Harvey Yancey, President

## Welcome to 2011!

Happy New Year to you!

I am writing this article in the Upstate New York home of my in-laws. My mother-in-law and her husband had a dinner party tonight to show off the twins (her only grandchildren). Accordingly they were in rare form feeding off of the attention. Fortunately we were able to keep them somewhat on schedule and got them in bed a little after 8:00PM. Vivian decided to turn in early and I am sitting in their den semi-watching the recent A-Team remake movie. Luckily there was plenty of chianti left over from the dinner. Somehow the movie doesn't seem that bad after glass #3.

## Board Election Results

Last month I touched on the Board vote and the process for nominating and voting when a term cannot be fulfilled. Below are the results of the general election and the Board vote for Vice President:

President - Harvey Yancey  
Vice President - Doug Smith  
Treasurer - Art Weiss  
Secretary - Matthew Pohsweg

I want to extend a warm welcome to both Doug and Matt. Doug has been hard at revising our sponsorship program this past year and in his role as VP he will continue to head-up that program. Matt has been involved in PorscheFest the past couple of years and has been driving the re-write of our By-Laws (look for more on that in next month's TR). I look forward to both of their contributions in their new roles.

I also want to thank Jack Christine as he steps down for his tireless work as Secretary. I will miss his council and his humor.

## Area Director Updates

We have a couple of Area Director changes to inform you about also. Jim Peterson, Mountain Area Director, is being replaced by David Butler. And in the Upstate Area, John Budinich will be taking over for Gene Kendrick. Kudos to Jim and Gene for jobs well done ... and welcome Dave and John!

## Other Position Changes and Additions

We have had few other changes to our staff recently that I want to bring your

attention. Don Roof has taken over website management from Paul Lueskow. Thanks for all the hard work Paul! Steve Prince is now handling all of our advertising duties (this is a new role). And finally Lou Scalzo is taking over the reins of Historian/Archivist from Dave Wilburn. Best wishes to Dave in his new adventures. I am looking forward to working with Don, Steve and Lou in their new roles.

## 50th Anniversary/Holiday Party Observations

The 50th Anniversary / Holiday Party went off like clockwork thanks to the hard work of Sadie and Jerry Kilcrease (Thanks Sadie & Jerry!) and their crew of volunteers.

While we did not have as many past Presidents as we would like to have had, we did have a great turn-out, including attendance by the incoming PCA National President, Manny Alban.

Manny was flying in from Tim Fleming's funeral in Sacramento. For those of you that were not aware, Tim was on the ballot for National Treasurer when he unexpectedly passed on November 21st. Unfortunately Manny was routed through O'Hare and met with delays. True to form however Manny walked in the door about 5 minutes before he was to be introduced.

I first met Manny at the 2005 Parade in Hershey where he was the co-chair of the event. Manny has always been gracious with his time and his attendance at our event was typical of his generosity. I look forward to his tenure as National President.

One of the historical gems that we had at the celebration was a set of videos that were filmed and edited back in the 1980's by past President BJ Craven. At some point the original 8MM or 16MM films were converted to VHS and came into the possession of Dave Lumpkin, also another past President. Dave had sent me the tape and several stacks of photos several weeks prior to the event.

I had the VHS converted to DVD so we could put it onto a computer for easier viewing. What we got was video of

two Time Trials, which the region current does not do currently but PCA National is putting together official guidance on holding these type events, and a Hill Climb, again something that we do not do any longer. It was really interesting to watch what we now think of as 'vintage' Porsches back in their heyday. It was interesting to see a 904 being driven in anger at Charlotte Motor Speedway.

We are hoping to get copies of those videos on the website in the near future.

One other brief note about the 50th Anniversary event. During the party Charles Rupert told me of a chance encounter at a local retailer a few weeks back. A gentleman standing in line noticed Charles' 50th Anniversary hat and struck up a conversation. The man said that his father-in-law helped create the Carolinas Region. It turns out that his father-in-law is Harold Neal, the Carolinas Region's first President.

## It was really interesting to watch what we now think of as "vintage" Porsches back in their heyday.

I am currently working with Harold's son-in-law to arrange a meeting with him in the next couple of months. Look for an article in TR if we are able to pull that meeting off.

