Around the Region– Bob Saville

How many of you took the time to enjoy a wonderful day hosted by the people of **Crown Point and Club Ferdinand/Mast Farm Inn** up in the North Carolina Mountains? Well, if you didn't, you missed a lot of fun and a great drive. They put together trips based on your Area in Carolinas Region to keep the groups controllable, and we all met at the Mast Farm Inn in Valle Crucis for some coffee and danish. Ken Stabler of Club Ferdinand/Mast Farm Inn led the group to the Mast General Store, then on a wonderful drive up to Crown Point. While there, we were treated to a great lunch and a few creative games like a golf cart race, golf ball role, and pitching a golf ball into a house that was being built. The scenery and location of Crown Point is truly amazing with wonderful views and rolling hills everywhere. What a great day! They really treated us all great. Many thanks to Ken and Scott Roberts of Crown Point for treating us to such a wonderful time.

Now, for the year finale for Crown Point, they are holding a **Charity Concours** on Sunday October 19 with all net proceeds going to Habitat for Humanity. There will be games, prizes, food, music and judged concours. Based on our little preview, it promises to be a great time for a good cause, so check them out at www.porschesatcrownpoint.com for details.

Speaking of Concours... don't forget we are holding our own **Multi Marque Charity Car Show** during the **Carolinas Challenge Club Race** at Carolina Motorsports Park, being held October 31-November 2. It's another time to get your car out there with all the other makes that attend and show it off.

As I've said before, that weekend promises to be big. The Club Race brings racers from all over the country. Some as far away as Colorado have registered so far. We're holding a Solo Drivers Only Drivers Education group during the weekend, and a Swap Meet. Plus... it's Halloween weekend, so we have some surprises in store for all the participants, and we want to have some trick-or-treating for the kids. So come on out, sign up for something and get involved. Details can be found at www.carolinas-pca.com. Click on the Club Racing link.

Hopefully you've signed up for **Fall Tour** because by now, it's probably sold out, so I hope to see you there.

Registration is now open for the **Drivers Ed at Virginia International Raceway** on November 21-23. Yes, that says November. Due to a scheduling change it looks like we'll be in November for the next couple years, meaning a much better chance of good weather. If you've never driven VIR, you gotta try it.

It's like a country club with a track wrapped around it, beautiful landscape, great facilities and an amazing track. Again, sign up soon as this event ALWAYS sells out.

And don't forget, the **Carolinas Region Holiday Party** is being held in Columbia this year on December 13. Take a break from the hectic holiday season and get together with your fellow Carolinas Region members for some holiday cheer. We'll be presenting the annual Autocross and Enthusiast of the Year awards as well as the Dealer Membership Contest trophy. We look forward to seeing everyone at this last event on the 2008 Carolinas Region calendar.

OK, I know...I'm just going over the calendar like you could do yourself, and you're asking, "What happened to the stories Bob keeps telling?" Alright, maybe you're not and really don't care either way but I'd like to believe you actually read this. With everything going on in the Region, with Nadine and I in our businesses, and a bunch of other very time consuming stuff....I just get so far behind in my articles that it's become hard to think of something to write last minute. Maybe one day, I'll plan ahead a little.... Yeah right!

Please give me your feedback!! I hear through the grapevine what people are happy with, unhappy with, or would like to see different in the region, but very rarely do people tell me their thoughts. Believe me, I want to hear from you directly! There are many things I'd like to change or see done differently, but I don't know if it's what all of you want. This is YOUR club, the board members are just trying to organize things for the best of the membership as a whole. Please tell me where we could do better. Better yet, step up and get involved. We are always open to new and fresh ideas.

I hope to see you at an event soon!!

Metrolina Area Report
Mike Masterson, Area Director

Our September meeting was held on the 18th and we welcomed new members Dave Wilburn and Scott MacCabe. This month, we combined our meeting with that of the local chapter of the Sandlapper Region of the BMWCCA. We then did a review of upcoming events on our calendar (see the Calendar page in this edition of your T.R.) and proceeded to our guest speakers.

Scott Roberts of Crown Point made a presentation of future events this fall, including a fall concours charity event on October 19th and a new program for "special events" they are firing off in conjunction with Club Ferdinand / Mast Farm Inn. For more information, contact Scott or Ken Stabler at 828-406-2849 or 828-964-1361.

