 8.3kg, with multi-functional compartments for organized storage and a built-in lock for safety.

Silent universal wheels ensure smooth, quiet movement, while a 250W motor hits 15 km/h for easy rides through airports or stations. Foldable handlebars switch effortlessly between riding and carrying.

Stylish, secure, and versatile—perfect for business travelers, frequent flyers, and families wanting fun, fatigue-free trips.
