MANCHESTER MILLS®

ENVIR SLEEP®

# ULTRA SUPER TOPPER

## Fully Reversible Mattress Pad

PRE-WASHED & READY TO USE

Quilted 28oz, 50% Cotton / 50% Polyester

For the ultimate luxury, our Envirosleep Ultra Super Topper offers a premium sleeping experience. Encased in 200 thread count blended fabric on the top and bottom, and detailed with an 8" diamond quilt design, this topper is essential for a better night's sleep. It's also fully reversible, with piping around the edge on the reverse side. Finished with a fitted skirt and an elastic banded bottom, it fits mattresses up to 15" deep.
