Around the Region– Bob Saville

Well, now that you've had a chance to relax a little during the summer after Parade, our calendar gets ramped up again into the Fall! Never let it be said that this region sits around and doesn't offer fun things to do for the members. For such a small membership fee, you get access to more than any other car club around.

Lets see...the fun starts in September with the Fall edition of the **Food Lion Autofair** on September 7. PCA always presents a great showing at Autofair, so come on out and show that wonderful car...and make sure we always have more cars out there than the Corvette guys! Email Mike Jones at mljones@ctc.net to sign up.

Also in September, registration opens for the **Carolinas Challenge PCA Club Race** at Carolina Motorsports Park, being held October 31-November 2. If you've ever thought of Club Racing, this is the race to start with. You probably already know the track, it's one of the safest but challenging tracks on the Club Race circuit, we have a great staff running it, and you'll be supporting our region. What other reasons could you want? Check out the Club Race link on the Carolinas Region website for all the details. If you like to do DEs, you will LOVE Club Racing. It takes this track driving thing to a whole new level. Come on out, try it! It's like nothing else you've ever done!!

Now, if you just can't bring yourself to go racing, that's fine, we have a lot going on that weekend. We have a **Solo Drivers only Drivers Ed, a Charity Car Show, and swap meet**. Come on out, bring your car, and get involved. The weekend will be great for everyone. Check out all the info on that Club Race link on the website. DE Registration opens on September 3 also, and with only one group, it will sell out quickly.

This leads us right into October. The first weekend of the month we have our annual Fall **Drivers Ed at CMP**. As of this writing it is almost sold out, so by the time you read this, if you haven't already signed up, you may be too late. On October 11, we have an **Autocross** at Foreign Cars Italia that is part of the Carolinas Region Autocross Series. Come on out and test your skills against those pesky cones. You will be amazed at what your car (and you!) can do. It's a great opportunity to learn car control and have fun with your fellow PCA'ers.

After a week off (whew), it's time for **Fall Tour**. Those of you who've been on our tours, know that Fall Tour is one of our big events that sells out very quickly. We'll be starting from Porsche of Hickory and heading through some of the best North Carolina mountain roads to Blowing Rock. It promises to be a wonderful weekend, one that you won't want to miss, so sign up early. Registration should be elsewhere in this issue.

Then, it's the Carolinas Challenge Club Race, DE, Charity Car Show, and Swap meet weekend Oct 31-Nov 2. The biggest weekend on the Carolinas Region calendar. Be a part of it – Race, Drive, show, sell, volunteer or just come out and watch. The more the merrier!

And that's not all that's going on this year, but it's enough for now. Details of all these events can be found on the Carolinas Region website at www.carolinas-pca.com.

Please give me your feedback!! I hear through the grapevine what people are happy with, unhappy with, or would like to see different in the region, but very rarely to people tell me their thoughts. Believe me, I want to hear from you directly! There are many things I'd like to change or see done differently, but I don't know if it's what all of you want. This is YOUR club, the board members are just trying to organize things for the best of the membership as a whole. Please tell me where we could do better. Better yet, step up and get involved. We are always open to new and fresh ideas.

On a personal note, many of you know that Nadine and I have been involved with Targa Newfoundland for the past few years. Well, because of our small issue last year, we won't be running again in 2008. However, our region will still be well represented by the capable team of Harold Seagle and former region VP Stan Pendergraft. Harold and Stan have run the past 2 years earning the coveted Targa Plate each year. This year, they will be gunning for the Gold Plate, given to the team that earns a Targa Plate for 3 consecutive years. Be sure to follow their progress Sept 13-20, car number 607.

I hope to see you at an event soon!!

Metrolina Area Report Mike Masterson, Area Director

Well, it's September and it is hard to believe that we are 2/3rds of the way through 2008 already! Where does the time go? With The Thanksgiving / Christmas / New Years Holiday Season looming fast, we still have tons of stuff to do with the Club.

There is still time to obtain free tickets to attend the shine and show Auto Fair event scheduled for September 7th at Lowe's Motor Speedway. This is a great fun event being run this year by Mike Weis. For further info, contact Mike at 704-225-1204-H or 704-621-2190-C.

The annual fall Carolinas Region Driver's Ed at Carolina Motorsports Park in Kershaw, SC is coming up October 4-5. For info, contact Brian Powell at 704-814-9996 or Nadine Saville at 704-394-5422.

