On the Cover: Only a car as perfect as Mike Jones' Carrera could look this good so close.

From the Driver's Seat

Harvey Yancey, President

A Busy September and a Busier October...

Wow! It's hard to believe that September has already come and gone. And quite the month it has been for

Regional Activities. We held another successful Driver's Ed at CMP (thanks Marty, Brian, Nadine and all of the other dedicated people that it requires to put a DE on... especially the instructors), an Autocross at Knights Stadium in Fort Mill (thanks Autocross Committee!), a new event in Ballantyne Village called 'Cars & Cabernet' (thanks Dave Mather!) and a Board Meeting (thanks Doug!) held in Charlotte on September 18th.

On a side note, a big milestone for my family in September was the first birthday of our twins, Willow and Cooper. By happenstance they share the same birthday with Ferdinand Porsche. And no we did not induce to have them on that day... although some people have asked that very question.

October will be even busier month for the Club.

Starting off on the first weekend Oct 1st-2nd, PCNA will host Porscheplatz at Petite LeMans. The Porscheplatz consists of a Car Corral (you must have

The two memories that stand out were the 'brisk' drive next to an airfield and a disagreement about whether a TV was going to be set on the SPEED Channel for F1 Qualifying or tuned to the Kentucky Derby.

your Porsche), a Tent and Amenities and lots of other activities. Also the location of Porscheplatz overlooks the chicane before the bridge. Incredible spectating

area. If you have never gone to Road Atlanta it is a treat. I highly recommend attending. Call 800-849-7223 or 770-967-6143 to order tickets or go to: http://www.roadatlanta.com/ev_petit_tix.lasso

The weekend following Petite LeMans is the Annual Carolinas Region Fall Tour. This year the Tour will be heading to Charleston. Several years ago we had another Tour that had Charleston as a destination and that one still has strong memories for me. The two memories that stand out were the 'brisk' drive next to an airfield and a disagreement about whether a TV was going to be set on the SPEED Channel for F1 Qualifying or tuned to the Kentucky Derby. Luckily a compromise was found.

On October 16th the Euro Auto Festival will be held in Greer, SC. While this is not an official PCA event, we take pride in the fact that we usually have more Porsches than BMW's at the event. Details can be found at www.euroautofestival.com. Then Foreign Cars Italia will host their annual Oktoberfest on October 23 in Greensboro.

For all you track junkies we have October 29th-31st. Yes, after a one year hiatus the Carolinas Challenge Club Race is back on the calendar. And as a bonus we will also have a solo only Driver's Ed on Saturday and Sunday. Nadine Saville and Brian Powell have put together a

very exciting event. Even if you are not participating as a driver or crew I highly recommend attending as a spectator. If you think NASCAR or F1 is intense, wait

Above: Drivers await their next session on track at the CMP Driver's Ed. Below: The new Cars & Cabernet event at Ballantyne Village.

until your fellow PCA Club Racers go at it. Spectacular stuff.

Looking forward towards December, we have combined our Annual Holiday Party with our 50th Anniversary Celebration (see page 14 for details). That event will be held in Greensboro on the weekend of December 4th. The banquet will be at the Clarion Saturday night.

That's it for this month! As always if you have any ideas, comments or feedback please feel free to contact me at president@carolinas-pca.com or (704) 906-0343.

- Harvey

Fall 2010

Food Lion AutoFair

Written by Mike Jones, photos by Tom Morgan

60 Porsches gathered at Charlotte Motor Speedway on Sunday, August 29th to participate in the Fall edition of the Food Lion AutoFair. We parked on the grass and although it was more scenic than our Spring site we would have enjoyed the shade. Everyone enjoyed a lovely, warm day full of beautiful Porsches. Our entries ranged from a 1956 356 Speedster to a 2010 Boxster RS. Hendrick Porsche provided a 2011 Cayenne Turbo for our group to enjoy. Many thanks to Hendrick Porsche and Stan Pendergraft. Gary Hibler also shared his 2011 Mercedes-Benz SLS AMG "Gull Wing" with our group. Although not eligible for a trophy, it was clearly the "People's Choice". Trophies were awarded in 8 categories and to the Best of Show.

