- Breathable mesh material located on the upper back and sides
- Material wicks away moisture and provides extreme comfort, coolness, and breathability
- High-visibility yellow/green
- Offers UPF 15+ protection
- Features tagless neck design for additional comfort
- Total Pockets: None

Description

This premium athletic-type short-sleeved shirt is self-wicking, high-performance stretch polyester/spandex microfiber. It has mesh material on the upper back and sides for added breathability and airflow. The high-visibility yellow/green color gives upgraded visibility in low-light conditions. The shirt features UPF 15+ protection from the sun and a comfortable tagless design.

Each item is individually packaged in a polybag for retail sale.