We will be conducting the Region Fall Tour on October 25-26. Information and a registration form can be found elsewhere in this newsletter or online at www.carolinaspca.com. Keep abreast of all Region events by checking the calendar right here in Tobacco Roads.

As I announced at our August Area Meeting, I am seeking someone to take over my job as Area Director effective January 1, 2009. I have had 3 fun years doing this job, I believe it is time to let someone else take over the reigns and inject a different spirit (and a change in meeting venues as well!) into the Area.

Well, that's a wrap for now. I hope to see you out and about. Until then keep your right foot down and the shiny side up!

Mike.

Hickory Area Report Delmar Kiser, Area Director

The end of summer is almost here and we wonder where the time has gone. Looking back it has been a busy season with Parade and all of the other activities. Our August meeting was a look back at the summer gone by too fast and all the great opportunities coming up in the fall months.

As always, our calendar is full with something for everyone and every interest. We encourage all members to take advantage of all the club has to offer. If you have never tried a Drivers Ed weekend, the perfect time is October 4-5 at Carolina Motorsports Park (CMP) in Kershaw, SC. If you haven't seen a club race, then don't miss October 31-Nov 2, again at CMP. Fall tour will be a good time on Oct 25-26. Go out and enjoy the variety of events our region has to offer.

Next Hickory meeting will be Sept. 9 at 6:30 pm. Watch your e-mail for the location.

Keep the greasy side down.

Delmar

Book Reviews

Porsche High-Performance Driving Handbook,
2nd Edition
By Vic Elford

Retail: \$29.95 in paperback with 39 color and 55 b/w photos

As one might expect from Vic Elford, this book informs the reader how to drive a Porsche to its limit. He starts with the basics of adjusting the car to provide optimal comfort and control, continues with how to maintain balance by driving smoothly, covers suspension and drive train components and their function, (both vintage and new technology), tells how to maintain balance during acceleration, cornering and braking, and wraps up with accident avoidance and driving in unusual conditions.

He gets down in the weeds with heel-toe gear shifts, the anatomy of a corner and dynamics of cornering, and various types of braking. All this is punctuated with personal experiences, examples, drawings and many photos of Porsches being driven well.

For those who want to really understand the components and art of high performance driving, in my opinion this is a "must read."

It's available from Motorbooks, 400 First Avenue North, Suite 300, Minneapolis, MN 55401 or visit www.motorbooks.com.

Dale Hewitt, Editor

Hunt for 901 by Kevin Gosselin

"Frankfurt, 1963.

The Porsche 901 concept, the star of the Auto Show, is to be driven back to Stuttgart by a young employee. It never arrives.

Litchfield, CT 2004.

An uninvited guest interrupts Faston Hanks, automotive archeologist, adventurer and innkeeper in his hectic preparation for the fall races at Lime Rock. Heidi Ruff asks Faston if he would be willing to find her father. He declines. Then Heidi adds, 'But what if I told you he was the last person to be seen driving the 901 prototype?' Faston drops everything he's doing and heads off in pursuit of the 901."

Hunt for 901 takes every car enthusiast's dream, finding a missing exotic, and brings it to life. The eccentrics. The lies. The thrill of the search. They're all here.

10-year PCA member Kevin Gosselin is a freelance automotive journalist and award-winning advertising copywriter. Growing up in an auto-obsessed family he learned early on to peek in every garage and under every tarp. He currently owns a brace of Porsches. But he's always on the hunt for his next acquisition.

Hunt for 901 is available at Amazon.com, Borders.com and demontrevillepress.com.

I haven't read this but it sounds interesting. Dale Hewitt, Editor

July 26 Cruise to the Top of the World

The Club Ferdinand - Crown Point Hickory & Triangle PCA "Cruise to the Top of the World" was a great success! All PCA members met at Club Ferdinand, located at the Mast Farm Inn in Valle Crucis (Boone, NC). Ken Stabler of Club Ferdinand took the group on an hour and a half cruise through the well maintained country mountain back roads of the High Country area (Boone/West Jefferson, NC) and ended up on "Top of the World" at Crown Point.

