

# TOBACCO ROADS

March 2008

## Around the Region– Bob Saville

On February 16, I attended the Zone 3 Presidents meeting in Chattanooga, TN, the site of the Tennessee Region's Winterfest, similar to our Porschefest. The annual meeting is a chance for all the Presidents in Zone 3 to gather together with our Zone Rep, Allan Cox, and discuss what's going on and how each region could help each other. Allan spent some time going over some key changes and additions to the Region Procedures Manual (downloadable from PCA.org site) and some ideas on things we can do to enhance the Porsche Club experience to our members.

Carolinias Region is the largest region both geographically and by membership in the entire Zone 3. This size provides us some unique challenges as well as advantages. Our size has forced us to separate into, now, 7 areas to allow for local meetings and activities. We are unique in all of PCA in this aspect – most other regions would have been separated into multiple smaller regions, like they are in states like Tennessee and such. Fortunately, we've managed to make it work because having the size and membership number we have allows us to hold so many events. Most of the regions in our zone only have 100-200 members (some less) and realistically hold only a few events throughout the year. Running large events like our Tours, Drivers Eds, Porschefest, Club Race and even an Autocross series requires an enormous amount of resources, both human and financial.

Look at our calendar. There is something going on around the region almost every week. We have lots of great people who are willing to volunteer their personal time for the enjoyment of others. Plus, we have enough funds in the bank to allow us to provide deposits and advance payments when needed. Some of the smaller regions just can't pull off large events. Luckily, we can. So take the time and enjoy what we have. There's a lot going on, so there should be something that interests you. And to really make your membership enjoyable, get involved and help out.

Some of you may have noticed that I've been trying to visit each of the area meetings throughout the region. At the time I'm writing this, I've gotten a chance to visit most, but not all of you. What's been amazing is that I recognize most people at the meetings, meaning that many of you participate in events throughout the year. But what's really been wonderful is seeing all the *new* faces. New members and growth is what keeps the Porsche Club fresh and exciting. New ideas and new thoughts lead to new experiences for all of us. Traveling around I've found that some areas are filled with people who predominantly like to do dinners and short drives, some like autocrosses and track days, and some are just looking to hang out with others who are as passionate about their cars as they are. But most of all, we all just want to have fun with our Porsches. (At this point, I started writing down a path of deep philosophical thought about how just a car can create such a passionate following, can change our lives, blah, blah, blah, but then I got lost on the path so I deleted it all....)

Anyway, back to reality. Just get out there and enjoy your car, enjoy the club, and HAVE FUN! We all have way too much seriousness going on in our lives, so take a deep breath, turn the key, listen to those beautiful revs, and get out there!

Oh, and remember..... **March 11!** Now THAT's going to be a REAL Party!

## **Hickory Area Report**

### **Delmar Kiser, Area Director**

The Hickory Area got off to a great start at our first meeting on February 12. Forty-one members were in attendance and enjoyed a well presented Parade program by Harvey Yancey, our 2008 Parade Chairman. Plans were discussed for upcoming meetings and activities. Our friends at Porsche of Hickory donated several very nice door prizes for attendees. I'm sure our six lucky winners will enjoy the services.

Remember to sign up for Spring Tour and other Carolina's Region events. Parade registration opens Tuesday, March 11 at 9:00 AM so don't get left out. We expect a sell-out the first day.

The next Hickory Area meeting will be March 11 at 6:30 PM at Porsche of Hickory. We will hold the meeting in a larger room so there will be plenty of seats for everyone.

