with lock	Yes	Max Speed	15km/H
Size	20 inch	The Motor	500W
Main Features	Multi-functional Storage Bags	Wheel	Slient Universal Wheel

KEY FEATURES

This 20-inch aluminum smart rideable suitcase is perfect for modern adventurers who want mobility and practicality. Its strong yet lightweight aluminum alloy build weighs just 8.3kg, with multi-functional compartments for organized packing and a built-in lock for security.

Silent universal wheels deliver smooth, quiet rides, while a 250W motor reaches 15 km/h for easy gliding through airports or stations. Foldable handlebars make switching between riding and carrying effortless.

Stylish, secure, and versatile—ideal for business travelers, frequent flyers, and families seeking fun, fatigue-free trips.
