Exclusive Activities

A wide selection of great cultural remnants cultivated throughout Japan’ s long history that show themselves in a different light depending on the season. We present special, sophisticated experiences unique to Japan and typical of Kanagawa that intersect history and the modern day only to select customers.

The SAMURAI Project

You can experience Japanese culture with the theme of Samurai using special tools with special people in special locations. The programs are provided in a quiet, private environment where no tourists are allowed to enter. Experts specializing in each art teach you closely using special tools. Programs on Zen meditation, Iaido(the art of drawing a real sword) and tea ceremony, etc. are available.

KANAGAWA < Introduction to the Prefecture >

Kanagawa Prefecture located to the south of Tokyo has the second highest population in Japan after Tokyo numbering approximately 9.1 million. It is not only active in various industries including the automobile and robot industries; it also has an abundance of nature including the sea and mountains.

The prefecture is blessed with industry and culture as well as a wonderful natural environment and tourism resources such as the hot spring zone in Hakone and Yugawara, the mountainous zone of Tanzawa Oyama and Kamakura, the City of History, which has as many historic and scenic sites as Kyoto and Nara.
