Hoverboard

The Kart Combos Purple Hoverboard delivers fun, power, and style in one complete set. Powered by a 36V 2Ah battery and a 250W dual motor, it reaches speeds of up to 7.5 MPH with a range of 7.5 miles on a single charge. With the ability to climb 15° inclines and support up to 220 lbs, it's built for both kids and adults. Featuring LED lights for safety and visibility, plus Bluetooth connectivity so you can enjoy music while you ride, this hoverboard combines performance with entertainment. The included go-kart attachment transforms your hoverboard into a racing kart, adding stability and excitement for a whole new riding experience. With its bold purple galaxy design and strong build, this set is perfect for cruising, racing, or just having fun outdoors making it an ideal gift for riders of all ages.