While enjoying a fantastic barbeque lunch hosted by Club Ferdinand and Crown Point, the chapters mingled with each other and new friendships were formed with PCA members from other clubs. After lunch, the group played Porsche and general trivia, receiving great prizes for those who answered the questions. The real fun started then, as the group wandered with their cars through the Crown Point Community and enjoyed the Golf Cart Race, Golf Ball Hit and the Ball Roll contest. The winner of each contest received a trophy. The day ended in the

water park with desserts and a great raffle of fine Porsche items (shirts, key chains, mugs, model cars, etc.) with the grand prize being race tickets to either Sebring or Road Atlanta. All attendees also received a vintage 2008 Club Ferdinand- Crown Point "Top of the World" Cruise tee shirt.

We look forward to seeing everyone from Hickory & Triangle Chapters and all other chapters at Crown Point for the October 19, 2008 "Change of the Leaves" Benefit Concours.

Look at that golf stance!

Nice, lazy day at the Crown Point water park...

The rowdy lunch table!

TRIAD AREA REPORT

Jerry Kilcrease, Area Director

AUGUST 19 - monthly meeting: We had another very good turn out at Big Sholtz Tavern with 52 members and guests showing up for the Tuesday night meeting. We were pleased to welcome special guest **B. J. Craven**, one of the original local PCA members, as well as **Julie Williams, Mike Cuccia, Thomas Reeves** and from our Hickory area, **Kathy and Bryson Kiser**. Our guest speaker for the evening was **Jochen Tartak** from Carolina Motorsports Park (CMP). **Jochen** did a great job of presenting us with an overview of CMP including the

history, current track and facility updates, projected future improvements and enhancements, along with the details of the newly established Palmetto Motorsports Club. **Vincent Gallo** gave us an update on the Grand Concours d' Elegance at Grandover. **Vic Harllee**, on behalf of BookMarks, donated a very special door prize, a **Vic Elford** signed model of the 911 that he drove when he won the 1968 Monte Carlo Rally. The winner was **Dianne White**. Other door prize winners were **John Wilson** (Parade backpack) and **Art Weiss** (Parade poster). **Martin Stuart**, representing the folks sponsoring the "Crown Point Cruise," was on hand with handouts and invited members to join in on the drive up to Crown Point. **Vic Harllee** talked about the upcoming BookMark sponsored "Shine and Show" event and also provided the video "The Speed Merchants" which was shown during the meeting. After the dinner and the meeting adjourned, most of us gathered out in the parking lot to continue visiting and have a great time checking out the cars.

PAST EVENTS:

AUGUST 2, 2008-The Triad Area held the 6th Annual Swap meet at the Speedwerks facility in Thomasville. It was a sunny day and a lot of buyers and "swappers" came by to check out the activities. **Wayne Overman** organized the event for the Triad Area again this year and it was the largest yet. **Wayne** had over 30 "swappers" signed up and estimated we had well over 100 people cycle through during the event. The Carolinas Region Goodie Store set up and **Sadie** had a good day selling items for the club. **David Brown, Steve and Andy McNeil** hosted the swap meet and, as always, did a great job by opening up their shop and providing us with a catered "Bar-B-Q ribs and chicken" lunch. After lunch **David** had a couple of very special Porsches in his

shop (**Richard Lane's** Porsche 906 and 910). **Richard**

opened up the engine compartments and gave us a brief history about the design and development of these two racing legends. There

were also plenty of race prepared Porsches in the shop and everyone spent plenty of time checking out the inventory. The swap meet was a big success and many thanks to those who came out and especially to Speedwerks for hosting the event. Speedwerks invited us back again so if you did not make it this time, see you next year!

2008 TRIAD AREA'S EVENTS AGENDA-

September 13 – **BookMarks** sponsored "Shine and Show" at Bethabara Park located in Winston Salem – This year BookMarks will sponsor its second "Shine and Show" event on Saturday, September 13, starting at 9:30am with awards at 3:00pm. This is a people's choice event with awards given for 1st, 2nd, and 3rd places. This event is free to register and to attend. This year Michael Keyser, author of "A French Kiss With Death" (book written about the filming of Le Mans with Steve McQueen) will be available to hand out the awards. Registration form is located on the next page or for information: **Contact Vic Harllee, Chairman, at victor.harllee@db.com; or call 800-553-6015 or 336-724-6921.**

October 11 - **Annual Oktoberfest Sponsored by Foreign Cars Europa in Greensboro**-This year Foreign Cars will sponsor a people's choice "Shine and Show" event and a Carolinas Region PCA Autocross. There will also be a German style lunch served (free to PCA members) at noon. The registration forms with directions and detailed information for the "Shine and Show" and Autocross are located in this issue of Tobacco Roads on pages 15, 16 and 17.

