Regional Questionnaire Results and the Club Race Tango

I want to thank all of the Carolinas Region Members that took the time to fill out the Regional Questionnaire (355 in total). That represents approximately 25% of the members that receive my direct emails, which is a good hit rate although we are hoping for a better percentage next year. The information provided will allow your Board and your Area Directors to better understand what you, the members, really want and need out of your Club and your Region.

I am planning on doing a full analysis of the data and providing that in TR next month but I wanted to share with you some of the major takeaways of the Questionnaire, which are:

1) 91% of you felt that PCA has met your expectations. Although we should be very pleased with that number there is still room for improvement.

2) A large majority of you want the option of Area Meetings on the weekends (not so much on Fridays though) as well as during the week since not everyone has the same schedules.

3) There is a strong interest in having more Tech Sessions at Local Shops and Dealerships.

4) Many of you want more casual social gatherings like the monthly 'Cars & Coffee' event at NorthLake Mall in Charlotte.

Some of the verbatims were very interesting. Such as to the question 'If you have not attended any Area Meetings in the past 12 months, why?'. One response was that the meeting was always held in the same location ... followed by one that said that the meeting moved too much and that it should always be in the same place. From the information that I have just given you, you can see that everyone has a different opinion and we are facing challenges in trying to accommodate everyone.

In a similar vein several people suggested

that we move events (like PorscheFest and Fall Tour) around the Region. While on the surface that may seem logical and easy but in reality you have a lot of factors to consider. First of all does the venue fit the event? Fall Tour in the mountains works but having it in say Charlotte or Durham ... not so much. But the main factor that dictates where an event is held is who is running the event. As an organizer you have to have a dedicated committee that will put many hours into organizing an event like PorscheFest. The decision usually comes down to who wants to run the event and then they decide where they want to have it. PorscheFest has been held in Charlotte, Greenville and now Asheville. All of those locations have been chosen by the groups running the event. It would be impossible to say we are going to have an event in a specific area without having advocates in that location.

One of the things that perplexed me in the Questionnaire were comments some individuals made about not feeling welcome at meetings and events. While long time members do tend to hang out with their friends, as most people do, I have never been to an Carolinas Region gathering where people have been intentionally excluded ... new members or old members. I am hoping that this is more of a perception thing than anything else. One of the things that has been implemented at most Area Meetings as part of the normal 'business' portion of the meeting is the recognition and introduction of new members and/or members that have not attended meetings in a while. We usually ask for names, where they are from originally and what kind of car you have. This is usually a great icebreaker.

What I think happens at larger events, say AutoFair, is that new members coming to the event expect people to immediately recognize them as being 'new'. Unfortunately with around 2,500+ members, family and affiliates it is hard to know who is new and who is not. So if you are attending an event for the first time you may want to take the initiative to tell the people that are running the event that you are new and they will be happy to introduce you to some other members to get the ball rolling.

Onto the Club Race ...

As most of you know by now our annual Club Race has been cancelled for 2009. This cancellation was very disappointing to the Board and to me personally. The decision was not taken lightly as this decision not only impacted Club Racers, inside and outside our Region, but it also affected many of our Sponsors that support those racers.

There were a couple of serious attempts to salvage the race by some of our local Club Racers. We worked closely with Bruce Boeder, PCA National Club Race Chair, in conjunction with those efforts.

However, after being looked at by two previous Club Race Chairs it was decided that due to the time constraints in place the quality of the event would suffer. At the end of the day it was not worth forcing the issue and end up with a mediocre showing.

On a positive note we are in the process of putting together a new Club Race Committee and are moving forward with plans to have the Club Race on the Calendar for 2010. If you are interested in assisting with those efforts let me know.

As always if you have any ideas, comments or feedback please feel free to contact me at president@carolinas-pca.com or (704) 906-0343.

Hickory Area Report Vincent & Vallie Piccirelli Area Directors

The Hickory Area has been hard at work on the FALL TOUR and I believe it will be a great experience for all who are able to go. We will ride the Blue Ridge Parkway at it's highest elevation and have a photo op there (devil's court house).

