So....did you get your registration in for Parade? I know, I know...there was a bit of a glitch on the website. But did you persevere and mail it in, or wait until the following day to get online? As I write this, everyone who submitted their registration will be accepted, and there are a few, limited spaces left. Plus, there is typically about a 5% cancellation rate, so if you are still thinking about attending, please sign up. Even if you end up on the waitlist, there is a good chance you will get in anyway. Oh, and to all those who have asked questions about what a non-registrant can attend? Basically the same thing as anyone wandering around downtown Charlotte: you'll only be able to view the concours on the city streets. You will not be allowed to attend the banquets, tours, goodie store, tech sessions, and most of all....you will not be able to enter the Historic and Heritage (H&H) display at the Convention Center. The H&H will be possibly one of the most complete representations of Porsche's racing and street car history, with just about every model race car and street car on display. This is NOT something you want to miss, so get your registration in now.

About 2 years ago, I wrote an article about our Region's Sponsors, and I thought it was about time to rehash some of the topics I brought up then, since over the past 2 years, our region has grown a great deal, and many of you may not have even been members back then! You see their names listed on our events, see their logos on the give-aways such as shirts and bags, and sometimes get to meet individuals from the companies at that particular event. But the question many of you ask is....what do they REALLY do for us?

Well, the answer is simple: They provide money and/or products that help subsidize the events, allowing us to charge the registrants a lower price to attend. In return, they get some visibility to a fairly large and focused group of individuals (all of you) who they hope will patronize their business when the need arises. These companies and/or individuals feel that we, as a group, are important enough to their business to spend their money on us, so we in turn should use them when we need to buy products and services.

Through the years, the dynamics of sponsorship have changed dramatically. More and more small companies are getting into the act, offering up their hard earned dollars to gain some visibility to our members. Some throw in a few hundred dollars to help us offset the price of things like trophies, shirts, and refreshments. Others step up big and become a "title" sponsor, offering much larger sums of funding and products to help our events become really top notch.

Without minimizing the gracious offerings of some of our smaller sponsors, I would like to highlight two companies that have continued to go above and beyond everyone else: **Porsche of Hickory** and **Speedwerks**.

For those of you who have attended any of our events in 2007, you know that **Porsche of Hickory** has contributed a great deal to our region. When the new owners took over from Paramount Automotive Group, Robert Yeomans, a partner and General Manager of the dealership, came to our region board and said that they wanted to be the primary dealer sponsor in the Carolinas Region. And trust me when I say, that he put his money where his mouth is. They wrote us a big check that instantly made them a Platinum Sponsor of the Region (our first and currently only one). Plus, as the year went on and we needed assistance at events that was not part of the initial sponsorship agreement, Robert continuously stepped up and helped out when others turned us down. That is why we were able to keep the costs so low on many of our events, including PorscheFest and the Holiday Party. In fact, some of our events last year would not have even been held if it wasn't for their generosity. They've already committed to another large offering for 2008 which will again allow us to keep the registration prices down for all of you who participate.

Speedwerks, located in Thomasville, NC, is one of the premier Porsche service and race prep shops in our region. Appropriately, they have consistently sponsored our largest and most costly event of the year, our PCA Club Race. Running such a large event requires lots of volunteers, lots of resources, and an awful lot of money. Speedwerks steps up each year and offers whatever they can to help pull off this huge endeavor as smoothly as possible. They also open up their facility for a great Swap Meet each year (It'll be in August, 2008), providing food and drink for all.

To these and all our sponsors, THANK YOU! Without you, many of our events would not exist. And for all you out there who need products and services for your Porsche or other vehicle, PLEASE patronize the companies that you see listed for our events. They support us, so we should support them.

See you at an event soon!!

Hickory Area Report

Delmar Kiser, Area Director

We had another great turnout for our March meeting with 39 members in attendance. Our host, Porsche of Hickory provided a very nice meal for us, then Trevor Ely and Chuck Robertson made an informative presentation of the new Cayene GTS . We were honored this month with our region president and registrar in attendance. Thanks for coming up Bob and Nadine Saville. Bob gave the membership a report on the activities and events coming up in the region for the next few months. Harvey Yancey was on hand to let everyone know about the problems and fixes for Parade registration. Good job getting those items fixed, Harvey. We want to remind region members that Spring Tour is still open and we still have room for more. Come join in the fun of a great weekend in WV with your friends. Sev-

eral area members went on the Cabin Fever tour Mar. 15. Triad area guys laid out a nice drive through the NC mountains and we made almost all of it before the rain. The April meeting will be a bit different. We plan to do a Drive and Dine. Gather at Porsche of Hickory April 8, at 6:30 pm, we will go for a scenic backroads drive to Lincolnton for dinner and the meeting at Court Street Grill. Hope everyone enjoys the change of pace. The Hickory Area location has gotten off to a great start and with spring rapidly approaching, we believe our location will continue to grow.

