JUSTWASHES

Customer Subscription Agreement

JUST SERVICES, LLC dba JUSTWASHES

Effective Date: November 27, 2026 | Last Updated: November 27, 2026 | Version 4.4

1. PARTIES AND INCORPORATION BY REFERENCE

This Customer Subscription Agreement ("Subscription Agreement" or "Agreement") is entered into by and between Just Services, LLC dba JustWashes ("JustWashes," "we," "us," or "our"), a Georgia limited liability company with its principal place of business at 4062 Peachtree Rd NE, Ste A-510, Atlanta, GA 30319, and the individual who accepts this Agreement ("you" or "Customer").

This Subscription Agreement governs the commercial terms of your Wash Credit subscription and is incorporated into, and made part of, the JustWashes Terms of Service. In the event of any conflict between this Subscription Agreement and the Terms of Service, this Subscription Agreement shall control with respect to billing, credits, plan management, and promotional matters. Capitalized terms not defined herein have the meanings ascribed to them in the Terms of Service.

By completing the subscription enrollment process — including identity verification, vehicle class selection, and payment authorization — you agree to be bound by this Agreement.

2. IDENTITY VERIFICATION AND ACCOUNT ELIGIBILITY

2.1 Required Verification

To create a JustWashes account and activate a Subscription, you are required to upload a valid, government-issued photo identification document ("ID") at the time of signup. Acceptable forms of ID include a driver’s license, state-issued ID card, or passport. JustWashes uses identity verification to ensure one Subscription per unique individual and to protect the integrity of promotional offers.

2.2 Data Handling

Your ID and associated personal information are collected and processed in accordance with the JustWashes Privacy Policy, incorporated herein by reference. JustWashes retains verification data only for as long as necessary to fulfill its verification and fraud prevention obligations. Your ID data will not be used for any purpose other than account verification and promotional eligibility determination, except as required by law.

2.3 One Account Per Individual

Each JustWashes account must correspond to a unique individual. You may not create multiple accounts or use another person's identity to circumvent eligibility requirements. JustWashes reserves the right to cross-reference submitted identification against existing accounts. Discovery of duplicate accounts, identity misrepresentation, or fraudulent enrollment may result in immediate account termination and revocation of improperly obtained promotional credits. Legitimately purchased unused credits are handled under Sections 5.5 and 10, rather than automatically forfeited.

3. SUBSCRIPTION STRUCTURE AND PLAN SELECTION

3.1 Recurring Subscription Framework

A JustWashes Subscription is a recurring, no-commitment membership. There is no fixed term and no annual contract. Subscriptions are billed monthly. Your billing date is set by the date you enroll: your payment method is charged on enrollment and on the same day each month thereafter, and new Wash Credits are made available for use at the start of each monthly cycle. Your Subscription continues from one billing cycle to the next, renewing automatically at the start of each cycle, until you cancel in accordance with Section 6. There is no minimum number of billing cycles and no early termination fee.

3.2 Vehicle Class Selection

At the time of enrollment, you select the vehicle class or classes for which you wish to purchase credits:

- Sedan Credits — applicable to sedans, coupes, and similar passenger cars, at the per-credit rate presented to you at checkout;
- Mid-Size SUV Credits — applicable to mid-size, compact, and two-row sport-utility vehicles and crossovers, at the per-credit rate presented to you at checkout;
- Large SUV/Van/Truck Credits — applicable to full-size and three-row sport-utility vehicles, vans, and pickup trucks, at the per-credit rate presented to you at checkout.

You may elect to purchase credits for one vehicle class or for more than one vehicle class within a single Subscription.

Your vehicle class selection and credit quantity per class are established at signup and govern the credits issued each billing cycle. JustWashes reserves the right to define vehicle class categorizations and to make the final determination as to which class applies to a given vehicle.

3.3 Credit Quantity

You select the number of credits you wish to receive per billing cycle for each vehicle class at the time of enrollment.

There is no maximum number of credits per cycle, no limit on the number of vehicles per household, and no restriction on the frequency with which credits may be used per billing cycle. The minimum purchase is one (1) credit per billing cycle.

