EXPERIENCE

Senior Interaction Designer — Rise Interactive, Chicago, IL

August 2016 – Present

- Design user interfaces for a digital marketing and data visualization platform
- Deliver prototypes and production-ready UI with intuitive design and interactions
- Create, maintain and evolve a pattern library of interface components to ensure design consistency across dashboards
- Collaborate with users, data scientists and product owners to design the user experience of altering large datasets and algorithms

Senior Interactive Designer — Torque, Chicago, IL

March 2015 – August 2016

- Led a team of designers and developers to create responsive websites, web apps and iOS apps
- Organized and conducted workshop sessions with clients that focused on user experience, design and platform capabilities
- Utilized rapid prototyping systems for fast delivery of in-browser, responsive designs
- Managed versioning of development, staging and production code using Git

UI/UX Designer & Developer — Torque, Chicago, IL

October 2013 – March 2015

- Designed and developed responsive websites from concept to completion
- Iterated designs based on user feedback and analytics

Designer & Front-end Developer — The Field Museum, Chicago, IL

June 2011 – October 2013

- Collaborated with scientists and researchers to design responsive websites, mobile apps and touchscreen displays for exhibits
- Created new features and sections for all internal and external websites

Lead Coordinator — KPMG, Chicago, IL

December 2009 – June 2011

- Organized and conducted international video conferences with clients
- Collaborated with cross-functional teams for firm-wide marketing initiatives

Audio Post-Production Engineer — Varitalk, Chicago, IL

November 2006 – December 2009

- Successfully delivered marketing campaigns for over one hundred clients, most notably including: ADIDAS, Disney, Dreamworks, Glaceau, Dell, GMC, Kellogg's, Microsoft and NBC