Delmar Kiser

## **Metrolina Area Report**

### **Mike Masterson, Area Director**

The first PCA Carolinas Region Board of Directors meeting of 2008 was held February 2 at the home of Nadine and Bob Saville. During the meeting several important Board position changes were announced. Paul Lueskow will be taking over as Webmaster effective immediately. Paul has a good deal of experience with web-related issues so if you need to contact him regarding anything web-related, you can do so at: pdl996@charter.net. Jim Horner has stepped forward and taken over as Area Director for Upstate SC, the position formerly held by Shane Tisdale. Nadine Saville has recently taken over as Membership Chair from Harvey Yancey, who has his hands full right now with the upcoming Parade. Nadine announced that we now have more than 1,500 members in the Region and continue to have people signing up regularly. This is a good sign. Expanding membership shows that the Region's vital signs are excellent and that we continue to generate interest in PCA to recent Porsche first time buyers as well as longtime owners new to the Club. If anyone out there knows a Porsche owner who is not a member, encourage them to join. There's a wide variety of interesting things to do and lots of enthusiastic members to do them with, and more members mean a larger and more diverse Region. We wish the new Board members all the best in their new positions. Thanks to Bob and Nadine for graciously hosting our meeting in their home.

As you read this, our first Region Drivers Ed event for 2008 will have just taken place at the newly reconfigured Carolinas Motorsports Park in Kershaw, SC. PCA member and CMP board member Dick Lane says that the track will be undergoing strategic changes to its configuration over the next 5 years. An expansion and facilities improvements are in the works which will only make events at the track more fun to attend.

Some 40 enthusiastic members attended the newly established Hickory Area's first meeting at Porsche of Hickory February 12. Congratulations go out to Area Director, Delmar Kiser for generating interest in the new Area and thanks to Porsche of Hickory for the support. It looks like the new Area has great promise!

As this newsletter article was due for submission prior to our February meeting, there is no meeting report this month, but stand-by, I'll have it for you next time.

Well, that's about it for now. I hope to see you out and about and until next time, keep your right foot down and the shiny side up!

Mike.....but that's not quite all: don't forget to register for PORSCHE PARADE on TUESDAY, MARCH 11 anytime after 9:00AM!!!. Don't miss out on a unique opportunity to attend your Club's biggest annual event!

## Parade Charlotte...the Planning Continues by Catherine Bonfiglio, Parade 2008 Communications Chair

The recent meeting in Charlotte of the Parade 2008 Team and PCA National representatives shed the spotlight on the Parade 2008 events, designed to promise excitement and fun. Here's an update on just a few of the events:

### Concours

The Concours promises to be quite a spectacle with accommodations for up to 175 cars lining Tryon Street in uptown Charlotte. The event will also host 130 judges.

### Paddock

To be held in conjunction with the Concours, the popular Porsche Paddock (aka Corral) will add another dimension to the days' events.

### TSD Rally

The route for the TSD Rally has been finalized and will prove to be challenging yet rewarding for those participating.

### Technical and Historic Quiz

The proposed quiz is complete and is currently being reviewed. This event should be great fun and challenging as always!

### Zone Challenge

Sharpen your eye/hand coordination skills so you can participate in the Zone Challenge events which tentatively include a Racing Simulation, Tire Changing and a 'Mechanical Repair' Challenge.

### Heritage/Historic Display

Approximately 80-100 cars will be coming in from all over the U.S. for the Heritage/Historic Display, celebrating **60 Years of Porsche**. Wanna get up close and personal with these cars? Display organizers are looking for volunteers to work the event, which will be held in the climate controlled confines of the Charlotte Convention Center.

### Parade 2008 Needs You!

Last but not least ... another pitch for volunteers. The events are coming together nicely but they need people to make them successful. Join in the fun and be part of a great event. Whether you volunteer for a few hours or a day, it will be an experience you'll not soon forget. To learn about volunteer opportunities, contact the Chair of the area you wish to assist with at [paradecharlotte.org](http://paradecharlotte.org).

## Mountain Area Report Doug McKee, Area Director

About two dozen members and guests gathered at the Olive Garden in Asheville for our first meeting of the New Year and at our new venue. Area Director, Doug McKee welcomed "old members" Earl Thompson, Jim and Janet Williams, and guests Guy Clerici and Glenn Young. Doug then brought us "up to speed" on the coming events for the new PCA year including the upcoming Porsche Parade in Charlotte. Doug reminded everyone that the online Parade registration will open 9:00 AM on March 11. He suggested that we plan a chapter "ride" on Sunday of the Parade to the Concours event in Charlotte for those not registering for the entire event.

