RILEY® EYE PROTECTION

RLY00520

Lens Polarized Anti-Fog

Frame Matte Black

Description

Innovative yet iconic, the Riley Navigator™ redefines safety eyewear by merging fashion-forward design with uncompromising protection. Engineered for professionals who demand both performance and style, the Navigator's unique 4-base curve delivers a contemporary aesthetic while ensuring full industrial safety compliance. Designed with dual-injected temples and soft tips for all-day comfort, these glasses offer a secure, ergonomic fit that withstands the toughest working conditions. The anti-fog and anti-scratch lens coatings provide exceptional clarity and durability, maintaining a clear view and long-lasting performance in demanding environments. The Navigator offers versatile protection across a wide range of applications — from indoor manufacturing to outdoor site work.

Each pair is supplied in premium box packaging with a microfiber pouch for safe storage and easy maintenance.