3.4 Billing Cycle Charges

Your payment method on file will be charged at the start of each billing cycle for the total number of credits selected across all vehicle classes, at the per-credit rates applicable to your Subscription pursuant to Section 4. For example, a Customer who elects two (2) Sedan Credits and one (1) Large SUV/Van/Truck Credit will be charged the sum of those three credits' rates at the start of each monthly cycle.

4. PRICING AND PAYMENT

4.1 Current Pricing

Per-credit pricing for each vehicle class is the pricing presented to you at checkout at the time of enrollment and displayed in your account settings (the "Pricing Schedule"), as further described in Exhibit A. JustWashes does not publish fixed per-credit dollar rates within this Agreement; the operative rates are those shown to you at signup and in your account, which you expressly review and accept as part of enrollment. The current Pricing Schedule is available in your account settings at any time.

- Sedan Credit — applicable to sedans, coupes, and similar passenger cars;
- Mid-Size SUV Credit — applicable to mid-size, compact, and two-row SUVs and crossovers;
- Large SUV/Van/Truck Credit — applicable to full-size and three-row SUVs, vans, and pickup trucks.

There are no bundled discounts or volume tiers unless expressly stated at checkout or in your account.

4.2 Payment Authorization

By enrolling in a Subscription, you authorize JustWashes to charge your payment method on file automatically at the start of each billing cycle for the total cost of your elected credits. All payments are processed by JustWashes' third-party payment processor pursuant to that processor's services agreement. You represent that you are authorized to use the payment method provided and that the billing information you supply is accurate and complete.

4.3 Failed Payments

If a payment fails for any reason, JustWashes will attempt to notify you via email and/or SMS. Credits for the applicable cycle will not be issued until payment is successfully processed. JustWashes reserves the right to suspend your access to the Platform and withhold credit issuance until all outstanding balances are resolved. Repeated payment failures may result in account termination.

4.4 Price Changes

JustWashes reserves the right to modify per-credit pricing at any time. Because your Subscription has no fixed term, any change to the per-credit rate applicable to your Subscription will take effect no earlier than thirty (30) days after JustWashes provides you advance notice via email or in-app notification. The updated rate will be reflected at checkout and in your account settings before it takes effect. JustWashes does not pass payment processing fees through to Customers, as provided in Section 4.6. If you do not wish to accept the updated pricing, you may cancel your Subscription in accordance with Section 6 before it takes effect on your next billing cycle. Your continued use of the Platform, or your payment of a billing cycle at the updated rate, constitutes acceptance of the updated pricing. The price applicable to each billing cycle is the per-credit rate in effect for your Subscription as of the start of that cycle.

4.5 No Fixed-Term Price Lock

Because your Subscription is a recurring, no-commitment membership with no annual term, no long-term price lock applies. The rate you pay for any billing cycle is the per-credit rate in effect for your Subscription as of the start of that cycle, subject to the advance-notice requirement in Section 4.4.

© 2026 Just Services, LLC dba JustWashes

Prices may change from cycle to cycle in accordance with Section 4.4, and your sole remedy if you do not wish to pay an updated rate is to cancel your Subscription before that rate takes effect.

4.6 No Customer Payment Processing Surcharge

JustWashes does not charge Customers a separate credit card, debit card, or other payment processing surcharge. The Customer pays the subscription or optional Add-On Service price disclosed before purchase. Card processing costs used to calculate a Technician's Add-On Service compensation are internal payout calculations and are not an additional Customer charge.

5. WASH CREDITS — ISSUANCE, USE, ROLLOVER, AND EXPIRATION

5.1 Credit Issuance

Wash Credits are issued to your account at the start of each billing cycle upon successful payment processing. Credits are issued in the vehicle class and quantity you selected at enrollment or as subsequently modified in accordance with Section 7.

