Select Premium Split Cowhide Reinforced Blue Leather Welders Gloves with Thermal-Knit Cotton Lining

Description

Select premium shoulder split cowhide welding gloves. These gloves are blue and feature aramid fiber sewn stitching and a reinforced palm and thumb crotch. They are 13 inches long with a gunn cut pattern, a hemmed cuff, and a full semi-sock thermal-knit cotton lining for added heat protection. The welting in all vulnerable seams adds durability. The gloves are generously sized to reduce hand fatigue; a gauntlet cuff allows for quick removal and extends protection up the arm.

1200KB-LH is sold as left-handed only pairs.

INDUSTRY	
Welding	Fabrication
Heat Applications	Steel Construction
