Hoverboard

The Kart Combos Hoverboard is built for fun, performance, and style. Powered by a 36V 2Ah battery and a 250W dual motor, it delivers speeds of up to 7.5 MPH with a range of 7.5 miles per charge. With the ability to climb 15° inclines and carry loads of up to 220 lbs, it's designed for both kids and adults. The bold graffiti design makes it stand out, while the included go-kart attachment transforms the hoverboard into a seated racer for a safer and more thrilling ride. Whether you're cruising around the neighborhood, racing friends, or just enjoying some outdoor fun, this combo offers the perfect mix of mobility and excitement. Ideal for riders of all ages, the Graffiti Kart Combo isn't just a ride-it's an experience.
