Nitrile, Powder-Free, Industrial-Grade, Black, Lightweight, 3.5-Mil, Textured Fingertips, 9.5-Inch Disposable Gloves

Description

These 3.5-mil powder-free disposable gloves are made from 100% nitrile and feature a rolled/beaded cuff. They offer excellent dexterity and performance without containing natural rubber latex proteins. The key benefit of nitrile gloves is their outstanding chemical resistance. They are three times more puncture resistant than natural rubber latex.