Congratulations to all of the winners and thank you to everyone for sharing your beautiful cars. Mark your calendar for Sunday, April 10th for the 2011 Spring show and Sunday, August 28th for the 2011 Fall show. Check Tobacco Roads or www.carolinas-pca.com for info or contact Mike Jones or Mike Rich at concours@carolinas-pca.com.

Driver's Education Report Text by Brian Powell, Photos by Ron Reed

We held our Fall DE at Carolina Motorsports Park over September 11th and 12th. 98 drivers attended the event on the 2 & 1/4 mile, 14 turn track in Kershaw, SC. Linda and Clark from Apex Performance were there once again in support of the event. We have really enjoyed their support of the DE program this year. A few mechanical issues like blown head gaskets, blown transmissions or a bent control arm could prevent everyone from enjoying the weekend, if not for Apex. Well, at least til Monday. Shane Tisdale was shaking down the Key Lime Jetta which he and his team will campaign in the September LeMons race at CMP to benefit Shiners Hospital. The Jetta was quite complete; I understand it will race with a full Fez. And from the crowd at the goodie store on Saturday evening, I wasn't sure if I was in the Sand Hills of South Carolina or Napa Valley when Sadie broke out the wine and cheese. I wonder if that helped her sales?

Upcoming 1) Registration is open for the Drivers Ed event being held in conjunction with the PCA Club Race at CMP on October 30 & 31. This will be a single DE group scheduled around the race activities. The DE group typically gets loads of track time over the weekend. Plus you get to hang out with the Cup cars and the big haulers. It's a great atmosphere to start with and if you add a bit of Halloween fun, there's no telling the ghosts and ghouls that might be at the track.

Upcoming 2) Registration is also open for our return to VIR Full course on November 19-21. This is always a great event to cap off the DE activities for the year. Once again, our regular format event will be held Saturday/Sunday with Friday being a solo only day. Registration is online and is \$285 for PCA members, \$350 for non-members. We had 40 register on the first day alone!

Change in helmet requirements for 2011 - I'm shopping for a new helmet or perhaps I'll find one under the Christmas tree, but everyone should be aware of the upcoming changes to the helmet requirements. There are no changes for the remaining 2010 events. But beginning with our 2011 events, we will no longer accept SA2000 helmets. PCA requires helmets meet either the current standard or one previous version. Snell just released their 2010 SA helmet standard which now outdates the SA2000 certification for PCA DE events. There are significant updates to the SA2010 standard and manufacturers are beginning to ramp up production. For those who have to replace a SA2000 helmet, SA2010 helmets should be widely available around year's end. Unless there are significant issues with helmets coming to market, **SA2000 and M2000 helmets will NOT be accepted for our Drivers Education events in 2011.** SA2005 certified helmets will

continue to be accepted until 2015. Vendors may be offering closeout pricing on remaining SA2005 stock. If you are looking at helmets and will be purchasing soon, consider the lifespan of each standard.

Do not confuse the SA standard with the M2010 standard. M rated helmets are designed for motorcycles and are not accepted for Carolinas Region DE events.

For more on any of these events contact Brian Powell at driversed@carolinas-pca.com (704-260-0716) or Nadine Saville at clubrace@carolinas-pca.com.

50th Anniversary Tour

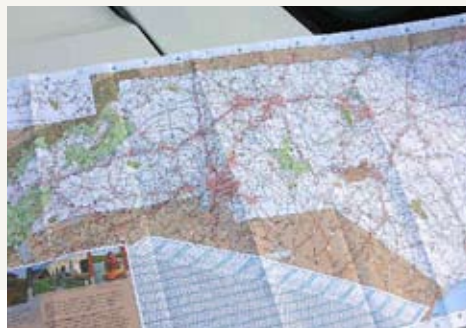

August 21st and 22nd saw a large group of our club's members take part in a region-wide tour traveling through both North and South Carolina to celebrate the 50th Anniversary of the Carolinas Region PCA. Starting in Cary, North Carolina, day one's route made stops at the Rockingham Drag Strip, Mac's Speed shop in Charlotte, and finished up visiting Gary Pennington's beautiful race shop and car collection in Columbia, South Carolina.