Keep it between the lines!!!
Delmar

Upstate Area Report

Jim Horner, Area Director

The Upstate Area started March with a great turn out for the March 1-2 DE at CMP with 15 cars in attendance. And as always, we all had a wonderful time. The members doing the work put on a great event. Thank you.

At the March meeting we had about 45 members attend, of which 5 were new to PCA. Steve Russ and Lloyd Kuhn attended the Amelia Island Concours d'Elegance. At the meeting, they talked about the event and shared photos of some of the cars. Amelia Island looks like something we should be going to.

Karla Kuhn presented information about the Blockhouse Steeplechase coming up April 19. There is still room for those wishing to go. Just get in touch with Karla.

The upstate Area will be putting on a May 31 spring driving event through the countryside. More information will be available as we get closer to the event date.

Jim

Metrolina Area Report Mike Masterson, Area Director

Now that spring has arrived and the warmer weather is creeping into our area, its time to break out those fun cars you've had stored in your garage over this past winter. Dust them off and get out on the road! You'd better hurry up if you want to register for the **Spring Auto Fair at Lowe's Motor Speedway** on April 6. Contact Justin Minyard at jtmin3@gmail.com or 864-906-6993. It may already be too late, but there's still an outside chance you may be able to register for the annual week-long PCA **Parade 2008** coming up this June 28, based at the **Westin Hotel** in uptown Charlotte. This event has been in the planning stages for over 2 years and ought to be a very memorable one indeed! Other events rapidly approaching on the schedule are a **Thawout** to be staged at **GMP Performance** here in Charlotte on April 19, the **Spring Tour to Pipestem State Park** in West Virginia on April 18-20, and A Carolinas Region **Autocross**, date to be determined. So there's plenty to do in the next few weeks. Always check page 3 of your Tobacco Roads newsletter for the Region Calendar for future events.

Over the chilly and blustery first weekend of March, The Region held its first Driver's Ed event of 2008 at **Carolinas Motorsports Park** in Kershaw, SC. A sell-out crowd got to try out the newly revised (and now much faster!) turn 12 thru 14 areas as well as some other repaved parts of the track. Everyone had a great time and went home unscathed. Good job!

Congratulations go to the **Penske Racing Porsche RS Spyder Team** and its drivers **Timo Bernhard, Romain Dumas and Emmanuel Collard** for their hard-won overall victory at this year's ALMS Sebring 12 Hour Enduro. After almost clinching the overall championship from the LMP1 Audis last year, and from the second-rung LMP2 class to boot, this is one great way to kick off what will surely prove to be a very interesting year indeed! Stay tuned to Speed for the action.

At the February meeting, we welcomed new members Gene Christiansen, Chuck Twilly, Jim Emad, Dan Saunders, Dick Abbott, and Mel and Jim Flanagan. Special guest was Ronnie Massingale from **First Impressions Auto Care** of Charlotte. They specialize in high quality cleaning and detailing for cars both in uptown and in Cornelius, NC.

More than 50 members turned out for the meeting in March. We welcomed new members Mark Tcherkezian, Drew Bridgeman, Steve Prince, Chuck Ende, Lonnie and Jo Bryant, and David and Kristen Williams. After an update and review of current events, we welcomed our special guest, John Erickson, who is the General Manager of the 2008 Sebring 12 Hour Endurance Race-winning Porsche LMP2 RS Spyder team. John briefed the group on the hard-fought battle at Sebring, and then fielded questions about the team, cars, and Penske's relationship with the Porsche Company. He also brought along current posters, lanyards and lapel pins for distribution to the membership. Everyone thanked John for coming and gave a big round of applause for the Sebring win!

Well, that's it for now. I hope to see you out there soon. Until then, keep your right foot down and the shiny side up!

Mike.

Mountain Area Report
Doug McKee, Area Director

Greetings.... It's spring.

Our big news is a change in location for our monthly meeting. We are pleased to announce that we will meet the first Saturday of the month at Deal Motorcars, 621 Brevard Road, Asheville. Thank you, Mr Bob Lewis, owner, and generous contributor to our Porsche Club. Many of you may not know that Mr Lewis is a long time enthusiast and shares our passion for the cars. So... .at 11:00 AM, April 5, be at Deal for a special meeting. We will watch a movie on the making of the Cayman followed by a drive to the Pisgah Inn for lunch.

