

The AirPro integrates advanced solid state electronics and durable oilless compressors into one sleek and refined odor control delivery package. AirPro offers the flexibility of interval times up to 100 minutes and cycle times up to 20 seconds packaged in a corrosion resistant NEMA enclosure.

The AirPro system is specially designed to control up to three satellites up to 50 feet away. The unit is combined with any SU (shown to the right) to atomize AirSolution and to neutralize odors in:

- Garbage Areas
- Storage Areas
- Industrial Facilities
- Exhaust Stacks
- Recycling Plants
- Loading Docks
- HVAC Systems
- Anywhere odor is a problem

FEATURES AND BENEFITS

- Integrated Controller Design – compressor and programmable controller in one clean and modern system.
- Adjustable Programming – Repeat cycle timers with up to 100 minute intervals and spray times up to 20 seconds.
- Port Control – individual ports can be turned off or on as required.
- Dial Programming – Easy to use and easy to program.
- Weather/Corrosion Resistant NEMA Enclosure – manufactured from impact resistant thermoplastics that will not rust, dent or peel.
- Modern Solid State Control – cost effective and efficient systems with little to no down time.
- Quiet Operation – enclosure is sealed for quiet operation.
- Tamper Proof – lockable enclosure and internally mounted components prevent tampering.
- Easy to Install – quickly mounts to a wall or tank.

Product Specifications

- Dimensions: 14.5" x 13.5" x 7.3"
- Weight: 23 lbs
- Composition: Thermoplastic Polycarbonate
- Electrical: 120V 60hz / 220V 50hz
- Max pressure 80 psi
- Air flow 1.14 CFM

SU-2 Specifications:

- Depth 11.43cm/4.5"
- Width 11.43cm/4.5"
- Height 39.37cm/15.5"
- Weight 2.72kg/6 lb
- Capacity 2 Litres
- Vandal resistant 18 gauge lockable steel cabinet.

SU-4 Specifications:

- Depth 15.24cm/6"
- Width 15.24cm/6"
- Height 50.8cm/20"
- Weight 3.63kg/8 lb
- Capacity 4 Litres
- Vandal resistant 18 gauge lockable steel cabinet.

SU-20 Specifications:

- Depth 25.4cm/10"
- Width 34.29cm/13.25"
- Height 49.53cm/19.5"
- Weight 10.07kg/20 lb
- Capacity 10 Litres
- Vandal resistant 18 gauge lockable steel cabinet.

**Easy to Install
Connect**

Quick connect fittings allow fast and secure connection of plumbing parts while internally mounted components are protected, ventilated and tamper proof enclosure.