Day two made it's first stop at the Greenville, SC race shop of Bob Humphreys and Joe Hooker with cars caravanning on to lunch at Curras in Asheville. Hickory Area Co-Directors Vincent and Vallie Piccirelli hosted a water break at their house in Conover for the drivers as they made their way to the finish line and banquet Sunday evening at Foreign Cars Italia in Greensboro.

The route was set up in multiple legs to cover each of the Region's eight areas. This allowed drivers to participate in as little or as much of the route as the wished.

A special thanks to Sandy Shirley for coordinating this huge event, and to John Meek, Marty Barrett, Harvey Yancey and Walter Dennis among others who helped put together the routes, lead caravans and arrange the stops along the way that made this a successful weekend.

Cars & Cabernet

On a beautiful Saturday afternoon, the inaugural “Cars & Cabernet” event was held in Ballantyne Village.

There were around 10 Porsches of different models, 1 Lamborghini Murcielago (including two very pretty young ladies) and the “car of the show,” Gary Hibler’s brand new Gull wing Mercedes, all of which enticed a good crowd through the early afternoon.

Terry Miller, owner of The D’vine Wine Café in Ballantyne Village was there offering free wine tasting and an array of snacks for all.

For a first event, I thought we had a fair number of cars, unfortunately there were no Ferraris this time, but I certainly hope we can entice them to join us at the next one.

Many thanks to Ballantyne Village, especially Renee Trudeau for allowing us to host this event and to Terry Miller for supplying the wine and appetizers.

LADY TAKES ALL. AGAIN!

The Carolinas Region hosted its 3rd Autocross of the 2010 season at Charlotte Knights Stadium. Once again it was "LADY TAKES ALL", on this beautiful Carolina Sunday afternoon. Proving her last overall win back in April was no fluke, Cari Steinbrueck again took first place in her class with the fastest time, as well as receiving the overall fastest time of the day of all competitors (both men and women). In a male dominated sport, Cari is clearly proving that women can compete head-to-head with the men, and even BEAT them. Congratulations, Cari! Hopefully this will help increase female participation at upcoming Autocross events.

Metrolina Area By Don Morris

September started off with a bang with Cars and Coffee at North Lake Mall Saturday Morning Sept 4 followed at noon with a Cars and Cabernet at a wine shop in Ballantyne. It was a little hot to be sampling wines in the hot sun, but who's to complain. We are going to try this again when it's cooler.

We had a very nice Drivers Education event at Carolina Motor Sports Park in Kershaw, SC on September 11 and 12. The Goody Store was there in force. There were a few mechanical issues for a few folks, but it was a fun and safe weekend. This time I got there and back home with the new-to-me car hauler. There was the issue of having misplaced the Cayenne keys, so for a while it looked like we were going to have to hitch a ride home to get another key made. Word to the wise is have two keys. Another is to remember where you put them. Eventually I found the key, right where I left it, and we got home safely.

By the time you read this, we will have had our 3rd Autocross, with this one at Charlotte Knights Stadium in Fort Mill. Results will be posted in Tobacco Roads. Lunch is being provided by the Metrolina Region as a thank you to the folks who put on the event and those who attend.

October 9 will bring the Region Fall Tour hosted by the Hickory area. Hope you can join in the fun.

The Carolinas Region sponsored Club Race will be October 29-31 and volunteers are needed to help put on the event. Contact Nadine Saville at clubrace@carolinas-pca.com to volunteer.

Keep the sunny side up.

In spite of a rainy day, we had a turnout of 22 (including some new and visiting PCA members,) for a tech session at Stuttgart Motorwerks on 9/11. Pete Martin gave us a good overview of his background, capabilities and focus (Porsche cars maintenance and repair,) interspersed with an extended question and answer session. Fourteen of us followed with a true German lunch at Haus Heidelberg in Hendersonville. Thanks for hosting us Pete – and you were right, my 1972 911 S did not melt in the rain!

Scott and Sue Jordan have planned a drive and dine on some nice back roads leading to lunch at LaStradas overlooking Lake Lure for Saturday October 2. We will meet at Deal MotorCars at 10 a.m. on 10/2 for a brief business meeting and take off from there. Please plan to join the group. Spouses and friends are welcome and encouraged to attend.