The Chapter then voted to change our monthly meetings from Tuesday evenings to Saturdays mornings, with the first meeting on April 5th at Deal Motors' new location on Brevard Road in Asheville. Our meeting agenda at Deal would include a brief business meeting, maybe a tech session, a "brown bag" lunch, and, weather-permitting, a drive. We all agreed that a new meeting day, a new venue, a chance for a tech session, a look at new Porsche rides would be just the right way to kick off the New Year.

The next Mountain Area meeting will be at The Olive Garden in Asheville on Tunnel Road on Tuesday evening, March 4th at 6:30pm. See you there!

## SunFun Area Report Rock Webb, Area Director

Great turnout for the Chili cook-off at Doc's Garrage. We had some 60 Porsche folks and 13 fantastic chili entrants. Winners of the best chili were myself, Karl Sease and Gerald Stabler. Thanks to all who brought chili and deserts!

**And don't forget Parade Registration is March 11 at 9:00 AM.**

Attention: We are gonna have a change in our meeting time: Lets try the third Thursday of the month. So our next meeting will be at 7:00 PM on Thursday March 20 at Doc's Gumbo Grill located at 1115 Assembly St. across from the Capitol. We might even catch some live entertainment if you stay until 9:00 PM.

**Triad Area Report**  
**Jerry Kilcrease, Area Director**

The Triad Area PCA held the February meeting at Revival Grill in Greensboro and welcomed **Bob Saville**, President of Carolinas Region PCA and **Harvey Yancey**, Parade 2008 Chairman, as guest speakers for the evening. **Bob** gave the group of 43 members and guests an update on Regional activities while **Harvey** presented an overview of events and activities planned for Parade 2008. There were a lot of questions from the floor regarding Parade. We enjoyed and were enlightened by **Harvey's** presentation. **Nadie Saville**, DE Registrar and Regional Membership Chairman was on hand to answer questions. We also welcomed first time attendees **Joe Kelly** and **John Alemanni** to our group.

On the technical side of the meeting, **Charles Ruppert** gave a short presentation on engine oil and his recommendation for using a zinc additive (Zddplus) in older Porsches, especially those used in high performance activities. It was too cold and windy to go outside in the parking lot and check out the cars so after the meeting we all said our goodbyes and headed home.

**2008 EVENTS AGENDA:** The current agenda for PCA events to be hosted by the Triad Area is shown below. The exact dates for some of the events have not yet been determined but will be posted once they are confirmed.

**March 15 – “Cabin Fever Drive” – Harvey Harbour and Herbert Boehm, co-Chairmen. See page 16 for details.**

**April 6 - Carolinas Region Autocross Series Event #1-Hosted by the Triad Area-held at Wake Forest University “Red Lot” behind Groves Stadium: See page 18 for registration information.**

**August 2 - Annual Swap meet Sponsored by Speedwerks**

**October (date TBD) - Annual Oktoberfest Sponsored by Foreign Cars Europa**

**December (date TBD) - Triad Area Christmas Party**

**NEXT MEETING DATE: TUESDAY, MARCH 18<sup>th</sup>, AT BIG SHOTZ TAVERN IN CLEMMONS:** We are rotating the meeting location in March back to Big Shotz Tavern in Clemmons. In order to give members who have a longer distance to drive more time to make the meeting, we are going to **start the meeting at 7:00 pm.** So please come out and join us. Directions: heading West on I-40; take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp take a left and cross back over Hwy 421; at second light take a right onto Styers Ferry Road; Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

## **Triangle Area Report by Martin Salas**

Our meeting was held at Blinco's on February 14 with 15 members attending. At this meeting, Nadine and Bob Saville came from Charlotte to talk about the upcoming Porsche Parade 2008 at Charlotte. The meeting was all about Porsche Parade and the need for volunteers for the different activities. Bob showed a MS Power Point presentation with the plans and locations of venues. March 11, 2008 at 9AM was highlighted as the registration start date and expectation is that Parade will sell out on the first day.