It is now the following day and the twins are waking up for their 4PM snack. Also Tom Morgan is patiently waiting for this article so I must end here. My door is always open so I encourage you to contact me with any ideas, comments or feedback at [president@carolinas-pca.com](mailto:president@carolinas-pca.com) or (704) 906-0343.

- Harvey

# Carolinas Region 50<sup>th</sup> Anniversary and Holiday Banquet

December 4, 2010

Celebrating 50 Years of the Carolinas Region PCA  
1960 - 2010

By Jerry Kilcrease  
Photos courtesy of Ron Reed

The Triad Area hosted the Carolinas Region 50th Anniversary and Holiday Party held at the Clarion Hotel in Greensboro on December 4th. We had snow starting around noon on Saturday that ended up dumping a couple of inches, which helped get folks in the Christmas Spirit. We had 95 members and guests at the banquet with attendees coming from all eight of the areas within the Carolinas Region.

We welcomed special guest Manny Alban, current PCA National Vice President, along with past presidents of Carolinas Region, Helen Lane, Dave Lumpkin, Bob Saville and Bill Funderud. Harvey Yancey, President of the Carolinas Region, recognized the past presidents and made a special presentation to each one.

Harvey also presented the Enthusiasts of the Year award to Metrolina member Jim Buchanan. Sean Steinbrueck and Jerry Kilcrease, members of the Autocross Committee, presented year end awards to run group winners of the Carolinas Region Autocross series.

Phil Evans, Jr. surprised his parents, Ruth and Phil Sr, when he presented them with a special plaque related to their family involvement with Porsche, beginning with his red 356 Cabriolet. (See separate article on page 10)

We also want to give a special thanks to the following Triad Area sponsors for their contributions to the event: C & C Eurosports, Foreign Cars Porsche, Piedmont Graphics, RennGruppe Motorsports and Screen Printers Unlimited, LLC. After the program and awards, everyone enjoyed socializing and dancing until they cut off the lights. If you were not there, you missed a real good time.

Opposite page: L-R, Past President Bob Saville, Current President Harvey Yancey, Past Presidents Helen Lane, Dave Lumpkin and Bill Funderud. This page: Judging by the smiles, Jerry and Sadie know how to put on a party. And yes, it really did snow!

# The Story Continues...

By Phil Evans

I autocross a 1965 356SC Cabriolet that I got in 1997. It is a beautiful red car. What you may not know is, that my Dad gave it to me for my 40th birthday. He bought the car in 1967 when I was 10 years old. Carol (my wife) and I went on our first date in it in 1975 while still in high school and it's been in our family for 43 years.

I was sharing this with Cari Steinbrueck at the last autocross of the year and she said I ought to write an article about the car. Well, actually I did! It was published in the 1999 Panorama magazine as a "Personal Porsche". As an active member in the club competing in concours events - as somebody to beat - the car is not competitive if you're closer than 5 feet, competing in autocross events for a number of years, participating in the national Porsche Parade in Charlotte and PorscheFests put on by the Carolinas Region, you may be familiar with the car. But, not "the story".

I was not really planning to attend the 50th Anniversary of the Carolinas Region Christmas Party. I didn't need to attend. My Dad, also a Phil Evans, has "acted in my behalf" in the past getting any award presented to me so I was planning on

Jerry Kilcrease and asked if it was too late to register for the Christmas Party and to "shhhhh...not tell Mom and Dad." They were happy to have me decide to come and she assured me she would let me surprise them. She also mentioned Mom and Dad had been the first ones to sign up for the Region's Christmas Party in Greensboro. This year the Christmas Party in Greensboro would be taking a look back at our region's history and Harvey had sent out a request for any memorabilia. I thought the article written by a Carolinas Region member that was published in the national magazine might qualify, so I set about making it presentation quality. Then, as I put the three panel plaque together, I was again reminded of how blessed I was to have parents that shared the Porsche experience with me and decided maybe I could share it with the club since we were celebrating an anniversary event. It was settled.