The Rooms are beginning to fill for the Brass Town Inn and FALL will be here before you know it. Please see the TR registration form. Our local meeting had about 22 in attendance and Jay made a presentation of photos from the new Porsche Museum. We really had a good time sharing stories & reviewing things to do. Several are going to Crown Point on the 22nd.

Although I did not make it for the In De Bergen, I was there on my motorcycle.

They were giving the sport bikers a run for their money. I did approach 2 PCA'ers, at entrance for Tail of the Dragon, and told them to leave, that we (bikers) did not like their kind around here. I then proceeded to inform them that I was simply conflicted as I really wanted to be there with my Boxster, and that I was the AD for the Hickory Area, thereby avoiding physical confrontation. Anyway, I told a few about the FALL TOUR and we parted company without incident.

The swap meet was a lot of fun as well, great people, good food, and lots of race cars at Speedwerks.

Upcoming local events include a breakfast get together and a tech session (dates to be set). For those who are needing a 60K Boxster service I am planning a DIY session.

Also we hope to do a visit to Black Forrest racing and possible a tech session there. Our next meeting is September 8th at the Flat Rock Grill 1340 US Highway 321 NW, Hickory. Our Thanks to the management for making special parking signs and area for us, it was too bad it rained.

Metrolina Area Report Steven Zakely Area Director

We must be in the middle of the summer doldrums. I'm racking my brain to come up with anything substantive to write on but keep coming up empty. Guess I should leave well enough alone- call it a day and take a drive in my 928. Before I grab the keys and rush off let me extend a hardy thank you to all the diehard Porsche owners that showed up at Salsaritas, Sunday August 16th for the first gearhead gathering on the southside of town. Several people had to navigate torrential downpours on their way to the meeting. Thankfully, however, Mother Nature was kind enough to put the rain on hold once cars began to gather at the restaurant. Approximately twenty cars braved the weather and enjoyed a hearty burrito or two. Be on the lookout for similar events in the near future.

Upcoming Events:

September 5th- Cars and Coffee at Panera Bread, Northlake Mall (9-11:00am). Get there early as parking fills up quickly.

September 13th- Lowes Motor Speedway Food Lion Autofair

September 20th - PCA Autocross sponsored by the Metrolina Area.

Where:

Metrolina Tradeshaw Expo,
7100 Statesville Road, Charlotte NC 28269
Time: 9:00AM – 4:00PM

September 26th- "Eat and Run Rally"

Where:

Maggianos, Southpark Mall
4400 Sharon Rd., Charlotte NC 28211
Time: Breakfast at 8:30am

Details: We will meet for breakfast at Maggiano's and depart from there on a leisurely drive through south Charlotte and parts of South Carolina. Estimated ride time: 1 1/2- 2 hrs.

Events in the Works:

- * New member orientation
- * Murder Mystery Dinner Theatre
- * Tech 101 at Black Forest Racing USA
- * Panamera unveiling event

As a reminder, due to our rotating schedule

we will be meeting at Hickory Tavern on September 17th. The food is good, the beer is cheap and the room is large enough to accommodate everyone comfortably. We even have the ability to run slideshows with their extensive audio/video equipment. Hope to see everyone there!! Drive safely and enjoy the rest of the summer.

Upstate Area Report Jim Horner Area Director

The conversations were in full swing when the glass was tapped – and tapped again – to bring the August meeting of the Upstate Area to order. The business portion of the meeting was short this month, so we could all get back to what we enjoy the most – talking and visiting with our Porsche friends.

Paul Lueskow shared his experience at the "in den Bergen" (in the Mountains) event at the Waynesville Inn, Golf Resort and Spa that he attended in July. **He and John and Martha Babinski** shared photos of the event that was put on by the Mountain Area. The setting, the scenery, the cars – all were beautiful! **Paul** said it was a first-class event at a wonderful facility, and he's already thinking of signing up for next year.

