Premium-Grade Split Cowhide Leather Palm, Low Temperature, Waterproof, and Insulated Gloves

Description

Features a flexible spandex shell and a premium-grade split cowhide leather palm, these low-temperature gloves provide dexterity and comfort. Insulated with 120 grams of Cold Keep® insulation, it also has a dual cuff and waterproof barrier inside to prevent moisture and cold from entering the glove. The neoprene-padded knuckles have added visibility from a reflective stripe on the back. The gloves are reinforced with Griptex material on the thumb saddle, fingertips, and palm. The wing thumb is comfortable, and the black spandex back provides breathability. The open cuff with a knit wrist gives the user easy donning and removal while keeping the comfortable, secure fit.

Each pair is individually hang-tagged for retail sale.
