

## SECTION 01 32 33

### PHOTOGRAPHIC DOCUMENTATION

#### PART 1 – GENERAL

##### 1.1 DESCRIPTION

- A. OWNER shall provide photographic documentation including:
  - 1. Pre-construction
  - 2. Monthly construction progress
  - 3. Aerial construction progress
  - 4. Final Construction
- B. CONTRACTOR shall cooperate and coordinate with OWNER, ENGINEER, Program Manager and others as required and necessary to facilitate photographic documentation.
- C. CONTRACTOR shall be present for pre-construction photography or videography and will be provided with a copy of pre-construction photography or videography.
- D. If disagreement arises on condition of the Site and insufficient pre-construction videography documentation was gathered prior to the disagreement, restore the grounds or area in question to extent directed by ENGINEER and to reasonable satisfaction of ENGINEER.
- E. CONTRACTOR may also perform photographic documentation. Prints, Digital files and CDs of all photographic documentation performed by CONTRACTOR shall be submitted to ENGINEER within 30 days of CONTRACTOR performing the photographic documentation to be included in Project Records.