5.2 Credit Use

Each Wash Credit entitles you to one (1) exterior wash for one (1) vehicle matching the class for which the credit was issued. Credits may be applied to any eligible vehicle at your Service Location, provided the vehicle matches the credit’s class:

- Sedan Credits may only be used for sedans, coupes, and similar passenger cars;
- Mid-Size SUV Credits may only be used for mid-size, compact, and two-row SUVs and crossovers;
- Large SUV/Van/Truck Credits may only be used for full-size and three-row SUVs, vans, and pickup trucks.

A credit issued in one vehicle class may not be applied to a vehicle in another class, regardless of the circumstances.

JustWashes reserves the right to define vehicle class categorizations and to make final determinations regarding vehicle eligibility.

5.3 Credit Rollover

Unused Wash Credits, including purchased and promotional credits, roll over from cycle to cycle without a balance cap while your Subscription remains active and in good standing. Cancellation does not forfeit your unused credits. Their use and expiration after cancellation are governed by Section 5.4; account termination is governed by Section 5.5.

5.4 Credits and Pending Washes After Cancellation

Cancelling your Subscription stops future renewal but does not forfeit unused Wash Credits or automatically cancel pending or scheduled Wash appointments. You may book and complete washes using your remaining credits without maintaining a recurring Subscription. All credits remaining at cancellation, including purchased, rolled-over and promotional credits, expire one (1) year after the date of cancellation unless used or refunded sooner. A wash must be completed before the applicable credit expires; making a booking does not extend the expiration date. Pending appointments may

© 2026 Just Services, LLC dba JustWashes

proceed if the associated credits remain valid and have not been refunded. You may instead request a refund of unused purchased credits under Section 10. No credit may be both redeemed and refunded.

5.5 Credits Upon Termination by JustWashes

JustWashes retains its rights to suspend or terminate an account under the Terms of Service, including for fraud, abuse, or unsafe conduct. Termination does not automatically confiscate legitimately purchased unused credits. Subject to safety and account-access restrictions, remaining valid credits may be redeemed for one (1) year after termination or unused purchased credits may be refunded under Section 10. If JustWashes will not permit further service or account access, it will arrange a refund of legitimately purchased unused credits rather than require redemption through the terminated account. Improperly obtained promotional credits may be revoked under Section 8; promotional credits are not refundable for cash. Termination does not create a right to further service where safety or abuse concerns prevent it.

5.6 Non-Transferability

Wash Credits are personal to your account and may not be transferred, gifted, sold, or assigned to another individual or account. Credits have no cash value except for refunds of unused purchased credits expressly available under Section 10 or required by applicable law.

5.7 Add-On Services (Non-Credit)

A Technician may offer optional Add-On Services in connection with a wash. Available services and their scope are described on the JustWashes website and in the Platform before purchase, subject to Section 5.6 of the Terms of Service. A Wash Credit covers one exterior wash. Vehicle access, customer preparation and personal-property terms are governed by Sections 6.1, 6.3 and 6.6 of the Terms of Service and the Initial Disclosure Agreement. Add-On Services are separate from your Subscription and your Wash Credits.

Add-On Services are priced by the Technician, are not paid for with Wash Credits, and do not consume a Wash Credit.

Each Technician sets their own Add-On Service prices, so the price for the same Add-On Service may differ between Technicians and may change over time. JustWashes does not set, cap, or require any Add-On Service price; where the Platform displays a suggested price, it is a suggestion only and the Technician is free to charge more or less. The price applicable to your booking is shown to you before you purchase. If you purchase an Add-On Service, the amount is charged to your payment method on file upon completion of that Add-On Service, outside of and in addition to your recurring Subscription charge. Add-On Service charges are not part of your per-credit pricing and are not subject to the price-change notice provisions of Section 4.4.

5.8 Service Issue Reporting Window

If something is wrong with a wash — the results are unsatisfactory, the wash was not completed, the Technician did not appear, or your vehicle was damaged — you must report it to JustWashes within forty-eight (48) hours of the wash completion timestamp recorded in the Platform or, for a wash that was not performed, within forty-eight (48) hours of the scheduled appointment time. Reports made within that window are handled under the Service Issue Resolution process in Section 5.5 of the Terms of Service.

