

BELLARMINE

Jesuit Retreat House

"Merciful Heavens, God of Justice"

October 5-7, 2018

Retreat Master Fr. Paul Mueller, SJ
An Ignatian, Silent Weekend Retreat for Men

In this retreat, we will contemplate two interrelated themes. First, the glory of God's Creation: exploring and giving thanks and praise for the beauty and majesty of God's creation, on the earth and in the heavens. Second, God's justice and mercy: facing the challenge and consolation of God's justice in light of Pope Francis' frequent emphasis on God's mercy.

Meet Fr. Paul Mueller, SJ

Fr. Mueller entered the Society of Jesus in 1982. After being ordained in 1993, he earned an MS in Physics and a PhD in History & Philosophy of Science at the University of Chicago. He served as professor of philosophy at Loyola University Chicago from 2004 to 2009,

and at the same time served as Academic Dean for the First Studies Program and St. Joseph College Seminary. Since 2010 Fr. Mueller has lived and worked at the Vatican Observatory, the astronomical research institute of the Popes: initially as religious Superior of the resident Jesuit community and as a member of the research staff, but since 2015 also as the Observatory's Vice Director.
