

FAMILY TRANSITION WORKSHOP

WELCOME

WELCOME TO THE RAZORBACK FAMILY!

We are so happy that your student is joining us and we are excited to welcome you into the Razorback family as well. We know the transition into college can be an exciting journey for new students, but they also need your support through it all. We will dive into everything you need to know to help your student succeed over four sections of information throughout the workshop. We are also offering Live Q&A Sessions where you can hear directly from current students and staff members about what it means to be a Razorback and how to prepare for your students first year!

WORKSHOP TOPICS

- Welcome and U of A Basics
- Academics and Finance
- Services and Resources
- Traditions and Student Involvement