Plans are in process by Beth and Al Aldecoa for a drive and dine on Saturday 11/6. Rumor has it we may have an extended outing to Pigeon Forge, TN including hitting some great roads and a visit to a car museum. Stay tuned for further details.

We are working on agendas for future meetings. Please contact me with your ideas, suggestions and areas of interest. Let me know if you have some favorite routes and restaurants and we can plan some drive and dines. Members are always interested in tech sessions as well. I am also in the hunt for a top notch detailer in the Asheville-Hendersonville area that is interested in addressing our group. Please let me know if you have a good source.

Sun Fun Area By Sandy Shirley

What a fantastic turn out we had at our September meeting. McDaniels Porsche was kind enough to host the meeting and provide us with dinner. We had around 45 people in attendance and everyone seemed to have a nice time mingling around the Porsche inventory, visiting with friends, and meeting Buddy Brown, the new sales manager and long time PCA member. Buddy will be hosting coffee the first Saturday of the month at the dealership so put those dates on your calendar. (See below)

If you find you are not receiving emails from me, please drop me a line and I will add you to my list. You can reach me at sunfun-ad@carolinas-pca.com Hope to see you at our October meeting.

Triad Area By Jerry Kilcrease

The Triad Area PCA held its regular monthly meeting at Big Shotz Tavern on September 21st and there was standing room only. We never know how many people will be attending but Tuesday evening we almost ran out of table space in the meeting room (which is a good thing!). We had 57 members and guests joining us along with our invited guest speakers, Scott Coley of the Joara Foundation and Jason Saarm, Christi Jones, Jan Woods and Becky Staggs, representing Hagerty Insurance. Scott Coley, our first speaker, is the organizer of the upcoming "Tour Joara" event out of Morganton, NC, and he gave us a short presentation on the event which is to raise funds for the Joara Foundation. Scott also showed us a short video related to the historical significance of Fort San Juan built in 1567 (for you history buffs, Fort San Juan pre-dates Jamestown and the Lost Colony). Our second presentation was from the representatives of Hagerty Insurance which provides special coverages for collectible and classic automobiles. After a very informative presentation and a question and answer session, the Hagerty group gave away an iPod as a door prize and Jim Walker was the lucky winner. We also welcomed our friends from Foreign Cars Porsche, Brett, Hank and Keith. It was a good meeting and everyone seemed to enjoy the opportunity to get together, visit, and share "Porsche" related stories. Thanks to all for attending and I hope to see you again next month.

Past events:

Sunday, August 29th – Auto Fair – Charlotte Motor Speedway – Mike Jones and Mike Rich did another great job of getting together PCA members from all over the Carolinas Region for this event. There were over 70 Porsches lined up on the infield and several Triad Area members had their cars on display including Bob Swoger and Sadie and Jerry Kilcrease. The next AutoFair is in the spring of 2011 so keep checking the calendar section to Tobacco Roads for the date.

Saturday/Sunday, September 11th/12th – Carolinas Region Drivers Education at CMP – The DE event at CMP was a great success. While attendance was a little down from last year, we still had about 96 drivers signed up for the event. Sadie was there with the Goodie Store and we had over 50 people show up for the Saturday evening "Goodie Store Hosted" wine and cheese party. There were several Triad Area members in attendance including Harvey Harbour, Mike Stinnet, Fred Bauman, Herbert Boehm, Wayne Capwell and Cheryl, Jerry and Sadie, John Kent, Deborah and Charles Ruppert, Blair Holden,

AutoFair, Fall 2010 – Left: Gary Hibler's new SLS was a big hit, despite it's three-pointed star on the grille. Center: Jerry and Sadie with their 356. Right: It was a hot day, how many people (and dogs) can you get under an EZ-Up?