© 2026 Just Services, LLC dba JustWashes

This forty-eight (48) hour window is presented to you at signup and is available at any time in your account and on the JustWashes website. Reports submitted after the window are not eligible for the remedies described in Section 5.5 of the Terms of Service, although JustWashes may address them at its discretion.

6. SUBSCRIPTION CANCELLATION

6.1 Right to Cancel

You may cancel your Subscription at any time without a cancellation penalty or early termination fee through Platform account settings or by contacting support@justwashes.com. Cancelling a Subscription is distinct from cancelling an individual wash appointment under the Terms of Service. Your unused credits and pending washes are preserved as described in Section 5.4. Any collection of a free Wash Kit is governed by Section 6.6 and does not create a fee.

6.2 Cancellation Timing and Effect on Billing

A cancellation request takes effect when submitted through the Platform or received by JustWashes support. It stops future Subscription renewals. To prevent the next renewal charge, submit your cancellation before that renewal is processed; cancellation does not trigger an additional billing cycle. If a renewal has already been processed, unused purchased credits from that cycle are eligible for refund under Section 10. JustWashes will confirm your cancellation. Cancelling does not itself remove your account or your ability to use remaining valid credits.

6.3 Unused Credits and Refunds

On cancellation, you may use remaining Wash Credits for one (1) year after cancellation or request a refund of unused purchased credits under Section 10. Refunds are based on the amount actually paid for unused credits, rather than on the number of days remaining in a cycle. Completed washes and used credits are not refunded under this cancellation policy; service issues remain subject to the Terms of Service.

6.4 Resubscription After Cancellation

If you resubscribe, your new Subscription begins on the new enrollment date and is subject to the per-credit pricing presented at checkout. Valid credits remaining from your prior Subscription remain available until their original post-cancellation expiration date; resubscription does not restart that period or reinstate credits already expired, used, or refunded. Promotional eligibility is governed by Section 8.

6.5 Weather-Related Wash Cancellations and Interruptions

The Weather Policy states when JustWashes cancels or reschedules for weather and governs weather and safety procedures.

If JustWashes offers to reschedule your wash because of weather, you decline that offer and expressly ask us to attempt the wash anyway, and the Technician travels to your Service Location and makes an on-site attempt but weather prevents completion, your reserved Wash Credit is used and is not returned. This applies whether weather prevents work from starting on arrival or stops work after it begins. An on-site attempt includes attending and assessing the service conditions when

© 2026 Just Services, LLC dba JustWashes

weather prevents starting safely or to standard. A further wash requires a new Booking using another valid Wash Credit; the used credit is not eligible for the unused-credit refund offer. No additional cancellation fee or cash charge is imposed for the weather attempt.

If these conditions are not met, a wash cancelled, interrupted or left incomplete because of weather returns its reserved Wash Credit for rebooking at no charge. This includes accepting our reschedule offer, weather preventing the wash without a declined reschedule offer, and cancellation before the Technician travels and makes an on-site attempt. Returned credits keep their otherwise applicable expiration date.

Technicians may decline or stop unsafe work at any time, including when you ask for an attempt. The credit-use rule for a declined weather reschedule also applies to a qualifying on-site attempt stopped for weather-related safety reasons; it never requires a Technician to work unsafely. Credit use for an attempt does not mean the wash was completed. Technician compensation is governed separately by the Independent Contractor Agreement and Weather Policy.

Add-On Services are charged only when completed and are handled separately from the exterior wash. A completed add-on may be charged whether the exterior Wash Credit is used under the weather-attempt rule or returned. An uncompleted add-on is not charged. Rebooking or omission of an uncompleted Add-On Service is coordinated under Section 5.6 of the Terms of Service.

6.6 Wash Kit

A "Wash Kit" is the set of wash supplies used for your washes, which may include a wash bucket, towels or rags, and similar items. JustWashes may provide a Wash Kit at no separate charge or offer it as a prepaid purchase. The contents, whether a purchase price applies, and any price are shown at checkout. You must have a Wash Kit associated with your account before scheduling your first wash. Your kit is delivered to your Service Location and must be kept clean, available and accessible for each appointment. You are responsible for laundering the towels or rags between appointments. Replacement supplies may be made available on request at JustWashes' discretion based on completed wash count; availability may be modified or discontinued.