Brick City Grille was under new ownership for our July meeting, and there were some problems with our food orders, checks, etc. that night. The new owners were very apologetic, and went to great lengths to improve the situation for our August meeting, with much success. We had three servers, checks were correct and delivered promptly, they had a special price on rib eye steaks for our group, and everyone was through at a reasonable hour. The situation this month was MUCH better!

The region is seeking sponsors for our activities, and we were asked to give some thought to who might be likely candidates. There will be more information coming from the region in the future on a formalized program to recognize those who make a commitment to donate.

The monthly raffle added \$95 to our previous amount of \$690 for a total of \$785 for the year so far. A big "thank you" to our generous members, who made a few surprise donations that night and continue to buy raffle tickets. What a great group!

Porsche cars “in den Bergen” of Western North Carolina 7/24-26 – A Great Success!

The first annual Porsche “in den Bergen” of WNC was held at the Waynesville Inn, Golf Resort and Spa on 7/24-26, 2009. According to feedback received from attendees, all had a great time and plan to return to the event next year.

According to Ron Becker, event organizer and Mountain Area Carolinas Region PCA member, a total of 45 Porsche cars were in attendance with 35 participating in the Peoples’ Choice Concours. In addition to PCA members attending and casting ballots, there were 400+/- members of the general public also voting for their favorite Porsche at the event. The First Place trophy went to Bob Lawrence for his beautiful 1984 911 wide body Carrera. Jim Peterson’s 1972 911 S finished in second place. Bob and Jim are members of the Mountain Area. Participating cars were organized and displayed on the first hole of the golf course which is surrounded by the mountains of WNC – the venue was truly beautiful and so was the weather.

Specialty cars on display included a TRG Koni Challenge Porsche #39 with its driver Duncan Ende and the 2008 Targa Newfoundland 911 winner, presented by German Motor Werks. Deal MotorCars of Asheville supplied a new 2009 Porsche 911

C4S for the event. Also representing TRG was Martin Steger, Director of Club Racing. Martin conducted an Adobe Road wine tasting event on Saturday afternoon in addition to mingling with attendees and sharing Porsche stories and memories.

Four self-guided tours were available for registrants on Saturday after the Concours or on Sunday morning. The Tail of the Dragon tour proved very popular as did the Blue Ridge Parkway loop.

Sadie and Jerry Kilcrease were in attendance and the Goodie Store did brisk business at the event. Sadie said she has never had such a beautiful spot to display the Goodie Store items and looks forward to returning next year.

Two of the sponsors for the event were Michelin and Pirelli Tire companies. Each provided certificates for a set of tires. Delores Lassiter won the Michelin certificate awarded by Kip Newton, Technical Marketing Manager, Michelin North America. Randy Pidd won the set of Pirelli tires. Kip Newton also provided a tire tech talk after lunch and conducted a day long question and answer dialogue with PCA members regarding tires in ultra high performance applications.

The gimmick putting contest was popular with awards going to three winners. First place was taken by Larry Lassiter; second

place was Brian Sutton and third was a tie between Jerry Kilcrease and Don Therien. The awards consisted of golf balls, shirts and golf towels. The Long Distance Award went to Lloyd “Buck” Buchanan. Buck traveled from Kabul, Afghanistan and entered his beautiful Raspberry (NOT PINK) 1993 Porsche America Roadster. Buck is retired from the Army and was home on a short leave from his duties as advisor to the Afghan military.

A portion of the ticket proceeds from the event was dedicated to SARGE’S Animal Rescue Foundation in Waynesville. Their mission is to save healthy, adoptable animals at the Haywood County Animal Control Facility.

The key turns, the heart starts. The new 911.

PORSCHE

Mountain Area Report Jim Peterson Area Director

Mike McMahan led a group of 14 cars and 20 people on a drive and dine on Saturday August 1st. The weather and the route were both great and traffic was light. We traveled through downtown Asheville and then on through the Black Mountain and Old Fort areas via some great back roads. Mike threw in an interesting local history lesson about sights along the route and coordinated lunch at a café in Old Fort. Thanks Mike!

