Nitrile, Powder-Free, Industrial-Grade, Lightweight, Blue, 3.5-Mil, Textured Fingertips, 9.5-Inch Disposable Gloves

Description

These 3.5-mil, powder-free, disposable gloves are made from 100% nitrile and feature a rolled/beaded cuff. They offer excellent dexterity and performance without containing latex proteins. The key benefit of nitrile gloves is their outstanding chemical resistance. They are three times more puncture resistant than rubber latex and are appropriate for use in an ESD Protected Area.