At our last meeting, every member received a surprise free dinner. Don't miss out on our next give away.

Back on the throttle!

Ah yes, spring has sprung, time for picnics by the lake, car shows and Porsche gatherings. Hey that is just what the PINE ISLAND CONCOURS is all about! So meet me at Pine Island on Saturday April 26 for a great event.

Good turnout at our March meeting for cajun food at Doc's Gumbo Grill. Our next meeting will be at THE RUSTY ANCHOR on Lake Murray - Thursday, April 10.

Plans for a mountain drive are in the works- suggestions please!

Triad Area Report
Martin Salas, Area Director

As a result of me being out of the country (Sahara Desert, Morocco) and to enable Area members to attend a Cayenne GTS launch party hosted by Leith Porsche of Cary, NC, our March meeting was cancelled. Leith's GTS launch included a GT3 (997), GT2 (996), and a Carrera GT on display and hors d'oeuvres and drinks for everyone.

Our April meeting will be as scheduled.

TRIAD AREA MONTHLY REPORT

Jerry Kilcrease, Area Director

March 18: -The Triad Area held its March meeting at Big Shotz Tavern in Clemmons, NC. We had our largest turn out yet with 55 members and guests attending. We were especially pleased to welcome new members **Stan Timblin, Robert Stuart, Butch and Linda Trapp** and a "new member to be" **Tim Owens**. Everyone has been doing a lot of membership recruiting this year and it is working as we are seeing new faces at the meetings.

We recruit them young into PCA: **Herbert and Kathy Boehm's** daughter, **Amy** brought her 4 month old son **Jason** while **Art and Randi Weiss** strolled into the meeting with their new granddaughter **Kylie**.

Ron Reed, with help from **Harvey Harbour, David Verchick, Dale Hewitt** and others, put together an overhead slide show of photographs taken at the March Drivers' Ed and the Cabin Fever Drive for our enjoyment.

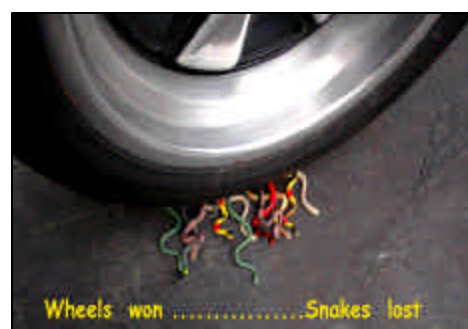

After the business meeting and dinner, some of the members migrated to the parking lot to check out the cars

PAST EVENTS:

March 1-2, Carolinas Region DE at CMP. This was the first Carolinas Region DE of the year and it was a sell out crowd. Fortunately the weather was good, a little cold in the mornings but pretty nice during the day without any rain. The Triad Area had 17 drivers in the event and everyone had a great time. While we are always pleased with the local turn out that supports the DE program, we need to give special recognition to first timers **Ron Reed, Alycia Cantley and David Verchick** who were driving in the Green Group. **Brian Powell**, DE Chairman, **Nadine Saville**, Registrar and **Marty Barrett**, Chief Instructor led the team of PCA volunteers that made this a safe and enjoyable event.

March 15-16, Cabin Fever Drive: Harvey Harbour and Herbert Boehm, Co-Chairman for this event are to be commended for a job well done. They planned a drive for us that included riding on some nice scenic two lanes, along the Blue Ridge Parkway, with the ultimate destination being Stone Mountain (no, not Stone Mountain Georgia, but Stone Mountain located in NC). The weather forecast for Saturday, March 15 was for rain showers but the forecast for Sunday, March 16 was for nice weather. So, **Harvey** and **Herbert** decided to give folks a choice! We were given the choice to make the drive on either Saturday or Sunday or both! Anyhow, it turned out that those who chose Saturday didn't get wet until the drive ended in the afternoon at Stone Mountain. The Sunday drive was a nice day, no rain. There was a great turn out. Saturday there were 24 cars and Sunday had 8. If you missed it, stay tuned because **Harvey** and **Herbert** are seriously thinking about doing a similar drive this summer, and incorporating a picnic with a possible "shine and show" gathering. Keep watching Tobacco Roads!

2008 EVENTS AGENDA-TRIAD AREA: The current agenda for PCA events to be hosted by the Triad Area is below. The exact dates for some of the events have not yet been determined but will be posted once they are confirmed.

April 6 - Carolinas Region Autocross Series Event #1-Hosted by the Triad Area- Wake Forest University "Red Lot" behind Groves Stadium: See page (add) for registration information and direction.