December 2 - **Triad Area Christmas Party hosted by Foreign Cars Europa. Details later.**

OTHER UPCOMING EVENTS:

DATE AND EVENT CHANGE ALERT!!!!!!!!!!!!!!!!!!!!!! The **Winston-Salem Concours d'Elegance at Graylyn-September 19-21** has been changed to **The Grand Concours d' Elegance to be held on October 3-5** at Grandover Resort and Conference Center in Greensboro. The Triad Area PCA has been invited to participate

in this event, however, since the revised date unfortunately coincides with the Carolinas Region Drivers Ed event at CMP, attendance from our group will probably be adversely affected. **Vince Gallo and Bill White** volunteered to be co-chairmen for the Triad Area, so contact them if you have an interest in participating. For details check out the website at www.thegrandconcoursdelegance.com.

NEXT MEETING DATE: TUESDAY, SEPTEMBER 16, AT BIG SHOTZ TAVERN IN CLEMMONS: Come join us for the September meeting starting at 7:00pm. Directions: heading West on I-40; take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp take a left and cross back over Hwy 421; at second light take a right onto Styers Ferry Road; Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

Triangle Area Report By Martin Salas

This past month was a bit busy with a couple of major events. First, our trip to Crown Point hosted by Club Ferdinand was great. Then, our yearly Tail of the Dragon run which was even better.

Our monthly meeting was held at a new location. We had very good turnout. For several reasons we decided to try a different venue and it received very good reviews by the people attending. Based on this input, we will hold our September meeting at this new location to confirm that it is a good place to move.

September meeting change: Since I will be out of town on September 11, the meeting will be held on September 18 at the new location:

Manchesters Grill
2121 T.W. Alexander Drive
Morrisville, NC 27560
919.596.6000
<http://manchestersgrill.com/>

We are also planning a Beach Run for October 4 and 5. Basically, the plan is to drive to Beaufort, NC on the 4th for lunch. Then, people can stay there for the night or drive back to the Triangle Area. This year we are also working to see if we can get a tour of the Fountain Boat factory in Washington, NC. Fountain Power makes some of the fastest boats in the world and they hold some world speed records.

Club Ferdinand - Crown Point

Our trip to Crown Point was on July 26 and we met the group from the Hickory area at the Mast Farm Inn. Club Ferdinand received the groups with a small display of their cars available for rent and provided a light breakfast. After some coffee and bagels, Ken Stabler from Club Ferdinand took us through a 45-minute tour of the Boone area roads. Both weather and ride were great. The tour ended atop Crown Point where we were received by Scott Roberts from Club Ferdinand for lunch. Our lunch site was the deck of a \$2M house being built which had an awesome view of the Carolinas Mountains.

After lunch, Scott proceeded with a session of Porsche Q&A giving away prizes to the people who gave the correct answer. Most questions were easy but Scott had a couple of very interesting (and difficult) questions on Porsche history.

After lunch, Scott had three fun events for the afternoon:

- A golf cart race which required a drive to the end of a road and return in the shortest time.
- A golf ball hit which basically was to hit a golf ball to a target location.
- A golf ball roll which consisted of rolling a ball down a road the furthest.

Winners of each event were given a small trophy.

The event ended with dessert at a very nice park with hammocks, benches, tables, running water, gazebo, fire place, and even a few small ponds with fish. The people from Crown Point did a great job setting up this area.

The event was closed by awarding the afternoon event trophies and a raffle of Porsche prizes.

(Continued on page 19)

Neither Club Ferdinand nor Crown Pointe approached the group with any sales pitches unless being asked by a club member. This was certainly a great event.

Tail of the Dragon Run III

Our yearly trip to the ToD was on August 15, 16, and 17. This event is becoming the premiere event of the Triangle Area. This is our third year of this event and it was even better than previous years.

We departed the Triangle Area on Friday afternoon and had dinner at the Moose Café in Asheville, NC. The drive to Fontana Village was uneventful. While we met the Florida and Hilton Head Porsche groups at the Fontana (25 cars), our schedules did not match. So, we continued with our own schedule.