September 5th will be our next drive and dine. Glenn Young will lead the group this time – first it's lunch at Haus Heidelberg in Hendersonville and then a trip down and up the escarpment that marks the NC/SC border. We will meet at Deal MotorCars in Asheville at 11 am on the 5th for this event.

Broadus Brannon gets credit for leading our October 3rd drive and dine. Pack your lunch for this one – Broadus has a great site selected for lunch – on an island in a lake! We'll tour through Marion, Celo and Little Switzerland areas on great roads including some that may be new to many of you. Bring your lunch and the Club will provide beverages (water, soft drinks, etc.) We will meet at Deal MotorCars at 10 am on Saturday the 3rd for this event.

These drive and dine events are low key fun and a great way to meet other Club members and tour our wonderful WNC roads. Please bring your spouse and/or friend along for these events (also note that they are welcome to attend any/all of our monthly meetings as well.)

Please note our new monthly meeting time will be at 10 am beginning with our October 3, 2009 meeting. We will meet at Deal MotorCars in Asheville unless noted otherwise. We are also planning some tech sessions for the fall and winter months. Stay tuned for more details on upcoming sessions focused on high performance tires, auto paint, and body and periodic minor maintenance. Rumor has it there may also be a chassis dyno demo session in the near future as well.

Don't forget to consult the Calendar in this issue of Tobacco Roads for other events throughout the Region.

I look forward to seeing you at a future event.

Sun Fun Area Report Rock Webb Area Director

Great turn out guys at the Dockside on Lake Murray. We have not seen 30 folks at a meeting this summer. We liked it so much that we voted to have our next meeting on September 15 at Dockside again. "The seafood is great". Also put on your calendar a drive to Sur Elles Restaurant in Prosperity on Saturday August 29. We will meet in the Greens Liquors parking lot off Piney Grove Road at 4:00. Karl Sease will lead us on a back roads trek to Prosperity for dinner.

If you can't make the drive meet us there around 6:00. Our October meeting will be at Doc's Garage, more information later. November we may visit a great car collection, in the Columbia area. Valerie has picked a great place for our Christmas Party on December 15, so put it on your calendar.

RSVP for Sur Elles dinner.

Racing and Rambling

Kathy and I had a great trip to Salt Lake City last week. We spent Sunday at the Salt Flats watching the various cars and bikes making their runs. Pretty wild,

Lots of people and old Lakesters there. I am fired up to run Bonneville but will have to settle for Maxton in September or October. Since we are not running CMP how about a 911 shoot out? Bill, Dick, John, Jme, Doug, Wd, etc. you guys interested in a 911 shoot out??

We spent the rest of the week in Jackson Hole, The Tetons, Yellowstone, and Idaho – awesome scenery and roads!

Sandhills Area Report Marty Barrett Area Director

Last September Jim Ball and Larry Lassiter talked with me about setting up a dinner meeting for Porsche people in the vicinity of Pinehurst, Southern Pines, Aberdeen, Seven Lakes and Troy. We had noticed a number of Porsches on the road, but we did not see these people/cars at PCA events. A list of PCA member's names in these zip codes was developed and we sent out an email. Larry, Jim and I estimated we would get a dozen people to join us for dinner. We decided to meet every other month on the forth Tuesday in Seven Lakes at the Italian Table restaurant. At our first meeting in November we had twenty-two and we have had as many as thirty come out. At our meeting on July 28 we had eighteen enthusiastic Porsche people! This group has taken the name Sandhills Area and the Carolinas Region board has given us provisional area status.