August 2 - Annual Swap meet Sponsored by Speedwerks in Thomasville, NC.- Wayne Overman, Chairman

September 13 – BookMarks sponsored "Shine and Show" at Bethabara Park in Winston Salem – (details later) Vic Harlee, Chairman

October (date TBD) - Annual Oktoberfest Sponsored by Foreign Cars Europa

December (date TBD) - Triad Area Christmas Party

NEXT MEETING DATE: TUESDAY, APRIL 15, AT BIG SHOTZ TAVERN IN CLEMMONS: We are going to *start the meeting at 7:00 pm in lieu of 6:30pm*. We are having the "Manager's Choice" event at the April meeting so be sure and shine up your Porsche and drive it to the meeting. For those of you who are not familiar with this event, the manager of Big Shotz walks around the parking lot during our meeting and selects the car of choice and the winner will be announced during the meeting. So please come out and join us. Directions: heading West on I-40; take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp take a left and cross back over Hwy 421; at second light take a right onto Styers Ferry Road; Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

PORSCHE CLUB OF AMERICA **region**

DRIVERS EDUCATION

Our March event was another exciting weekend. The folks at Carolina Motorsports Park have done a great job updating the facility and plan to make it one of the premier tracks in the Southeast. Our March 1st & 2nd event, sponsored by Porsche of Hickory, Club Ferdinand and Doc's Grrrage, was again a sell out with 144 participants. On Friday Feb 29th, Marty Barrett held the PCA National Instructor class to add to our certified instructor pool. Our region is really blessed to have a great bunch of instructors to support our DE program.

I heard many compliments on the new configuration of turns 12 and 13. On top of the new track, several drivers had made car changes over the winter. Not that we actually had a winter season. Jamie Levy had a new car (and seats) to enjoy. Eugene Reaves has a dedicated track car while he

gets "Green Slime" back on the road. Our Parade Chairman, Harvey Yancey looked forward to getting his 993 back on track but unfortunately had an ignition issue which sidelined him Saturday morning. A few others had mechanical issues, but none seemed too serious. Throughout the weekend, the weather stayed clear and sunny while activity on track stayed clean and considerate.

Once again, we'll take a little break until our Parade DE on **July 4th** and **5th** at Lowe's Motor Speedway. We expect Lowe's will be very popular with Parade participants. To accommodate, this event will be run as 2 one-day events. We will have our typical 5 run groups, so instructors will be needed both days. We have been able to shift the schedule to be more favorable to a one day event. This is a Carolina Region event; it will be open to all PCA members. Registration will open May 1st.

Speaking of Parade, lots of **volunteers** will be needed to put on a successful week. I know the Parade Kids needs several to staff registration and other key roles. If you're interested in that area, please contact me. How did I get to be PK co-chair? Well, read on and you'll figure it out. If PK isn't your thing but you want to volunteer, check the Parade website and contact the chair of your interest. They'll welcome the help.

Now on to another topic that's near and dear. Having a **teen driver** in the house again highlights the need for additional driver education for beginning drivers. The state required training provides knowledge of the law and the beginnings of behind the wheel training. Unfortunately, way too many teens also find the end of their training also behind the wheel,

with auto collisions the number one cause of death among teens. As a parent the last place I want my daughter learning about ABS is in a panic stop on a rain slickened interstate. When Carolyn's turns 18, she'll be attending a PCA DE. In the meantime, there are a number of specialized driver training events which offer excellent training for beginning drivers. We're already registered for one next month. These schools range from free events at local venues, underwritten by auto or tire manufacturers on up to multi-day ontrack events where special vehicles are provided. In each case, participants receive instruction on skid control, evasive lane changes, ABS and panic braking, and more. Here are just a few of the organizations who host schools in the area.

Toyota's Driving Expectations - <http://www.toyotadrivingexpectations.com/> Charlotte, April 4-6

Xtreme Measures – Now part of Richard Petty Driving Schools, <http://www.1800bepetty.com/SafeDriving.aspx>

Bridgestone Driver's Edge - <http://www.driversedge.org/> 2008 schedule to be announced

Tire Rack Street Survival - <http://streetsurvival.org/> Upcoming events in N Wilkesboro and N Charleston

There are also regularly scheduled beginning driver schools at BMW Performance Center. <http://www.bmwusa.com/>

For those over 18, last month I mentioned our next event would be the post-Parade DE at Lowe's and mentioned several resources for finding additional driving opportunities. One of those opportunities will be at CMP. Blue Ridge PCA will be hosting a DE at CMP on June 14-15. For more information, see www.brr-pca.org.

As always, for any DE questions, please contact Brian Powell at 704-814-9996 or driversed@carolina.rr.com.

