Item #14615315 - 2019 Skyjack SJ61T 4WD Diesel Telescopic Boom Lift

Item Details:

- Features: 61 ft Max Platform Height, 500 lb Max Weight Capacity, Power to Platform, 4 Cylinder Diesel Engine, 385/65D19.5 NHS Foam-Filled Tires
- Meter Reading: 1,837 Hours
- Serial # : 97003963
- Inspection Completed: 12/31/25

Shipping Details:

- Location Texas (Harris County)
- Loading Dock Available: No
- Pickup Hours: -
- You will need a copy of your IronPlanet Item Release to pick the item up. You must call at least 24 hours in advance to schedule pickup

Inspection Report

Note: This condition inspection report is the result of an impartial, systematic, documented process focused on the establishment of the general, overall mechanical condition of a piece of equipment, or of a vehicle, at a specific time. The purpose of the inspection is to establish the "as is" operational capability of the machine. It is not a performance or load test on the item.

Inspection Ratings Key	
★★★★	Limited use or recently replaced. Free of visible wear or defects.
★★★☆☆	Performs within the tolerances expected for age and type of item
★★☆☆☆	Although performing, shows indication of needing repair or replacement
★☆☆☆☆	Needs immediate repair/replacement. Requires work if it is to perform as expected

Engine #5		

Drivetrain

Item	Assessment	Photo
Limited Function Check	The drivetrain was operational.	
Drivetrain #1		 A photograph showing the undercarriage of a red machine, likely a bulldozer, with a focus on the drivetrain components. The machine is on a gravel surface, and a person's legs are visible in the background.
Drivetrain #2		 A photograph showing the undercarriage of a machine, likely a bulldozer, with a focus on the drivetrain components. The machine is on a gravel surface, and a person's legs are visible in the background.

Hydraulics

Item	Assessment	Photo
Limited Function Check	The hydraulic system was operational.	
Hydraulics #1		 A close-up photograph of the hydraulic pump and associated hoses on a piece of machinery. The pump is a white, rectangular unit with several ports and hoses connected to it. The hoses are black and some have yellow markings. The background shows the interior of a machine cab.
Hydraulics #2		 A photograph showing a hydraulic cylinder and hoses. The cylinder is a large, cylindrical component with a piston rod extending outwards. It is connected to various hoses and fittings. The background shows the interior of a machine cab.
Hydraulics #3		 A photograph of a hydraulic reservoir, which is a white, cylindrical tank. It is connected to various hoses and fittings. The background shows the interior of a machine cab.
Hydraulics #4		 A photograph of a hydraulic arm, which is a long, cylindrical component. It is connected to various hoses and fittings. The background shows a clear blue sky.
Hydraulics #5		 A photograph of a hydraulic lift, which is a red, rectangular platform. It is connected to various hoses and fittings. The background shows a clear blue sky.
