Freedom in Sobriety

DAILY REFLECTIONS

May 18th-FREEDOM TO BE ME

If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness.

ALCOHOLIC'S ANONYMOUS, p. 83

My first true freedom is the freedom not to have to take a drink today. If I truly want it, I will work the Twelve Steps and the happiness of this freedom will come to me through the Steps – sometimes quickly, sometimes slowly. Other freedoms will follow, and inventorying them is a new happiness. I had a new freedom today, the freedom to be me. I have the freedom to be the best me I have ever been