Other than our dinner meetings, we have taken a drive to VIR for the Gold Cup Historic Races, and a few cars got together to drive The Dragon on the way to the Porsches in den Bergen event. More events are coming up: On the evening of August 29 we are being hosted by Steve Earwood at the Rockingham Dragstrip. Some will be spectators and others will burn some rubber at the tree!...or try! Of course, Steve Bracy and I, and maybe a few others, will be driving at the DE on October 3-4 at CMP. And, we will be joining the Triad area folks for Oktoberfest on October 10 in Greensboro at Foreign Cars Europa.

On October 17 a tour rally will be staged on the local Moore County roads. Rally master Chuck Mills, along with Carolyn Langston and Pam Veney, tell me that first car out time is 2:00 p.m. from Homewood Suites in Olmstead Village. There will be four check points, the drive will last approximately two hours, and if you successfully find your way to the end you will also discover some prizes and food! BYOB. Cost is \$30/car for Porsches and \$31 for other marques. We welcome all Carolinas Region members and guests/friends at all of our events!

Sandhills next dinner meeting is September 22 at 6:30 p.m. in Seven Lakes at the Italian Table.

From the fast lane.....!

Triangle Area Report
Martin Salas Area Director

Our monthly meeting is back at Manchester Grill on the second Thursday of the month. Five members attended this meeting where we discussed upcoming events as well as a couple of items discussed at the last Board meeting.

One of the items requested by the Board is to have an Autocross at each area in 2010. We are currently looking for potential places in

the Triangle area to hold an Autocross. If you think you can help, please send an e-mail to me at triangle-ad@carolinas-pca.com

