What We Heard

Keep small
businesses at
the forefront

Hire locals,
provide job
training

More green
spaces, trees
and
walking/biking
trails

Public spaces
that can be
used in all
weather
conditions

Preserve
historic feel
and keep our
culture
in tact

Improve
neighborhood
safety

Incorporate
public art,
murals

Connect our
communities

More
affordable
housing

There's no
front or back
of the train
station

Parks that are
open, safe and
beautiful

Parking that
doesn't block
the views of
the station