A Wash Kit provided at no separate charge carries no return or repayment fee. If you cancel before receiving twenty (20) completed washes, JustWashes may, at its discretion, require return of that free kit and arrange to collect it from you at no charge. You agree to make it available for an arranged pickup. Once you have received twenty (20) completed washes, JustWashes will not require return or collect the kit under this cancellation provision. Any remaining credit use after collection will be coordinated with JustWashes so kit availability does not prevent you from receiving a wash you are entitled to redeem.

If you purchased the kit up front, it is yours and no return or collection is required on cancellation. A free kit does not require you to complete a minimum number of washes or reimburse JustWashes for its cost.

7. PLAN MODIFICATIONS

7.1 Permitted Plan Changes

You may request the following plan modifications at any time through the Platform:

- Increase the number of credits per cycle for any vehicle class;

© 2026 Just Services, LLC dba JustWashes

- Add a vehicle class (e.g., add Large SUV/Van/Truck Credits if you currently hold only Sedan Credits);
- Reduce the number of credits per cycle for any vehicle class; and
- Remove a vehicle class, provided at least one vehicle class remains on your Subscription.

All plan changes take effect at the start of your next billing cycle following the modification request. Your current cycle is unaffected, and you keep every credit already issued for it.

Credits added by an upgrade — whether added to an existing vehicle class or in a newly added vehicle class — are billed at the per-credit rate in effect for your Subscription as of the date the upgrade takes effect, as presented to you at checkout and in your account settings.

A downgrade reduces the number of credits issued to you in future cycles and reduces your charge accordingly. A downgrade does not cancel, remove, or forfeit any Wash Credit already issued to you, including rollover credits; those credits remain in your account and remain usable under Section 5, including its post-cancellation rules. Removing a vehicle class stops the issuance of new credits in that class but does not affect credits of that class already in your account. A downgrade does not itself generate a refund or partial credit. Refunds of unused purchased credits remain available under Section 10.

7.2 No Mid-Cycle Partial Refunds for Upgrades

When you upgrade your plan, you will be charged the applicable rate beginning at the start of the next billing cycle.

JustWashes does not issue pro-rated charges or partial credits for upgrades initiated mid-cycle.

8. PROMOTIONAL CREDITS AND OFFERS

JustWashes may, from time to time and in its sole discretion, offer promotional credits, promotional codes, introductory offers, referral incentives, or other promotional items in connection with the Subscription. Any such promotion is offered at JustWashes' discretion, may be modified, suspended, or discontinued at any time, and is governed by the specific promotional terms (including eligibility, redemption rules, expiration, and any geographic or temporal limitations) communicated to you at the time of the offer or made available through the Platform.

JustWashes does not guarantee that any promotional offer will be available at the time of your enrollment or at any subsequent time.

Any promotional credits issued to your account constitute Wash Credits for purposes of this Agreement and are subject to the rollover, expiration, non-transferability, and other rules set forth in Section 5, except where the applicable promotional terms expressly provide otherwise. JustWashes reserves the right to revoke any promotional credit and, where appropriate, to suspend or terminate the associated account if JustWashes determines, in its sole discretion, that the credit was obtained through fraudulent means, identity misrepresentation, duplicate enrollment, misuse of a promotional code, or any other conduct inconsistent with the intent of the offer. Revocation of a promotional credit does not create a cash refund for that promotional credit; it does not eliminate the refund policy for legitimately purchased unused credits in Section 10. Promotional credits have no cash value, are non-transferable, and may not be combined with any other promotional offer unless expressly stated by JustWashes in writing.

