This document ("IM") has been prepared by Jones Lang LaSalle ("JLL") and has been delivered to a limited number of interested parties (each a "recipient") on behalf of the owner. The purpose of the IM is to assist the recipient in deciding whether it wishes to proceed with a further investigation of the investment opportunity described in this IM (the "proposed transaction") and in determining the level of any indicative offer the recipient may wish to make in connection with the proposed transaction. The term "IM" shall include all information that has been or may subsequently be supplied in writing or orally in connection herewith or in connection with any further inquiries. The IM does not constitute an offer or invitation for the sale or purchase of shares or any of the businesses or assets described in them. The issue of this IM shall not be deemed to be any form of commitment on the part of the owner (or any other person) to proceed with any part of the proposed transaction or any other transaction.

The owner, JLL and their respective associates and affiliates may at their sole discretion modify any of the rules or procedures relating to such investigation and proposed sale process, terminate such investigation and proposed sale process, reject any or all proposals or negotiate with any other party on any terms with respect to the proposed transaction or any other potential transaction or enter into a binding agreement with any other party, without prior notice to the recipient. In consideration of being provided with the IM and the opportunity to consider the potential proposed transaction, the recipient agrees with JLL, the owner and their associates and affiliates: (i) not to rely on any information in the IM as statements or representations of fact or as any warranty; (ii) to satisfy themselves by their own independent searches, enquiries, surveys and inspections or otherwise as to the correctness of that information; (iii) that no person in the employment of JLL has authority to make or give any representation or warranty whatsoever on behalf of the owner, its associates or affiliates; (iv) that JLL, the owner and their respective associates and affiliates will not be held responsible or liable to the recipient or any of its associates or affiliates for the accuracy or completeness of any information in the IM and make no representation and warranties in that regard; (v) that no information set out or referred to in this IM shall form the basis of a contract with any party; and (vi) that no part of the IM may be reproduced or transmitted in any form or by any means without the prior written consent of the owner. Forecasts and projections contained in the IM are prepared by the owner and must be read strictly in conjunction with the explanations, qualifications and assumptions set out in the text. Such forecasts and projections involve a significant element of subjective judgment and are designed to assist in considering possible outcomes. They are not intended to give any assurance to any party that any particular result or outcome will occur. The assumptions on which forecasts and projections are based are considered reasonable at the time of issue of this publication, but no assurance is given that they are correct or exhaustive or that they will continue to be so in the future. No responsibility or liability will be accepted by the owners, JLL and their respective associates and affiliates in relation to the adequacy, accurateness, completeness or reasonableness of this IM or any other information (whether written or oral), notice or document supplied or otherwise made available to any recipient or its advisers in connection with the proposed transaction. All and any such responsibility is expressly disclaimed. The recipient acknowledges and agrees that all the information contained in the IM is "confidential information" within the meaning of the non-disclosure agreement ("NDA") that the recipient has entered into for the purposes of evaluating this the proposed transaction. In consideration of being provided with the IM and the opportunity to consider the potential proposed transaction, the recipient acknowledges and agrees that all information contained in the IM is subject to the NDA and remains the property of the owner.

The recipient further acknowledges and agrees that its use of the information contained in the IM will be governed by that NDA. In the event of conflict between this disclaimer and the terms of the NDA, the latter will prevail. By accepting this IM, the recipient agrees to be bound by the foregoing limitations.