PCA member David Salama then presented the particulars on his new venture, Supercar Sensation (Supercar Sensation.com) which offers test drives, tours and incentive programs for drives in current supercars like the Ferrari F430, Aston Martin Vantage and the new Carrera 2S PDK. Further Information can be obtained from David at 704-996-9394.

Jochen Tartak of Carolinas Motorsports Park, located near Kershaw, SC, then gave a slide presentation of that track's history that showed everyone what improvements have been made and ones to be made in the near future, including better facilities, track mods, a skid pad, a kart track, paddock improvements and even track-side condos. The plans are ambitious, but the enthusiasm is as well. We wish everyone involved all the best, and hope to take full advantage of the improvements as soon as they are available! For more on this, contact Jochen at 803-475-2448 or c-704-907-3498.

As of this writing, there are still some spaces left for the upcoming Fall Tour, taking place in the mountains of North Carolina October 25th. We have a great event planned but you better hurry up as registration will close on the 5th of October. See the registration form elsewhere in this publication for full information.

Don't forget that at our annual Carolinas Region Holiday Party, this year to be held in Columbia, SC and hosted by Sun Fun Area, we will be presenting our Enthusiast of the Year Award to the person who consistently showed the most support and involvement throughout this year.

Well, that's about it for another month. I hope to see you all in the near future and as always, keep your right foot down and the shiny side up!

Mike.

Mountain Area Report

Jim Peterson, Area Director

A special September 14 meeting was chaired by Bob Saville, President of the Carolinas Region. He attended with Nadine Saville and other regional officers for purposes of discussing what makes a Carolinas Region Area successful, with success defined as members having fun in all things Porsche and finding value in their PCA membership. We had a solid turnout for the meeting including a number of first time attendees blended with some long time PCA members. The recent Mountain Area member survey was discussed as well a brief overview of the next Porschefest scheduled for Asheville, next Memorial Day weekend. Member survey results will be reported at the November meeting, followed by a drive and lunch. Jim Peterson was named Mountain Area Director, replacing Doug McKee who retired from the position. (Thank you Doug, for your efforts and enthusiasm in leading the Mountain Area for the past couple of years. We appreciate it and look forward to your continued involvement.) Ron Becker polled the group for interest in a couple of scenarios for next year involving PCA members and The Racers Group (TRG) Motorsports at a VIR/Mooresville,NC event (spring) and/or a summer/fall Concours and wine tasting/golf tourney at the Waynesville County Club. Members gave an enthusiastic endorsement to both options and Ron will follow with TRG and advise.

October promises to be a busy month with a wide variety of options available to members (see calendar in this issue for additional details):

Deal MotorCars hopes to present the newly updated 911 at the next monthly Mountain Area meeting on October 4 at 11 am.

October 4 also offers a Concours in Greensboro (10/3-5) as well as a Driver's Ed at CMP (10/4&5.)

On 10/4 those interested in a caravan to Road Atlanta for attendance at the Petit Le Mans (ALMS series) race will meet at the parking lot in Arden (Long Shoals Road exit and east 1/3 mile) for a 6 am departure for the track in Braselton, GA and parking at the Porscheplatz (sponsored by Porsche AG and Porsche Cars NA with the cooperation of IMSA and ALMS.)

10/11 Autocross / "Shine and Show" at Foreign Cars Europa, Greensboro, NC.

10/18 Euro Auto Fest – Greer, SC.

10/19 –Club Ferdinand-Crown Point "Change of the Leaves" Concours and Benefit for Habitat for

Humanity – Boone area

10/25-26 – Fall Tour.

10/31-11/2 – Club Race at CMP.

Planning for next year's Porschefest is in full swing by a group focused on elements including autocross, Concours, rally (gimmick), registration, tours, trophies/door prizes/awards, and marketing and coordination. If you have any interest in helping the Mountain Area make next year's Memorial Day weekend event a success, just let me know. You'll find your participation will enhance the value of your membership in PCA and you'll have fun while you're at it. It's a great way to get involved with fellow Porschefiles.

Finally, as someone new to the Area Director position, I want to emphasize that this is your club and membership in it should be delivering you fun and enjoyment. I invite your ideas, suggestions, comments, criticisms and most of all your participation. With your involvement and support we can't lose.

