Contractors License Center was so helpful in assisting me through the licensing process. They helped me from start to finish, literally walking me through every step from preparing the application, understanding the requirements and following up toward actual licensing. They even assisted in understanding the insurance requirements for my specialization. I don't know how I would have realized my dream of obtaining my contractors license without their tremendous expertise and support. Mahalo nui Cindy and U'i!  
 — Jason Chong, Excavating & Masonry Contractor

Since I got my contractor's license, my company, V&C Drywall Contractors, Inc., is doing great. I couldn't have done it without the help of Contractor's License Center. I was really impressed with their professionalism and the personal touch that I was given."  
 — Vincent Nihipali, Waianae, Hawaii

It was important that I pass my electrical exams quickly so I turned to Contractor's License Center for help. Going through practice exams at my own pace and timeline was perfect for me. Their information was accurate and up to date so I passed the test my first time through!

# Contractor's License Center, Inc.

We are an exam preparation service dedicated to providing the most up-to-date information and instruction on contractor's exam categories in the state of Hawaii. Our courses are carefully modeled after the exams you will be taking. Our objective is to make your licensing procedure as simple as possible.

## CLASSES

Accelerated courses available for students with limited time. Business hours are from 8:00 a.m. til 5:00 p.m., Monday thru Friday; 8:00 a.m. to 8:00 p.m., weekdays prior to the exam. Legal holidays are observed. Two-day seminars are available on Maui and in Kona.

## TUITION INFORMATION

Fees range from \$195.00 to \$495.00 per course. Tuition includes free home study information supplied at the time of enrollment. A complete library of the Board's Recommended Reading List is available for reference in our Honolulu office.

## APPLICATION PROCESSING

We offer complete application processing services. We can prepare and file all of your paperwork for you. This includes the financial statement prepared by our CPA and notary services. Our professional service will assure that your application will be accepted the first time without delay. Remember, incomplete or erroneous applications will not be accepted by the Contractor's Board, regardless of how urgently the license is needed.

## GUARANTEE

ONE-TIME-TUITION - No fees if you fail! We're so convinced that you'll pass after taking our course that we'll work for FREE if you have to retake the State exam. You pay us ONE TIME ONLY! Our percentage of passing students is an impressive 100%!

## LICENSING REQUIREMENTS

To qualify for a contractor's license, the State requires a minimum of 4 years of experience within the last 10 years as a supervisor or foreman in the classification for which you want a license.

## YES, SELF-EMPLOYED EXPERIENCE ALSO COUNTS!

We know how to make self-employed experience work for you. Many of our successful applicants were once unlicensed contractors.