A key item that was discussed was on "non-registered" volunteers. While a registered person can have access to all of the activities, some members expressed their desire to just volunteer for some of the activities during their free time without the need to register. Bob and Nadine will be taking this issue back to the Parade Chairman to be discussed.

Since most of the meeting was spent on Parade 2008, there was no time to discuss other local items.

Due to March Madness, our March meeting will be held at Blinco's but in the smaller room.

The Triangle Area calendar of activities for 2008 has not been finalized and is still missing some events discussed for 2008. A tentative calendar for some of the activities is as follows but dates may change.

**Old Salem Run - March 29.**

**Chateau Morrisette - April 19.**

**Tail of the Dragon III - August 16, 17.**

**Beach Run - October 6, 7**

By all indications, everyone's very excited about the alternate track configuration at CMP. Our **March 1<sup>st</sup> & 2<sup>nd</sup>** event, sponsored by Porsche of Hickory, Club Ferdinand and Doc's Grrrage, is once again a sell out. We're all looking forward to trying the new configuration, which smoothes out turns 12 and 13. In addition, CMP did a significant amount of resurfacing all around the track to decrease tire wear. Many more upgrades such as wireless Internet, completion of 24 new day garages and paving the high traffic areas in the paddock were recently completed.

Once we wrap up March, we'll take a little break until our Parade DE on **July 4<sup>th</sup> and 5<sup>th</sup>** at Lowe's Motor Speedway. We expect Lowe's will be very popular with Parade participants. So to accommodate, this event will be run as 2 one day events. We will have our typical 5 run groups, so instructors will be needed both days. We have been able to adjust the schedule to be more favorable to a one day event. This is a Carolinas Region event; it will be open to all PCA members. Registration will open May 1<sup>st</sup>.

In the meantime, there are a number of other opportunities to get on track. All PCA regions use the PCA National guidelines. So you'll feel right at home at one of their DE's. Many other clubs such as BMWCCA, MazdaClub, NASA all run Drivers' Ed events in a similar manner.

There are several good Internet resources to find Driver's Education events. Check the PCA National calendar at [www.pca.org](http://www.pca.org). Two other good resources are [www.thetrackschedule.com](http://www.thetrackschedule.com) and [www.trackschedule.com](http://www.trackschedule.com). (yes, similar names, but different sites).

**LAST NOTICE:** The new PCA seat and harness rules are now in effect and will be enforced at all Carolinas Regions DE's. No refunds will be given if you fail tech inspection. Questions or for more information on any DE, contact Brian Powell by e-mail [driversed@carolina.rr.com](mailto:driversed@carolina.rr.com) or phone 704-814-9996.

## Upstate Area Report Jim Horner, Area Director

Hello from the Upstate!

It's already been a busy year, and it's only February!

The end of January saw the return of the annual Chili Cook-Off. **Bill and Frank Gerwig of Protech Motorsports** again played gracious hosts to our gang of chili cookers and chili tasters. We had an amazing array of signature dishes – 24 pots in all – as well as some great appetizers and desserts. When the sampling was done, there was a new entry in the Winner's Circle, along with a couple of veterans. **Heidi Roach** took first place, along with repeat

winners **Paula Kendrick** (second) and **Shane Tisdale** (third). There were about 80 of us there, and **Joe Sullivan** was kind enough to provide a satellite dish and large-screen TV so that we could all enjoy the 24 Hours of Sebring race. **Terry Thrasher** continued his tradition of providing the sought-after trophies for the event. It was a great evening of good food, good company, and a good excuse to enjoy ourselves with our Porsche Club friends. Thanks to all who have made this such a great tradition – especially Bill and Frank – who turn out to be as good at hosting this annual fiesta as they are at taking care of our cars!