GOODIE STORE

We arrived at CMP for the March 1-2 DE with lots of inventory and, thanks to all of you, we came home with very little. Still have some winter items available – a few vests and pull-over fleece in size Large and XLarge. In addition to selling out most of the inventory, we enjoyed great food and fellowship. It was great to see so many of our friends. I would like to give special thanks to Blanche Gallo, Jane Hewitt and Tanya Reed for assisting me with the Goodie Store at CMP.

With the thoughts of spring and summer, we have restocked with bright colored tee shirts. Unfortunately, we will not have another event where we will be setting up the Goodie Store until the July DE. However, please call or email me with any questions on inventory or suggestions that you may have for the Goodie Store. We will ship any item.

Thanks for your Support and hope to see you at Spring Tour.

1982 928 Weissach edition - WPOJA0922CS821955: This is one of approximately 125 special edition models the factory sent to the US. These are very special Porsches. At the time it was made, it had all the trick parts that would later make a 928S. This car has 75,000 miles on it. It is completely original (even the radio), it has never been hit, and for a 25-year old car I would say it is in excellent condition. I am the second owner, and have owned the car since 1992. It has been all over the US and Canada, and was in the PCA Parade Concours in Oklahoma 1996. It runs like a run-away train and still gets gas mileage in the low 20s. The first owner bought it new from Pray Porsche in Greenwich, CT and almost never used it, as it had 13,000 miles on it when I bought it. It is a 4.5L V8, 250 hp, 5 spd., limited slip, P/S,P/W, sunroof (needs a new seal), cold A/C, upgraded lights. It is painted Hells bronze (same paint they used on the special edition 911s that year) with tan leather interior. Every inch of the interior is covered in two different tones of brown leather. No cracks in any of the leather. To complement the interior the factory had a German luggage maker make a 3-piece leather/silk-lined luggage set, 2 pull-man bags, and one suit/dress bag out of the same leather as the interior so you could travel in style. The luggage was a tremendous hit at the Parade, as many of the dealers "forgot to deliver" the luggage with the car. It has four new Dunlop tires (just mounted on refurbished wheels), new brakes (rotors,lines,M/C), tune up; new iridium plugs, rotor, K&N filter, new coolant, new 15-50 Mobil1 in the engine and 70-90 in the transaxle, new battery, and new tailgate shocks. Timing belt has about 20,000 miles on it. Clutch is fine. It comes with four new Boge gas shocks (not installed) and North Hollywood Speedo just rebuilt the speedo. The exhaust system was upgraded to a Borla a few years ago. Sounds great. Special 928 car cover. Books and papers. Since moving to SC the car hasn't been used much, which is a shame. It needs a home where it will be driven, or tweaked into a show car. It has the ability to be either or both. \$9,928. Delivery to anywhere in the US. Cost based on distance. Questions, pictures or more info contact Rush Workman at 964porsche@wildblue.net or call 803-364-4075. (03/08)

1982 911 SC Sunroof Coupe: VIN WPOAA091XCS121219, Moss Green metallic / brown leather. Single owner, 5-speed, alarm, chin spoiler, 28k on completely rebuilt engine, 138k total. New ac conversion, fogs, 16 inch alloys, custom sheep skin seat covers, 3k since "30K" service, all records, garaged, very good, photos on request. \$15,500. contact Mike Rowland, Carthage, NC 28327at 910-947-3536 or e-mail mcrowland@dsslink.net (04/08)

1983 944 Race Car: Built by Steinel's Autowerks. Recent new rod bearings and fuel injectors. New exhaust including Racer's Edge header. Adjustable Weltmeister sway bars with new bushings, Koni adjustable shocks. Accusump. 3 sets of wheels. Its a proven winner and \$1,500 in tires sweetens the deal. \$10,500. Contact Brandon Sick, Rock Hill, SC at 803-554-3689 or email onesickmd@aol.com. (04/08)

1982 911SC Targa. Metallic Bronze (dark brown) w/ black interior. 25,000 miles on complete restoration (170,000 total), including top end, transmission and new clutch. Complete strip and repaint in 2001, all new rubber. Whale tail. New BFG Force. 3rd owner. All service since 2002 by Protech Motorsports. Great looking car. \$16,500. Contact Dave Mitchem in Greenville, SC at 864 616-3303 or themitchems@charter.net (03/08).

1991 928 GT: Metallic Black/Cashmere. VIN# WP0AA2926MS810261. Second owner for the past 4 years of this wonderful ride. Bought completely stock in great condition and only made better from there. This car has been driven only in dry conditions and several DEs...always garaged. Mechanically perfect, body in great shape, great for the street and track.