See you at a future event.

Hickory Area Report

Delmar Kiser, Area Director

Our September meeting was held at Artist's Cafe in Newton NC. Attendance was good and everyone enjoyed the change of pace not to mention the excellent food. We decided to return to Artist's for the October meeting. Hope all of our area members will come out and enjoy the fun.

It looks like the fall season will be one to remember with the Leaf Change Concours at Crown Point on Sunday, October 19 and Fall Tour just a week later. We should get plenty of seat time with spectacular views of the NC mountains. Those who enjoy the fast lane will have lots of track time to do with drivers' ed and club race on the agenda. Enjoy the season and the friendship awaiting you at all the club events.

Next Hickory Area meeting will be Oct 14, 6:30 pm at the Artist's Cafe, 100 N Main St, Newton NC.

Till next time keep the greasy side down.

SUN FUN AREA REPORT
Rock Webb, Area Director

Good September meeting at the McDaniels Porsche Dealership. Scott Porcello, the new sales executive, gave a tour of the facility and provided us very good refreshments. The new 2009 was on display, an awesome Porsche. Scott was enthusiastic over the turn out and stressed his commitment to a good relationship with the PCA.

Bryan Smith from Carolina Motorsports was there discussing the new additions and track changes at turn 12. I have driven the new lay out and it is much better than before. Come out for the DE or PCA Club Race and check it out.

Bob and Nadine Saville were also there and filled us in on all the upcoming events.

Our October 21 meeting will be Brats and Beer at Doc's Grrrage in Lexington. Don't forget the PCA Race and Car Show at CMP on the weekend of OCT 31. IT'S HALLOWEEN and Sandy Shirley says she has a surprise for us!! Also, we have The Petit Lemans, Euro and the region Christmas Party coming up.

The Christmas Party is on December 13 at the Marriot here in Columbia. We expect to have a good turnout from our regional members from all over the Carolinas. There will be entertainment, good food and drinks and new Porsches on display. The Marriot (they do have enclosed parking) will have a special rate of \$89, so plan to stay over and check out the SC Capital etc. on Sunday.

TRIAD AREA REPORT

Jerry Kilcrease, Area Director

TUESDAY, SEPTEMBER 16- The Triad Area held the regular monthly meeting at Big Shotz Tavern in Clemmons and even though we had a few showers during the day, 51 members and guests came out. We were delighted to welcome new members and first time attendees **Brent Logan** and **Bob Harvey** to our group. **Eugene Reaves** was a surprise attendee (He has been in China and was not scheduled to return until Christmas.) and everyone was pleased to see him and **Janet** walk in the door. **Scott Roberts** of Crown Point visited the meeting to remind and invite all PCA members to sign up for the 1st Annual Club Ferdinand/Crown Point Fall "Leaf Change" Concours Charity Event on October 19, **Vic Harilee** passed along the results of the Bookmarks People's Choice Shine and Show held on September 13 and **Stan Simm** discussed details of the Grand Concours de Elegance being held at Grandover Resort on October 3-5. Door prize winners for the evening were **Mary Jo Wilson** and **Allan Pickett**. **Sadie** set up a table with Carolina Region Goodie Store items that was frequently visited before and after the meeting. After dinner, folks visited for a while then some moved outside to the parking lot to check out the few Porsches that were on site in spite of the bad weather.

PAST EVENTS:

CROWN POINT-CLUB FERDINAND DRIVE:

Saturday, August 23-The Triad Area ended up with 10 cars that made the drive up to Mast Farm Inn in Valle Crucis, hooked up with other PCA members from other areas, then caravanned to Crown Point. When we arrived, we were greeted by **Scott Roberts**, along with the Crown Point staff, treated to a visit to the deluxe port-a-potties and a sit-down BBQ lunch. Afterwards **Scott** and staff entertained the group with Porsche trivia and **Scott** knew the answers first. Later we drove to different locations within the complex and joined in on fun events

such as "Hitting golf balls into the basement", "Rolling golf balls down the hill" and the "Golf Cart Autocross." After those events, we gathered in the park area where winners of the events were given awards while we all enjoyed a variety of homemade deserts and coffee. A special prize, two tickets to the Petit Lemans, topped off the day and they were won by **Donna Harbour**. It was a good drive, beautiful scenery through the back roads, and everyone enjoyed the day. Thanks again to everyone from Club Ferdinand and Crown Point for inviting us and for hosting a great event.