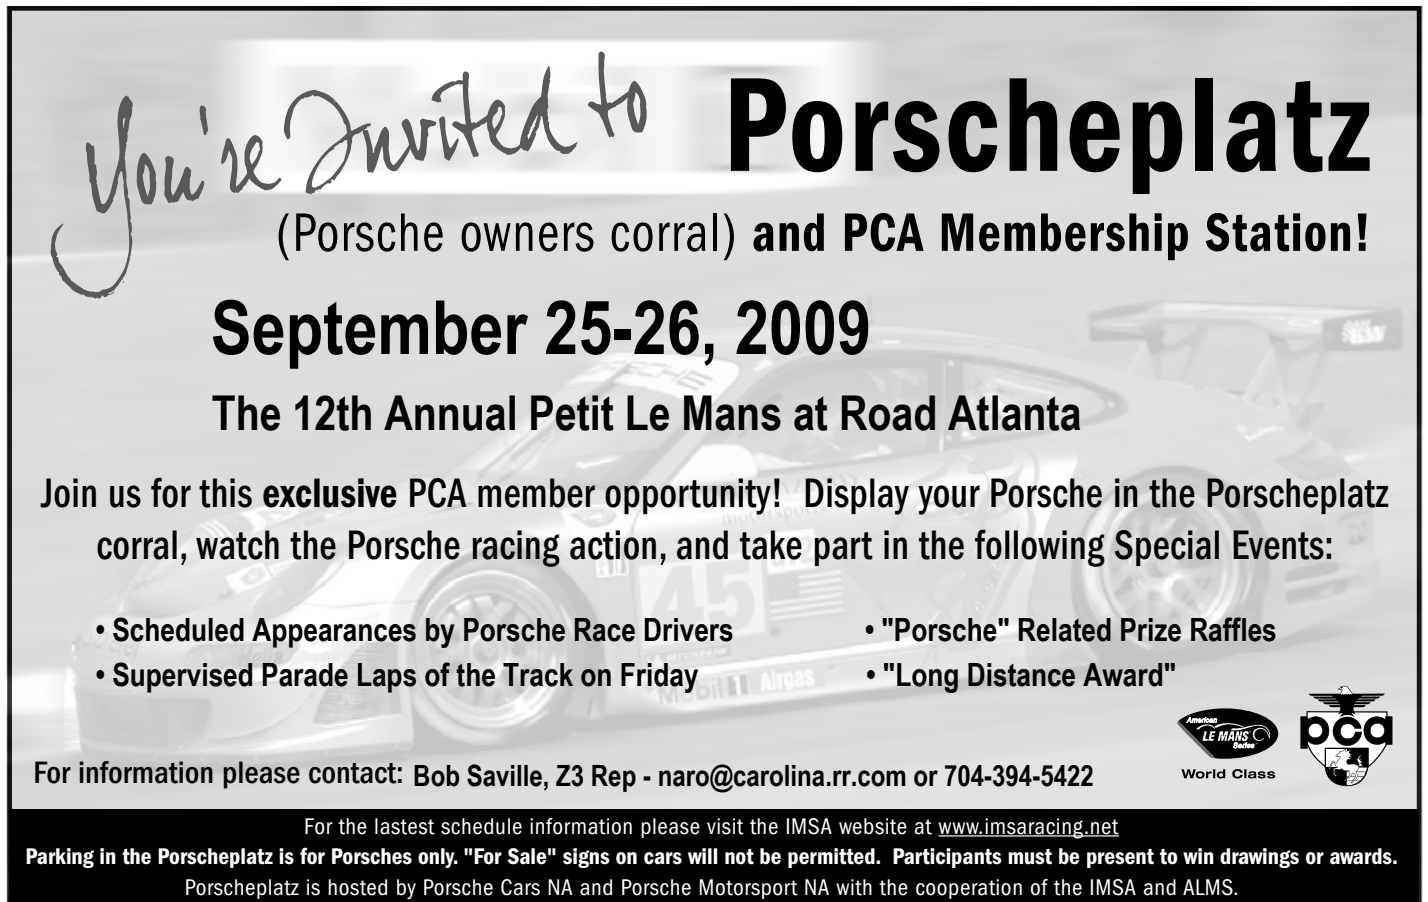

A couple of members attended the Swap Meet hosted by the Triad Area and shared their experience visiting Speedwerks and the great collection of Porsche sport cars housed there.

Bill Detelich also shared his experience on the work he is doing on a 914. He has worked on Porsches for many years and has his own

shop at home. Maybe there is an opportunity to visit his shop for a tech session.

In addition to the Tail of the Dragon IV event that weekend, we also discussed the possibility for a BBQ Run in the first weekend of September and a Beach Run for late September/October. I will be sending an e-mail invite for the BBQ Run a week before the event.

Our next club meeting will be on Thursday September 10.

Triad Area Report Jerry Kilcrease Area Director

The Triad Area's monthly meeting was held at Big Shotz Tavern in Clemmons on Tuesday, August 19, 2009, and we had 44 members and guests attending. We were particularly pleased to welcome new PCA member **Don Roof** and his wife **Ann** to our group. We also welcomed guests **Larry and Delores Lassiter** from the Sandhills Area; **Brian Powell** and his daughter, **Rachel**; and **Fred Bauman's** guest, the **Sneed** family. **Tommie Lauer** provided us with a slide show of photographs taken at the Kohler International Challenge at Road American, which included a lot of Porsches as well as other classic race cars. **Scott Roberts** was visiting the meeting and gave the group an update on the August 22nd "Cruise to the top" luncheon hosted by Club Ferdinand and Crown Point and, as always, **Sadie** was there with the Carolinas Region Goodie Store. We gave away a couple of door prizes and the lucky winners were **Bill White** and **Harvey Harbour**. After a short business meeting and dinner, folks continued to visit and quite a few of us gathered in the parking lot to look over the inventory of Porsches. Thanks to all that attended and I hope to see you again next month!

PAST EVENTS:

August 8th (Saturday) – Triad Area Annual Swap Meet – Hosted by Speedwerks

We started about 8am on Saturday morning and the last "swapper" left about 4pm. This was our best turn out ever for this event.