Saturday morning we had an early run (7AM) of the Dragon. The weather was clear and the roads were dry. Excellent conditions to take on the Dragon. We expected the roads to be clear very early in the morning but there was some light traffic. Still, we were able to get two clear runs and everyone enjoyed some spirited driving.

After our early runs we returned to Fontana Village for breakfast and hotel checkout. Then, we drove to the Tapoco Lodge for some souvenir buying with a stop at Fugitive Dam. We proceeded to drive to Deals Gap for a quick stop at the Tree of Shame which, year after year, keeps collecting more motorcycle pieces.

By 11 AM, we started our fun run of the Dragon with our significant others. We passed a couple of Tennessee troopers along the Dragon but since we were doing our fun run, we were driving just below speed limit and had no issues. We had our group picture at the end of the Dragon and the rookies received a ToD souvenir patch.

We continued to drive along the Foothills Parkway towards Gatlinburg, TN, where we had lunch at the Smokey Mountain Brewery and Restaurant. After lunch we drove across the Smokey Mountains on Hwy 441 with a stop at Clingmans Dome. Unfortunately, Clingmans Dome was surrounded by fog and we were not able to see the awesome view from atop the Smokey Mountains. Still, everyone had a good time hiking all the way to the dome as it was cool and cloudy.

After the Smokey Mountains, we continued our drive through the Blue Ridge Parkway towards Waynesville, NC. We pretty much had the Parkway to ourselves. There was little or no traffic for very long sections and our drive through the Parkway was faster than going through Cherokee and Maggie Valley. There were some rainy spots but overall a great drive.

We continued our drive on Hwy 276 to Mount Pisgah where we had a flavor of some more curves as in the Dragon with a stop at the Pisgah Inn to spend the night.

Sunday morning the weather was clear again and the view from Mt Pisgah was awesome. After breakfast we drove back to the Triangle Area with an early dosage of more curves on Hwy 151.

Even with a few last minute cancellations, we still had a very good group. Everyone enjoyed this event very much and I am already looking forward to next year.

Upstate Area Report

Jim Horner, Area Director

Hello from the Upstate!

At this month's meeting, we got a great play-by-play of the *24 Hours of Lemons* at Carolina Motorsports Park from **Shane Tisdale**. No car in the race could cost more than \$500 and from the photos we saw, the more outrageous, the better! A team of judges – attired in judge's robes and powdered wigs – officiated over the event, assigning penalties (that Shane swears weren't justified) and making up rules as they went along. The grand finale was the People's Curse award, where the unlucky winner had their car crushed for the amusement of the crowd. Though they missed out on the \$1,500 prize – paid in nickels – it sounds like the "Loose Tool Racing Team" of **Shane, Bill Gerwig, Frank Gerwig** and **Joel Barber** will be back for another race in the future. It looked like a blast!

Gene Kendrick talked about his great weekend at Virginia International Raceway. He was excited about his experience at the two sprint races on Saturday and the endurance race on Sunday. His claim that VIR is a great place to really find out what your car can do, and what you can do, made some folks in the audience start checking their calendars for VIR DE dates.

Our group has a tradition of raising money throughout the year to make a charitable donation at the holidays.

Members donate various items to be raffled off at each meeting, and the August meeting was especially lucky for **Dwayne Mosley**. He bought a total of 20 of the 170 raffle tickets sold that night, and managed to win just about every prize. Dwayne won a bottle of Speed Shine. We mixed up the tickets, then Dwayne won a hat. We mixed some more and had someone else draw tickets; Dwayne won a tee-shirt. More of the same – another hat, a poster, a notepad! He was nice enough to re-gift most of his loot, so others didn't go home empty handed. Last we saw him, he was headed to buy a lottery ticket!

Our raffle is a fun activity at the meetings and is a pretty painless way to raise funds for a good cause. We passed the \$1,000 mark with donations YTD and are on our way to making a nice donation at the holidays.

Racing and Rambling Rock Webb, SunFun Area Director

The PCA Race at VIR was a fun weekend, cooler than normal but still hot when you were all suited up. Lots of Carolina guys there.

No major problems: Sun Fun guy, Bill Eaddy, lost a front spoiler in a spin at turn one at the end of his second race. Dick Lane won his class in the sprint race and enduro!! John got a 2nd in the sprint races! I spun in my first race and got a second in race 2. Mike Branning was there and ran all three races with a podium finish in the enduro.

