Overview

Control Panel (CP) is a UL Listed enclosure suitable for various control components. CP incorporates the same steel construction and powder coat finish standard on Relay Panel (RP) enclosures. CP also includes a monolithic back plate which is finished in white for increased interior visibility and removable for component as well as enclosure mounting.

Control Panel 52 (CP52) features a hinged reversible door, locking latch, and transparent document pocket. CP52 is available for surface and recess mounting applications.

Features

740 sq inches of component mounting surface