AUTOFAIR-LOWES MOTOR SPEEDWAY: Sunday, September 7-**Mike Jones** and **Mike Rich** of the Metro-lina Area hosted the Porsche People's Choice event at Lowes. They had 60 + cars show up from all over the Carolinas Region. There were several folks in attendance from the Triad area including **Bill and Dianne**

White, Vince and Blanche Gallo, Ron and Tanya Reed, Bob and Jeanne Swoger, Robert Van Camp, Rich Lambeth and Sadie and Jerry Kilcrease. **Ron Reed** won 1st place in his division with his Boxster. Congratulations **Ron!** The next Autofair will be in the Spring so keep your eyes on the calendar section in Tobacco Roads for the date.

BOOKMARKS SHINE AND SHOW-Saturday, September 13-Bethabara Park, Winston-Salem. There were 16 Porsches and one early Alfa Romeo (**Kevin Harper** visiting from Corsa Rossa Italian Sports Car Club) on hand for the event. **Vic Harilee** did a great job as Chairman of the Shine and Show event and everyone

enjoyed visiting with **Michael Keyser**, author of [A French Kiss With Death and Speed Merchants](#). At the end of the day, Michael visited our location, signed autographs, shared some stories from his racing days, and then handed out the awards to the winners of the People's Choice. 1st place went to **Patricia Nicks** (1963 356B), 2nd place to **Jerry and Sadie Kilcrease** (1964 356C) and 3rd to **Dale**

Hewitt (1965 356C). **Doug Herbert's** top fuel dragster (8,000 horsepower, that is correct, eight thousand horsepower - WOW) was on display as part of the event. There were a lot of very nice Porsches at the event but the voters seemed to like the older cars as the winners were all 356s. If you missed this event this time, hopefully **Vic Harllee** will do it again next year.

Carolinas Region Canine Takes Top Honors in Porsche Parade Art Show

If you think the Carolinas Region is going to the dogs, you're right! The photo of Angus, a nine year old Airedale Terrier took the top spot in the Pets Love Porsche Too category of the art show held during Parade week.

The photo, entitled "Angus Preps for Parade," beat out several competitors, and was the third highest vote-getter amongst Parade participants who stopped in to see the various pieces of art, and cast their ballot.

Angus is owned by region member Catherine Bonfiglio, who reports that Angus can be found frequently checking out the engine and body work being done in the Bonfiglio garage; always at the ready to jump in and test out the ride.

Upstate Area Report Jim Horner, Area Director

Hello from the Upstate!

The Upstate Area enjoyed another good turnout at the September meeting at The Italian Market and Grill with 43 people in attendance. There were no recent event photos to share, so the meeting was short, and we all had more time to socialize – nice!

For the benefit of newer members, **Gene Kendrick** gave an overview of how DE events run. About a dozen local members are making plans for the October 4 DE at Carolina Motorsports Park, including two first-timers – **Alex Galloway** and **Andy Shoun** (if he gets his car put back together!)

The calendar is getting busier as end-of-year activities start up. Important dates to remember in the Upstate are Euro Auto Fest at BMW in Spartanburg on October 18 and our Holiday party at the Horner's house on December 16.

Registration for VIR is open!

Around the time this edition hits the stands, we'll be in the midst of our October 4^h & 5^h event at Carolina Motorsports Park in Kershaw. The fall CMP date is always a great event with great weather for a weekend at the track. It looks like the event will be close to a sellout again with over 100 registered.

We've got 2 great events coming up in November. First is the PCA Club Race at CMP over Oct 31-Nov 2. The weekend is always a great event in and of itself. Come out and see the big rigs loaded up for the sprint races on Saturday and enduros on Sunday. When the racers are off track, we'll have a solo only DE group on track on Saturday and Sunday. There's plenty of track time for the DE group in between practice sessions for the racers. Join us for the DE as well as the vendors, car show and just a great Porsche weekend. Registration is open and space is available.