Sunday, September 19th – Carolinas Region Autocross at Knights Stadium in Fort Mill, SC – This was the 3rd autocross of the season and was hosted by the Metrolina Area. Don Morris, the Metrolina Area Director, along with Sean and Cari Steinbrueck planned the event and Walter Stone, Autocross Chairman, did another great job of laying out a very interesting and challenging course. There were around 40 drivers, which was one of the largest turn outs in quite awhile, and everyone enjoyed the day. Several Triad Area drivers were on hand including Chris Porter, who turned in the fastest time of the day, and Wayne Capwell, who won a trophy in his run group. Sadie and I did not place in our run group but as always, Sadie's goal is to better my run time. This time she fell just a little short. Thanks to all the workers and helpers that made this a safe and fun event. The next autocross is scheduled for November 14th at this same location so look in the October issue of Tobacco Roads for details. I hope to see you there.

Next upcoming Triad Area hosted event:

Saturday, October 23rd – Oktoberfest - Foreign Cars Porsche will sponsor the annual "OKTOBERFEST" event at their facility located at 5603 Roanne Way, in Greensboro, NC. The event will include the Carolinas Region Autocross Seminar and a people's choice "Shine and Show". Foreign Cars will also provide a German Style lunch that will be free to all PCA members. There will be other activities taking place with lots of fun for everyone. For details and sign up information for the Autocross Seminar and the "Shine and Show Event", see the registration form on page 28.

GIP (Girls in Porsches) (Write-up by Sadie Kilcrease) –We had a great meeting in September at Childress Vineyards in Lexington. The Porsches parked out front attracted a lot of attention. We had lunch on the Patio and we made new friends as it was obvious the ladies having a great time and wearing Porsche Apparel were the drivers of the beautiful cars parked out front. Tanya Reed won our split the pot. Our October meeting will be held on October 7 at Mimi's located in Friendly Center, Greensboro, NC. We will meet for brunch at 9:30 and afterwards maybe tour some of the shops. Mark your calendar for October 7 and join us for fun, food and fellowship.

Special Event! !

Triangle Area By Bob Kim

We had a busy and exciting month in the Triangle Area. Our events were well-attended, and participation is growing thanks to our members. The focus on increased communication is helping to bring members together, and build awareness for some great events. October's calendar is also shaping up to be an exciting month. Here's a quick recap of the last 4 weeks:

September Monthly Meeting in Chapel Hill – Our dinner meeting grew to 10 members. The location in Chapel Hill (The Bean and Barrel) seems to be making a difference, based on the feedback from 2 members who attended the meeting and live in Chapel Hill. We also had the pleasure of meeting

a husband and wife PCA couple who drove from Roxboro for 1 hour in each direction to attend the meeting; special thanks to Sadie Kilcrease and the Carolinas Goodie Store for the door prizes that we ordered for the meeting.

Tech Session at Leith Porsche on 8/28 – We had excellent attendance from Triangle Area, Sandhills members, as well as the Hurricane Region – approximately 40 people total. The Porsche technicians showed us the differences between a 2008 997 Turbo and a 2010 model – significant mechanical changes.

In the second part of the Tech Session, the Leith technicians installed 3 OEM short shift kits in three of our PCA members' Porsches; special thanks to Charlie Schiering and John Alvi at

The Kitchens & More Tour program will provide recognition and complimentary tickets for PCA members providing cars for display. Register with Vince or Vallie Piccirelli at vincepsail@aol.com or Contact Townes Wessels at 828-320-1490 or email to townesw@hotmail.com for further details.

Tech Session at Leith Porsche.

Leith Porsche for putting the event together for the Triangle Area. They also provided the breakfast, they scheduled technicians and staff on a Saturday, and they donated \$150 in door prizes for the event. Leith Porsche is a great partner and we look forward to further building our relationship with their team.

North Carolina Center for Automotive Research (NCCAR) Tour and Parade Laps on 9/4 – members of the Triangle Area joined the Hurricane Region on a tour of one of our newest up & coming tracks. While it isn't yet ready for DE events, the track owners are working on it. Those who attended gave positive feedback regarding the virtually brand new facility, and said that the organizers were very gracious. Special thanks to Kevin Heimbaugh and Rob Blackmon of Hurricane Region for including us in this unique event.

Carolinas DE at CMP – Three of our members participated in the DE at CMP last month. Congratulations to Scott Holcombe and George Kim who advanced to higher run groups at the event.

Also, thanks to our Senior Instructor for the Triangle Area, Dell Tolin, for instructing them well. He's going to have his hands full with a big group of us at the November 19th -21st Carolinas Region DE at VIR asking for his counsel. If you haven't registered for the November DE, please visit www.clubregistration.net.

