RILEY® EYE PROTECTION

RLY00322

Lens Gray

Frame Gray

Description

Engineered for performance and comfort, Kosma™ eyewear delivers a sleek, sport-style design ideal for industrial environments where both protection and appearance matter. The frameless construction not only offers a lightweight feel but also maximizes peripheral vision for enhanced situational awareness. Designed to fit a wide range of face sizes, the soft TPE adjustable nosepiece and flexible temple tips provide all-day comfort and a secure, slip-free fit. The slim wraparound style ensures close protection without sacrificing breathability or mobility. Constructed with zero metal components, the eyewear is 100% metal-free—perfect for use in sensitive work areas or environments with electrical hazards.

Each pair comes supplied with a durable neck cord for easy access and convenience throughout the workday.

Technology

This style features lenses constructed with the highest quality polycarbonate and nosebridge made with Thermoplastic Elastomers (TPE) material.

Z87+ — MEETS ANSI/ISEA Z87.1-2020 STANDARDS

DIELECTRIC — FREE FROM METAL COMPONENTS

UV PROTECTION — FILTERS 99.9% UVA/UVB/UVC LIGHT RAYS
