Large Pre-Fab Panel

24"W x 36"H x 6"D

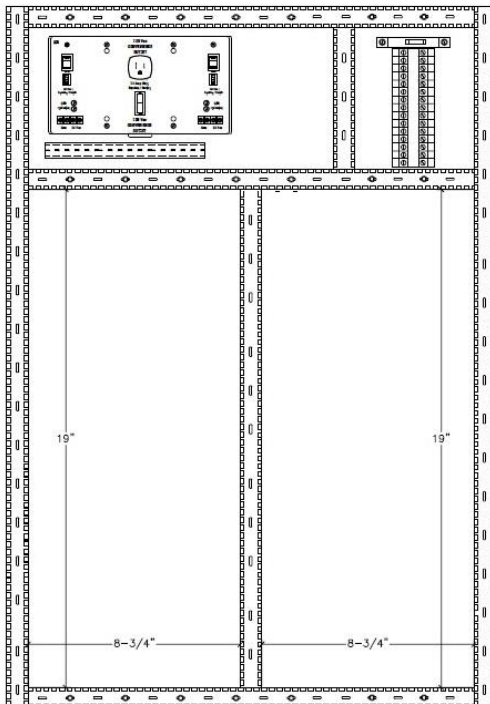

CCI's Pre-Fab Panel Products

Keep up with fast track projects, get a head start on jobs, save time and reduce your labor costs and stress level with Pre-Fab Panels from CCI.

CCI produces small, medium and large Pre-fabricated 90% Panels. If you are ready to begin your install but have not quite finished the design, CCI will build your base system panels – just add the controllers in the field. If your design is complete and you have the time, our UL Certified Panel Fabrication Specialists can build a fully wired UL listed panel.