DC Automotive Open House on 9/11 – Triangle Area members joined the Hurricane Region for this great annual event. DC Automotive is the largest Porsche parts recycling facility in the East. The morning started with a caravan of the 25+ Porsches that traveled to the event.

When we arrived in Rocky Mount, NC, the owner (Robert Zampardi) gave us a tour of their facility, and showed us a Carrera GT that had to be dismantled for parts due to extensive damage on the track.

The DC Automotive warehouses were enormous and they housed every imaginable Porsche part at an excellent price. This event

DC Automotive Open House

is well worth attending next year, if you haven't already. Thanks once again to our Hurricane Region friends for including us in this fun event.

Up coming Triangle Events –

Ingram Collection Tour on October 2nd - Many of our members will join the Hurricane Region, as well as the Sandhills Area of South Carolina to see the amazing Ingram Car Collection in Durham on Oct 2nd from 10am to 11:30am. You can arrive early and enjoy the PCA cars outside, but the tour of the collection is restricted only to PCA members with PCA I.D., and starts at 10am from Carolinas Region members. Also, no photos or children will be permitted in the Collection.

Triangle and Sandhills Area Cars & Coffee on October 9th

– We will join our friends in the Sandhills Area for a Saturday cars & coffee in Pinehurst. Our first cars & coffee event with Sandhills was a big hit with both of our areas, and we look forward to another enthusiastic response this time.

Open House and Pre-DE Tech Inspections at Digital Chassis in Durham for Triangle Area-Carolinas PCA on October 30th

– Our friend Brad Moyer at Digital Chassis has moved into his beautiful new facility, and he has agreed to host an Open House on Saturday, October 30th from 9am to 11am. The Tech inspections will be in preparation for the November 19th -21st Carolinas Region Drivers Ed at VIR. To keep the group to a manageable size, we're asking that Triangle Area members RSVP to this event. Brad will host future events for all of the surrounding PCA areas and regions in the future.

Beach Run on Nov. 6th and 7th – The Triangle Area Annual Beach Run to Beaufort, NC will be held on Nov. 6th and 7th. More details to follow. Carolinas Region DE at VIR – November 19-21 – Registration is now open at www.clubregistration.net. We have several Triangle Area members who signed up right away. Detailing Workshop in October – tentatively scheduled for some time in October, we've had several requests for this session from

our members. We'd like to have at least 1 workshop before many of us leave for the Carolinas DE at VIR on November 19th – 21st. All the details (no pun intended) will be sent to Triangle Area members as quickly as possible (supplies, location, time, etc.). I encourage you to purchase your personal supplies from www.rejex.com or www.zainostore.com prior to this event. Upstate Area By Gene Kendrick

The Upstate had its regular monthly meeting at Quaker Steak and Lube in Greenville on Monday September 6th. The attendance was 28 members. We had a number of members out of town for the Labor Day holiday. We discussed our upcoming annual Christmas Party Charity Function. We will be putting location info and details in the November Tobacco Roads. We also had some discussion on the feasibility of hosting Porschefest in the Upstate in 2012. No conclusions reached on this as of yet.

The Upstate had a large number of participants in the September Carolinas Region DE at Carolina Motorsports Park September 11th and 12th. Everyone had a great time, the group ate at the Mexican restaurant in Lugoff Friday night, then we split between the Armory in Camden and the Italian restaurant in Lugoff Saturday. I think all the cars came through the event in good condition. Rumor has it that the famous Batmobile was in attendance but was not allowed on the track. I think the management team didn't want the Batmobile on the track because it is too fast! Paul Lueskow brought his SP2 944 (former Joe Bob Racing) with a fresh engine to the event. His instructor had high praise for Paul on his first event. Most of us were in awe of Paul's new tent, the largest we have seen at the track!

We will have our next meeting Monday October 4th. See you there.

9 am to 12 pm

This Seminar is being sponsored by Foreign Cars Porsche as part of the OKTOBERFEST EVENT to give all interested PCA members the opportunity to learn about the Autocross program and to get an introduction to autocross with some "behind the wheel" experience.