Doug Roach, Steve Roach and Jimmy Martin had a wild fun race but Jimmy and Steve eventually had car problems in the later races.

Doug Roach had an awesome run in his second race, going from 43 to 1st over all in our group. Doug also won the workers award for that fine drive.

Gene Kendrick was there but got stuck in the red group and had a lot of fast cars to deal with. There were a couple of major wrecks, but everyone was ok. We all had a great time; sorry if I missed anyone.

Track was awesome as usual.

Daytona, CMP and Roebing will finish out the year.

3! Count'em 3 events coming soon

Our next event is October 4th & 5th when we return to Carolina Motorsports Park in Kershaw. Space is available and registration is open on our web site at www.carolinias-pca.com. Event fee for members is \$235 and \$270 for non-members. Instructors pay a reduced rate; see the web site for more information. We have worked out the issues with PayPal and are offering online payment for this event. PCA members get priority registration but remember, acceptance is based on the date of payment for PayPal users, date of postmark for USPS. Colony Inn in Camden (1-800-356-9801) is the event hotel.

Coming up quick will be our November Club Race (Oct 31-Nov 2) which is always a great event in and of itself. We'll also have a solo only DE group on Saturday and Sunday, run in conjunction with the Club Race. There's plenty of track time for the DE group in between practice sessions for the racers. Join us for the DE as well as the vendors, car show and just a great Porsche weekend. Registration opens September 3rd.

And a short 3 weeks later, we'll be returning to **VIR** over November 21st-23rd. That's the week **before** Thanksgiving, instead of our usual first weekend in December. Yes, it's November, but its still great driving weather. We'll have a solo day on Friday, with student groups joining the schedule for Saturday and Sunday. And as we've had in the last couple years, the **AUTOCROSS** season finale will be Saturday on the VIR Patriot course. If you liked the Parade Autocross on the infield course at Lowe's, just wait til you see what Walter Stone can cook up with the elevation changes at VIR. Saturday evening we'll all gather at the Pagoda for our now-annual year end party. Registration for the DE will open online on September 21st.

For more on any of these events contact Brian Powell at driversed@carolina.rr.com.

August 9 Cruise to the Top of the World

The Club Ferdinand - Crown Point "Cruise to the Top of The World" with the Mountain (Asheville, NC) Chapter and Wilderness Trail (Kingsport, TN) Chapters was another great success. It was a beautiful, cool and sunny mountain day, with not a cloud in the sky. Over 40 people with 20 cars were in attendance. Approximately half the group met at Club Ferdinand - Mast Farm Inn and Ken Stabler lead a cruise

through mountain country roads and ended up at the water park at Crown Point.

As usual, the lunch was delicious, the desserts decadent, the trivia contest in true form, and the Ball Roll & Golf Chip contest & Golf Cart Races extremely competitive. Young Donovan Carter was the Raffle Grand Prize winner, receiving race tickets to the Sebring races. Congratulations Donovan!

We look forward to seeing everyone from the Mountain & Wilderness Trail PCA Chapters and all other PCA Chapters at Crown Point for the October 19, 2008 "Change of the Leaves" Benefit Concours. Visit www.PorschesatCrownPoint.com for more information.

Donovan, winner of raffle grand prize - race tickets!

Lunch catered by Bandana's Barbeque

Another great swing!

FOOD LION AUTOFAIR SUNDAY, SEPTEMBER 7, 2008

It's time once again to gather at Lowe's Motor Speedway to celebrate the Food Lion Autofair. In case you have not been before, let me explain what you get for absolutely **FREE**.

Each entrant receives 1 car pass and 2 entry tickets for Sunday, September 7th. Children 12 and below get in free when accompanied by an adult.

Weather permitting, we park on the grass between pit road and the track along with over 50 other car clubs. Our goal as always is to have more Porsches than Corvettes at the show.

To enter for the show you need to email Mike Jones at mljjones@ctc.net. You need to provide your **name and mailing address, year and type of Porsche and your home and cell phone number**.

Tickets and passes will be mailed out about 10 days before the show. We ask that you show up by 9:00 AM and plan on being able to leave by 2:00 PM. Trophies provided by the Speedway will be awarded about 1:00 PM.

You can park your car and enjoy what is billed as the World's Largest Car Show. Vote for your favorite Porsches and go look at the other cars and displays.

We have 70 slots so register early.

Thanks,

Mike Jones