The Upstate members voted on a new location for our meetings, and we held our February meeting at the winning restaurant – **The Italian Market & Grill**. We expected our usual turnout of 30-35 people, and were pleasantly surprised to see 53 in attendance! After some shuffling of

tables and people, and the setting up of an "overflow" table just outside the meeting room, things settled down. The food was good, the music was turn-off-able, and the smoke was thankfully missing. The restaurant assures us that they'll be prepared for a bigger crowd next time, with more servers and better space arrangement. And we'll try to get more accurate with RSVPs. All in all, it sounded like people were pleased with the evening, and we'll work out the glitches as we go along. And hope for this great turnout at future meetings!

**Paul Lueskow**, the new webmaster for the Carolina's Region, filled us in on his plans for our website. He has a new, user-friendly calendar up and running, and has plans for future improvements when his day-job allows him time to work on it. Check it out at [www.carolinas-pca.com](http://www.carolinas-pca.com)!

**The Blockhouse Steeplechase** in Tryon, NC, is coming up on April 19, and **Chris and Mandy Creaseman** have again extended an invitation to join their family at the event. There's horse racing, a hat contest, plenty of munchies and excellent people watching. Our group has had a great time in years past. Watch your email for details, or email me for information.

Our next meeting is Tuesday, March 18, at The Italian Market & Grill – with more servers and better room arrangement. Hope to see you there!

Jim Horner

# Triad Area Hosting Cabin Fever (cured with black snakes) Ride

March 15, 2008

Join us for a 165 mile Saturday ride along the Blue Ridge Parkway and through the Stone Mountain area of NC for possibly your first group road outing for 2008.

On Saturday, March 15 we will meet at Big Shotz Tavern, 1480 River Ridge Drive, Winston Salem (on the west side of Winston Salem just off US 421) where we have previously held our monthly Triad Area meetings. We will depart at 9:30 AM proceeding north on 421 and then north on I-77. We should arrive at a Cracker Barrel for breakfast in about thirty minutes. The round trip drive time from Big Shots, including multiple stops and the meal is estimated at six hours.

Then say so long to the four lane roadways as we enjoy the elevation increase of 3000+ feet towards the Parkway. Overlook stops are included and photos will be taken of each vehicle as they enjoy the ride through seventy-five miles of two lane roads. We will enjoy twenty-six miles along the Parkway and then exit on to this area's asphalt Dragon tail where you must watch out for those black snakes along the roadway. These snakes will make you smile and will only bite if you are careless. The black snakes are the yellow roadside signs with the black S shape and have a black pointed head.

We will drive up to the base of Stone Mountain and walk around the old homestead farm that has been meticulously maintained. Then it is back to the two lane roads where we honor the posted speed limits.

Remember to bring your camera for some wonderful photo opportunities to capture nature in its purest form, photos of your friends ...and maybe a Porsche or two as well.

No registration or entrance fees are necessary. It would be helpful to know prior to the drive approximately how many vehicles may participate, so if you wish to join us drop an email to Harvey Harbour at [targa197432@aol](mailto:targa197432@aol) and please enter black snake in your subject line so it won't be filtered out as spam.

Just bring along a "spring smile", a spring in your step, and proper tire pressures.

From tune-ups to track preparation, we're your best source for professional performance service.

**RACING AND RAMBLING**  
**Rock Webb, SunFun Area Director**

This year's Sebring Club Race was wild, rain on Friday night, racing and lots of cars. John, Jamie, and I were in the same group so we saw a lot of each other. Our race was not ideal because of numerous wrecks with the last half run under a full course yellow. Jamie's car ran well. He's on a learning curve. The old style 911 is a different animal from the newer cars he's been driving. Cautious at first but a new set of HOOSIERS helped out a lot. John's car was down on power. Hey, I passed him during the race! New car JOHN?

Lots of Carolina guys were at Sebring. A quick review of the results show that the following had podium finishes: Wes Taylor, Jimmy Martin, Doug Roach, Andy Hansen, Bruce Hansen, Gregg Pickerel and Charles Price.

