CCI3*-S EUROPEAN CUP - BRITISH TEAM

THE SPONSORSHIP OPPORTUNITY

A commercial partnership with British Eventing (BE) to support the CCI3*-S European Cup British Team. A unique opportunity to support a biannual event that benefits from visiting significant venues across Europe, giving Europe's best CCI3*-S level riders the chance to compete in a unique eventing format on an International stage.

This opportunity gives sponsors the chance to showcase their support for one of British Eventing's key teams, giving nationwide exposure following their journey from training, to selection and through to the European Championship.

The competition has developed significantly in recent years and is now recognised by the British Eventing GB selectors, working closely with the Equestrian Team GBR selectors as part of an overall performance strategy, denoting it as an important British team opportunity that provides valuable experience for riders to develop their podium potential.

OVERVIEW

Team Training and Selection: Riders compete under the watchful eye of British CCI3*-S European Cup Team selectors, who utilise specific competitions both at National (British Eventing) and International (FEI) level to view prospective team to represent GB at British CCI3*-S European Cup level. Selected riders attend a two day training camp prior to the commencement of the Championship.

About the Championship: The CCI3*-S European Cup carries a unique format, differing slightly from the formal Eventing Championship layout, having six members on a team instead of four and up to two individual competitors. There is an extra phase in the form of a 'team dressage' performance alongside the standard three Eventing phases.

The 2019 CCI3*-S European Cup is taking place at Ammerlander Reitclub, Westerstede, Germany on 1st – 4th August 2019.

About the Team: The biannual Championship gives many British riders, who are moving up the eventing ranks, fantastic experience of riding on a team, and exposure to a Championship environment.
