Career Awards

U.S., Canada, Global

Where Excellence Becomes Legacy

These awards celebrate the long-term success and loyalty of agents. These awards reflect cumulative earnings and years of service within the REMAX network, honoring the milestones of an exceptional career.

As extraordinary achievements stack year after year, new milestones emerge, and that's where the Career Awards come in. These prestigious, highly-coveted honors celebrate those who have reached the pinnacle of mastery at REMAX. Achieving any Career Award level is a career defining moment, recognizing not just production, but dedication, longevity and true excellence.

Career Awards are earned through your cumulative individual GCI over your time with REMAX. Beginning with Lifetime Achievement, these honors also include a length of affiliation requirement, and both criteria, earnings and tenure, must be met to qualify. For our top tiers, the excitement reaches an entirely new level: the Circle of Legends, Luminary of Distinction and Paramount of Excellence awards are presented live during the Opening General Session at R4, while Hall of Fame and Lifetime Achievement honorees are celebrated during the high-energy "Best of REMAX" awards celebration.

A complimentary trophy and customized video from an executive leadership member is sent to anyone that reaches Luminary of Distinction and Paramount of Excellence.