Our event Chairman, **Wayne Overman**, did a great job again this year. **Wayne** signed up 31 "swappers" that came by and set up to sell or trade their Porsche parts and other related items. We had people there from all over the region and during the course of the day, over 100 people cycled through the swap meet. **Speedwerks** also had a great collection of classic Porsche race cars on hand for all to enjoy. After a great lunch of grilled ribs and barbequed chicken, **David Brown** gave us a tour and briefly explained the racing history of each car. Our many thanks to **Andy McNeil** and **David Brown** of **Speedwerks** for hosting this annual swap meet and we all look forward to an even larger event next year.

August 6th (Thursday) – GIP (Girls in Porsches) – Meeting Report

(Write up by Sadie) - We had a great turnout for our August 6 meeting in Clemmons. **Randi Weiss** from Marion joined us along with **Kathy Kiser** from Hickory. **Randi Weiss** won the "split the pot" drawing. Our next meeting is scheduled for Sept 3 at Mimi's at Friendly Center in Greensboro. We will meet at 9:30 for Brunch, check out the shops at Friendly and end the day with an Ice Cream Treat. Mark your calendar and Join us for Fun, Food and Fellowship. Please email me at sadiek@triad.rr.com if you plan to attend so that we can make reservations. Hope to see you there.

UP COMING TRIAD AREA EVENTS

September 12th (Saturday) – Porsche Corral at the American Children's Home Annual Charity Car Show in Lexington, NC- This

will be the Triad Area's major charity event for the year and is to be held in conjunction with the American Children's Home 11th Annual Show-off Car, Truck and Motorcycle Show. All entry fees will be donated to the American Children's Home and the Carolinas Region will match it (up to \$500) so please make plans to shine up your Porsche and come by and join us for this very worthy cause. There will be food and other activities and 1st, 2nd, and 3rd place trophies will be awarded. **SpeedWerks** of Thomasville will be bringing several special 'Marquis' Porsches that will take center stage in the corral. Registration form with event details is located on page 14.

October 10th (Saturday)-Oktoberfest at Foreign Cars Porsche in Greensboro- People's choice "Shine and Show" Event and the Carolinas Region Autocross Series Event #5

- This annual multi-event will be hosted again this year by Foreign Cars Porsche at their facility located at 5603 Roanne Way, Greensboro, NC. Foreign Cars Porsche will host a people's choice "Shine and Show Event" with all entries to be staged in front of the Porsche Showroom (see page 16 for details and registration information). Simultaneously, the Carolinas Region Autocross Series Event #5 will take place in the parking lot of the old Guilford Mills Plant located directly behind Foreign Cars Porsche (see page 18 for details and registration information). There will be other related activities going on during this time including a German style lunch free to all PCA members. So please sign up, bring the family and come join us for a fun filled day.

NEXT TRIAD AREA MONTHLY MEETING: TUESDAY, SEPTEMBER 15th, AT BIG SHOTZ TAVERN LOCATED IN CLEMMONS, NC.

Please come out and join us at our next monthly meeting. The meeting starts at 7:00pm. Here are directions to Big Shotz: If you are heading West on I-40, take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp, take a left back across Hwy 421; at second light take a right onto Styers Ferry Road and Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

POWER CONVERTER

GMP PERFORMANCE

"SPRINT BOOSTER MADE THE DRIVER INPUT TO THE THROTTLE APPROXIMATELY HALF A SECOND TO 1 SECOND QUICKER, ESSENTIALLY MAKING THE INSTANT ACCELERATION FEEL LIKE A LIGHTNING QUICK CABLE TO THROTTLE BODY SYSTEM..."

Most cars in the 21st century have replaced the more conventional throttle cable for an ECM (Electronic Control Module) that translates how hard the pedal is pushed into electronic signals in order to provide power to the wheels.

The ETC (Electronic Throttle Control), which is also known as Drive-By-Wire, has the unfortunate downside of delayed response and subdued acceleration, which can create problems in certain situations such as up-hill starts, quick gear changes and overtaking.

SPRINTBOOSTER OVERCOMES THIS DELAY IN THROTTLE RESPONSE BY PROVIDING CRISP, ON-TAP ACCELERATION WHENEVER THE DRIVER DEMANDS IT.