When I got to the hotel ballroom in Greensboro on that cold, snowy Saturday December evening, I "snuck" into the room and found Sadie. Mom and Dad had already gotten there. She got me quietly signed in and I mentioned the

letting him get mine this year, if I won. But after Cari's questioning, I called Sadie and

plaque to her and Jerry. By the way, they did an outstanding job putting the Christmas Party together. I know it takes a lot of people, but I'm pretty sure they were on "the point". We hid the plaque up front and Jerry said he'd allow me to "say a few words". The plan was coming together perfectly. I was able to sneak up on Mom and then Dad and get a big "Hello!, What are you doing here?" from both of them as well as a big hug. They were smiling the rest of the evening.

After a very lovely evening of dinner with friends, an over view of the clubs history by Harvey Yancey, a congratulations by the National PCA representative, and the presentation of the current and past Presidents of the region, Jerry Kilcrease and Sean Steinbrueck began the presentation of the Autocross Awards. My name was called first and my Dad stood up in a comical gesture, and then "allowed me" to go get the 2010 Autocross Series Class First Place Award for Class P01. As planned, I was given the microphone, and I am sure people were wondering what "few words" I might have. I introduced myself and mentioned the car, and then shared the attached "story" as a read a part of the 1999 article which is attached. I took that opportunity to tell the story of how a small red Porsche became "an Evans". And, I thanked my Dad (again) for what he had shared with me, and took the time to share my appreciation for him

in introducing me to so many new friends in the Porsche Club. But ultimately, what was witnessed was a son, in an intimate way showing his appreciation and love to his Mom and Dad. I see them giving me themselves, and I see "them" every time I see the car. The evening wasn't really about the 356, it was about a son honoring his parents. It wasn't really intended, but I don't believe there wasn't a dry eye in the place. Even my Dad said he had a tear. As I finished reading the three paneled plaque, I walked to my parents, I walked directly to my Dad and gave him a hug and said, "Merry Christmas". The place erupted in applause for him and for us.

The car that has been the center of our family's automotive interests for over 40 years continues to teach us new lessons and

the lessons learned go far beyond car stuff. It's the important things of sharing family time, building memories, making new friends, and encouraging others to stretch themselves as they learn new skills and make new friends. It's the People, It's the Car, It's the People.

*"Mom and Dad" (Ruth and Phil Evans) drive a 1969 912 and still compete actively in club events. Shhhh...he'll be 80 next July (Mom was born the same year as Dad, and she'll be 39; Quantum Physics which I never really understood)*

## From the desk of your Historian/ Archivist

Dave Wilburn

Hello dear friends

As we head into these coldest months of our Carolinas season, allow me to pass on wishes for a Happy Holiday with family and friends as well as a prosperous 2011.

Regrettably, I will be unable to finish out my 3-year tenure as your Historian/Archivist as some recent career developments are going to require that I'll very likely not be in the area in the near future. I am therefore resigning my post and have asked a PCA friend who's expressed interest in this position to pick up where I've left off. His formal appointment is still pending, but details should be forthcoming soon. If elected, Lou shall certainly be a big boost to the club, as his personal experience of ownership and knowledge extends back many, many years. Look for an announcement from Harvey with the pertinent details.

As far as my last contribution, I was reading my latest copy of Porsche 356 Registry the other day and saw an article in the President's Corner which may interest you. My personal feeling is that a Porsche aficionado can get no more of a primal dose of History than to delve into the early days of Porsche development when the 356 series reigned supreme, and fortunately that heredity is well-preserved thanks to the dedicated efforts of many individuals. Indeed, the car nearly always garners special attention when it appears in various local and National events. Therefore, if you haven't already heard, allow me to be the first to draw your attention to the new 356 Website just announced! And here is the link for you to explore as you hunker down in the coming frosty months:

<http://porsche356registry.org>

I bid all of you a fond adieu and hope to remain,

Yours in the pursuit of Porsche excellence =)

## HAVING MORE RETIREMENT ACCOUNTS IS NOT THE SAME AS HAVING MORE MONEY.

When it comes to the number of retirement accounts you have, the saying "more is better" is not necessarily true. In fact, if you hold multiple accounts with various brokers, it can be difficult to keep track of your investments and to see if you're properly diversified.\* At the very least, multiple accounts usually mean multiple fees.