9. AUTOMATIC RENEWAL DISCLOSURE

YOUR SUBSCRIPTION IS A RECURRING MONTHLY SUBSCRIPTION THAT AUTOMATICALLY RENEWS ON THE SAME DAY EACH MONTH, BASED ON YOUR ENROLLMENT DATE, AND YOUR PAYMENT METHOD ON FILE WILL BE CHARGED AT THE THEN-CURRENT PER-CREDIT RATE FOR YOUR SUBSCRIPTION AT THE START OF EACH CYCLE UNTIL YOU CANCEL. THERE IS NO FIXED TERM AND NO EARLY TERMINATION FEE. TO STOP THE NEXT RENEWAL CHARGE, CANCEL BEFORE THAT RENEWAL IS PROCESSED. NO FORTY-EIGHT (48) HOUR ADVANCE-NOTICE PERIOD APPLIES. BY ENROLLING, YOU EXPRESSLY AUTHORIZE JUSTWASHES TO CHARGE YOUR PAYMENT METHOD ON FILE FOR EACH BILLING CYCLE WITHOUT FURTHER ACTION FROM YOU.

You may cancel at any time through your account settings or by contacting support@justwashes.com, effective as described in Section 6. JustWashes will provide at least thirty (30) days' advance notice, via email or in-app notification, before any increase to the per-credit rate applicable to your Subscription takes effect, as set forth in Section 4.4. It is your responsibility to keep your contact information and payment method current. JustWashes is not responsible for missed notices resulting from outdated contact information or email delivery failures.

10. REFUND POLICY

JustWashes currently offers refunds of unused purchased Wash Credits, including after cancellation. To request a refund, contact support@justwashes.com before the applicable credits expire. You may choose to keep and use your credits instead, subject to Section 5. A refund request received before expiration remains eligible while it is being processed.

The refund for an unused purchased credit is the amount actually paid for that credit, reflecting any applicable purchase discount, not the current replacement price. Promotional or other no-charge credits have no refundable purchase amount. Credits already used for completed washes, expired credits, and amounts already refunded are not eligible under this unused-credit policy, except as otherwise required by law or provided by the service issue process. No kit purchase or completed Add-On Service refund is created by this unused-credit policy.

Refunds are issued to the original payment method within ten (10) business days after the eligible amount is determined. Refunded credits are removed from your balance. If a refund includes credits reserved for pending appointments, JustWashes will identify the affected appointments and obtain your instruction to cancel or apply other valid credits; cancellation of the Subscription alone does not cancel those appointments. No credit can be both used and refunded.

This is the current refund policy, not a promise that identical terms will apply to all future credit purchases. Any future policy change must follow Section 11.2 and will not remove the refund eligibility of credits purchased under this version. Nothing in this Agreement limits refunds required by applicable law.

Disputes regarding billing errors, such as an incorrect amount, a rate inconsistent with checkout, or a charge after a confirmed cancellation, should be reported to support@justwashes.com within thirty (30) days of the charge. JustWashes will investigate and, if an error is confirmed, issue a credit or refund as appropriate.

11. GENERAL PROVISIONS

11.1 Relationship to Terms of Service

This Subscription Agreement is incorporated into and governed by the JustWashes Terms of Service. All dispute resolution, arbitration, limitation of liability, indemnification, governing law, and general provisions set forth in the Terms of Service apply equally to this Agreement. In the event of conflict, this Agreement controls on subscription, billing, credit, and promotional matters.

11.2 Modifications to This Agreement

JustWashes reserves the right to modify this Subscription Agreement at any time. Material changes will be communicated to you via email or in-app notification at least fourteen (14) days before taking effect. Your continued use of the Platform after the effective date of any modification constitutes acceptance of the updated Agreement.

Modifications to per-credit pricing are governed by Section 4.4, not this Section 11.2.

11.3 Governing Law

This Agreement is governed by the laws of the State of Georgia, without regard to its conflict of law provisions.

Disputes are subject to binding arbitration in DeKalb County, Georgia, as set forth in the Terms of Service.

11.4 Severability

If any provision of this Agreement is found to be unenforceable, the remaining provisions shall continue in full force and effect.

11.5 Entire Agreement

This Subscription Agreement, together with the JustWashes Terms of Service, Privacy Policy, and Initial Disclosure Agreement, constitutes the entire agreement between you and JustWashes with respect to your Subscription and supersedes all prior understandings relating to the subject matter herein.

11.6 Contact