And a short 3 weeks later, we'll be returning to **VIR** over November 21st-23rd. That's the week **before** Thanksgiving, instead of our usual first weekend in December. Yes, it's November, but we've had great driving weather for our VIR dates. Registration for VIR is **open** and taken online. We'll have a solo day on Friday, with student groups joining the schedule for Saturday and Sunday. Event fees for Saturday/Sunday are \$285 for PCA members, \$350 for non-members. Friday is available as an add on for \$150. Also on Saturday, Nov 22nd will be the **AUTOCROSS** season finale on the VIR Patriot course. With the elevation changes at VIR, this promises to be a good 2nd & 3rd gear autocross. And Saturday evening we'll all gather at the Pagoda for our now-annual year end party.

If you're curious about our Driver's Ed program but would like more information, we are considering scheduling another Winter Off-Track seminar in January. Please email Brian Powell at driversed@carolina.rr.com to indicate your interest. For more on any of these events contact Brian Powell at driversed@carolina.rr.com.

Trangle Area Report

Martin Salas, Area Director

We had our monthly meeting on September 18 since I was unavailable for our regular, monthly meeting date. We have selected a new location to hold our meetings. The new place is

Manchesters Grill
2121 T.W. Alexander Drive
Morrisville, NC 27560
919.596.6000
<http://manchestersgrill.com/>

Manchesters is in the shopping center located at the Alexander Drive and Page Road intersection, near both RTP and Briar Creek areas. Our next meeting will be at our regular scheduled second Thursday of the month.

At the meeting, Peter and I discussed our recent visit to the Porsche Factory in Stuttgart, Germany and my visit to the Nurburgring. More on that in the next Tobacco Roads.

We are planning our Beach Run for the weekend of October 4 and 5. This year we are trying to see if we can have a stop at the Fountain Boat Factory (www.fountainpower.com) which is on the way to Beaufort, NC.

Fountain Powerboats makes some of the fastest boats in the world and they hold several world speed records. We are trying to negotiate a factory tour followed by perhaps some rides on their speed boats. However, we may need a good number of people attending. At this point we have been unable to get an answer from Fountain but if we can negotiate a visit to the boat factory, the plan will be to leave the Raleigh at a time that will put us at the factory on time. So, we may end up driving the fastest route.

After the visit, depending on time spent at the factory, we will either drive to Beaufort for lunch or find another location. As in previous years, our plan is to allow for people who wish to have a one-day trip to return to the Raleigh/Durham area anytime in the evening. As he did last year, Joe Warner has graciously offered his home to have some refreshments before dinner. For people staying for Sunday, the plan is to find accommodations in Beaufort and visit the NC Aquarium Sunday morning with a drive to King's BBQ in Kinston for lunch.

Some of us are also planning to go to the Autocross and Oktoberfest being held by the Triad Area and Foreign Cars Italia on October 11. Registration for both is now open and the plan is to leave the Raleigh/Durham area around 7:45AM to be on time for registration and tech inspection. Last year some participated in the "Shine and Show" concours so you do not have to go to the Autocross if you wish to come.

The Saturday meeting organized by Bob Kim at the Wake Zone in Apex is becoming very popular. This Saturday we had about a dozen Porsches with eight of us driving around Jordan Lake. The weather was great and there was minimum traffic so we all had a great ride. For more information and pictures, check Bob's forum in Rennlist at (<http://forums.rennlist.com/rennforums/showthread.php?p=5811241#poststop>).

Lastly, some of us came to Leith Porsche's launch of the new 2009 line on September 20. The party was held at Mura Japanese restaurant in the North Hills mall. They had quite a collection of cars and not only Porsches but also Audis and Jaguars. There was free food, wine, beer, and door prizes. John Alvi, one of the club members, started working at Leith a couple of weeks ago and was helping host the event.

RACING AND RAMBLING

Rock Webb, Sun Fun Area Director

We have some outstanding PCA races coming up: Daytona, CMP and Roebing Road. CMP is really going to be fun with the new faster layout. The spectator racing has been good with F 1 having 4 different manufacturers vying for the title. Porsches are doing good in the LeMans and Grand Am series.

I recently attended the Indy Moto GP Race with some eight of my fellow motorcycle buddies and witnessed some spectacular riding. It was wet much of the weekend and until you see Valentino Rossi lay it over in the rain at 100 MPH ----well! The drive back was interesting with hurricane Ike providing 60 - 80 mph cross winds on the interstate from Indianapolis to Cincinnati. We finally made it home around 3:00 am Monday.