Side story: Our fellow PCA/VBC friend John Buhler from Indiana was there in his 71 911. After qualifying, he discovered that he had a cracked brake rotor on the front wheel/drivers side. After weighting the risks he decided to replace the rotor. So in about an hour we had the rotor replaced, barely in time to make the race. On the start, John is a couple of cars ahead of me and when we enter turn one, he's parked on the outside and the yellow is out. In our haste to get the rotor replaced, John forgot he had loosened the wheel nuts on the driver's side and----"DUH" --- the right front wheel came off in turn one. Lucky for John and us the wheel only put a black mark on his door and there was only minor damage to the front spoiler. The adjacent photo shows John on 3 wheels with the loose tire passing him!

**1982 928 Weissach edition** - WPOJA0922CS821955: This is one of approximately 125 special edition models the factory sent to the US. These are very special Porsches. At the time it was made, it had all the trick parts that would later make a 928S. This car has 75,000 miles on it. It is completely original (even the radio), it has never been hit, and for a 25-year old car I would say it is in excellent condition. I am the second owner, and have owned the car since 1992. It has been all over the US and Canada, and was in the PCA Parade Concours in Oklahoma 1996. It runs like a run-away train and still gets gas mileage in the low 20s. The first owner bought it new from Pray Porsche in Greenwich, CT and

almost never used it, as it had 13,000 miles on it when I bought it. It is a 4.5L V8, 250 hp, 5 spd., limited slip, P/S,P/W, sunroof (needs a new seal), cold A/C, upgraded lights. It is painted Hells bronze (same paint they used on the special edition 911s that year) with tan leather interior. Every inch of the interior is covered in two different tones of brown leather. No cracks in any of the leather. To complement the interior the factory had a German luggage maker make a 3-piece leather/silk-lined luggage set, 2 pull-man bags, and one suit/dress bag out of the same leather as the interior so you could travel in style. The luggage was a tremendous hit at the Parade, as many of the dealers "forgot to deliver" the luggage with the car. It has four new Dunlop tires (just mounted on refurbished wheels), new brakes (rotors,lines,M/C), tune up; new iridium plugs, rotor, K&N filter, new coolant, new 15-50 Mobil1 in the engine and 70-90 in the transaxle, new battery, and new tailgate shocks. Timing belt has about 20,000 miles on it. Clutch is fine. It comes with four new Boge gas shocks (not installed) and North Hollywood Speedo just rebuilt the speedo. The exhaust system was upgraded to a Borla a few years ago. Sounds great. Special 928 car cover. Books and papers. Since moving to SC the car hasn't been used much, which is a shame. It needs a home where it will be driven, or tweaked into a show car. It has the ability to be either or both. \$9,928. Delivery to anywhere in the US. Cost based on distance. Questions, pictures or more info contact Rush Workman at 964porsche@wildblue.net or call 803-364-4075. (03/08)

**1982 911 SC Coupe:** Moss green metallic / brown leather. VIN: WPOAA091XCS121219. Five-speed, single owner, alarm, front spoiler, all records. 29K on rebuilt engine, 139K total miles. New AC conversion, fogs and 16 inch alloys. Non-smoker. New air box and oil seals (no leaks). Very good. Photos on request. \$15,500. **1982 911SC Targa.** Metallic Bronze (dark brown) w/ black interior. 25,000 miles on complete restoration (170,000 total), including top end, transmission and new clutch. Complete strip and repaint in 2001, all new rubber. Whale tail. New BFG Force. 3rd owner. All service since 2002 by Protech Motorsports. Great looking car. \$16,500. Contact Dave Mitchem in Greenville, SC at 864 616-3303 or themitchems@charter.net (03/08).

**1987 944 S:** Kalihari Beige with brown Interior. 145,867 miles as of December 6, 2007. I am the third owner. Originally an Ohio car. Purchased in August, 2006. All records, receipts, etc. from the original window sticker. Timing belt, front engine reseal, tensioner rail, and water pump done at 135,411 miles. Black D90s 6s and 7s with Hankook RS2s (95% tread) on the front and Avon M550 on Rear(80% tread). Rennbay Light Relay Harness with Marchal E-codes. 200# Weltmeister Springs with Koni Yellows all around. Rennbay solid ball joint rebuild- put together by Travis himself. Only has had premium gas. AC has been converted to R-134. Pictures at <http://s184.photobucket.com/albums/x36/8744s/>. Car is located in Boone, NC. \$6000 obo. ## Parts – Parts Cars – Projects

