THE SPA

AT TRUMP®

A restorative escape from the energy of Las Vegas, where luxury is personalized and wellness begins with intention.

Wellness is deeply personal. Every journey begins with a single intention – how do you want to feel when you leave?

Step away from the energy of Las Vegas and into a world designed to restore your sense of balance. Blending nature-inspired therapies, high-performance skincare, therapeutic bodywork, and elevated sensory experiences, our spa offers a distinctly personal approach to modern luxury and well-being.

Every journey begins with intention. Choose how you want to feel: **Calm, Energized, or Restored,** and allow us to personalize your experience around you. Whether you seek deep relaxation, targeted recovery, radiant skin, or simply a moment to yourself, emerge feeling renewed, rebalanced, and ready for whatever comes next.

The Trump Luxe Ritual

4 Hours | Call For Pricing

An immersive wellness journey designed for individuals or those choosing to experience wellness together. This experience seamlessly blends restorative body therapies, advanced skincare, culinary moments, and elevated hospitality into one personalized escape. With Priorty Host Service, your dedicated spa host thoughtfully orchestrates every detail, creating an effortless experience centered on care, intention, and renewal. The result is a bespoke ritual that restores balance, revitalizes the body and leaves you feeling deeply replenished.