18" Turbo Look 1 hollow spoke wheels which were one of the original equipment wheels for the 1999 996 with the 18" option. (2) 7.5" ET50 (993.392.134.06) and (2) 10" ET65 (993.392.140.04) with Michelin Pilot Sport Cup tires, 225/40R18 front and 265/35R18 rear. Rear tires have a minimum of 4 good track days remaining. Front tires have more. Wheels are not perfect cosmetically, but are certainly nice enough to use as street wheels if DEs are not your thing. \$850. Call Ken Clayton 704-575-5378 before 9 PM or email ken.clayton@us.schneider-electric.com (03/08)

17" Carrera track wheels: (2) 7" ET55 (996.362.128.00) and (2) 9" ET55 (996.362.124.00): These wheels are straight and true. I have been using these wheels on my 996 for track wheels. \$450. Call Ken Clayton 704-575-5378 before 9 PM or email ken.clayton@us.schneider-electric.com (03/08)

**Books for Sale:** 911 Carrera 1984-1989 Bentley Service Manual, Wayne Dempseys 101 Projects for you Porsche 911 and Bruce Anderson's Porsche 911 Performance Handbook (2nd Edition). ALL 3 books \$100 check, money order or Paypal, shipped to U.S. address. Books in excellent condition. Contact John Rogers, Rutherfordton, NC at cell # 941-457-6159 or e-mail jr65vw@earthlink.net. (03/08)

**Four track wheels & Tires:** (4) Porsche 911 OEM Twist wheels. The wheels are 9" x 17" ET55 and are in nearly new condition. The tires are Michelin Pilot Sport Cup's with the size of 255-40/17. The wheels and tires were used at one track event for five sessions. I did not go off the track so there is no tire or wheel damage from any kind of impact. I have photos that I can send. There is one very small scratch on one of the wheels. I had them mounted on a late model Porsche 944 on both the front and rear. \$1,395 OBO. Contact Jerry Forthofer, Locust, NC at 512-964-8031 or email jforthofer@bellsouth.net (03/08)

**RUF: Front spoiler and oil cooler with hoses for 80's vintage 911.** Was mounted on my car and has a crack on the lower lip but is not noticeable. These are original RUF parts for \$1,100. Located north of Raleigh, NC. Contact Bill Detelich at 919 562-1951 (03/08)

**997 Carrera S 19" wheels and tires:** 8.5 and 11 inch complete set with Michellin or Perrelli tires. Like new. Must sell complete set. \$1,800. Contact Douglas McKee, 187 Country Club Rd, Asheville, NC 28804 or phone 828 255-3666. (03/08)

**Porsche Wheels/Tires:** Set of Cup I Wheels and Avon Tech R Tires. 7x17x55mm offset and 9x17x55mm offset. Tires are 225/45Z17 & 275/40Z17. Wheels have been refinished in Powder Coat Gloss Black to include steel center caps w/ crest and tires are new and have never been used. Will fit 944, 968 and 964. Contact: Wes Taylor, Columbia, SC at 803-920-2320 or email wtaylor@lrcarch.com (02/08)

**996 and Boxster S Wheels for Sale:** Trying to clean out the garage and have two sets of 996 wheels and one set of Boxster S wheels for sale. The Boxster S wheels are 7x17 ET 55 (part # 986.362.124.00) and 8.5x17 ET 50 (986.362.126.05). The 996 wheels are 8.5x17 ET 50 (996.362.126.05) and 9x17 ET 55 (996.362.128.00). All three sets have some surface scratches and/or abrasions but would make a great set of track or winter wheels. All wheels are currently mounted with track tires with very limited life remaining. Asking \$400 for the 996 wheels and \$300 for the Boxster S wheels. Prefer local pick-up but would ship at buyer's expense. Contact Patrick Engel at pengel@bellsouth.net or via cell at 704 236-6653 (01/08)