Bringing your accounts to Edward Jones could help solve all that. Plus, one statement can make it easier to see if you're moving toward your goals.

\*Diversification does not guarantee a profit or protect against loss.

To learn why consolidating your retirement accounts to Edward Jones makes sense, call your local financial advisor today.

# Mid-Winter Track Seminar

**Saturday  
January 29th, 2011  
1:00 pm to 3:00 pm  
Carolina Motorsports  
Park, Kershaw, SC**

Have you considered participating in Carolinas Region's Drivers Education Events but have not had the opportunity to do so? Or maybe you have some questions: What's expected of me? Will it damage my car? Who are the instructors and how do they teach me? What do I have to do to my Porsche to participate? - If you have any of these questions or others, this event is for you! This is our sixth off-track seminar to introduce the concepts behind the Carolinas Region's Driver Education Program, which is a series of high performance driving schools conducted at local tracks like Carolina Motorsports Park - IT IS NOT A RACING SCHOOL!

You will have the opportunity to casually discuss the program with instructors and club members that have been enjoying "life on the track" for years. We will discuss the operation of a Drivers Ed weekend, concentrating on what you need (or want) to know as a participant. We will also talk about some of the fundamental concepts of performance driving such as turning, braking and accelerating properly, and the vocabulary used to describe track driving. Videotapes, charts and other materials will be used to give you a thorough understanding of what a weekend at the track entails. We'll discuss the roles of the instructors and how they can help you understand your car and your driving. A mechanic from one of the local Porsche shops will discuss the safety check and tech inspection that is performed on each car to ensure a safe and enjoyable event. Finally, if time allows, we'll tour Carolina Motorsports Park.

This seminar is open to all Carolinas Region members who have not participated in a Drivers Education event, or who have very limited experience on the track.

**\*\*Region members will no prior track experience will receive a \$50 Coupon towards a Carolinas Region DE event\*\***

## Driver's Education Report: 2011 Schedule Text by Brian Powell

Before I launch into the news for 2011, I have few more folks to recognize. In looking back over last year, we had strong support from ALOT of Carolinas Region members. Overall, 376 individuals participated in 2010. Of those 376, TEN drivers participated in every one of the 5 events. Wayne Capwell, Billy Fulbright, Don Goodman, Chris Sanders, Don Morris, Jerry Kilcrease and Harvey Harbour attended all 5. Marty Barrett, our Chief Instructor, Les Stabler, our Tech Inspector and Jim Hecht, our registrar also attended all 5 In part because they just like to, but also due to their commitment to the PCA DE program and the region.

And now the 2011 schedule... We've got some familiar dates in May, Sept and Nov. We're starting the year with a new date and will visit VIR again next July for a Monday-Tuesday event. 2011 should have something for everyone, beginners and experienced alike.

**Winter DE Seminar on January 29th @ CMP. Info and registration on page 12, this issue of TR!**

**2011 Kick off at NCCAR facility on April 2-3.**

**Return to CMP on May 14-15**

**Summer VIR North on July 18-19**

**CMP Fall date on Sept 10-11**

**Season Finale at VIR on November 18-20**

**For ALL our 2011 dates, only SA2005, SA2010 or SAH2010 helmets will be accepted for our Drivers Education events in 2011.** SA2005 certified helmets will continue to be accepted until 2015. Be sure to check your helmet in plenty of time to obtain a new one if necessary.

Another reminder that all event tech inspections must be performed by approved inspection locations. The list of approved vendors is available on the region website. For instructors who qualify for annual tech inspection, keep in mind the first inspection of the year must still be performed by an approved inspection location.

For more on any of these events contact Brian Powell at [driversed@carolinas-pca.com](mailto:driversed@carolinas-pca.com) (704-260-0716) or Nadine Saville at [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com).

## 2011 Carolina PCA Autocross Series

To everyone that participated in a Carolina's Region autocross in 2010, thanks for coming out and joining us and we hope you had a great time. For 2011 we will be building on the success we had last year and hope you are planning to join us again.

For 2011 we will be standardizing on PCA run classes and will be listed them in each issue of Tobacco Roads as well as our own Carolina PCA website [www.carolinas-pca.com](http://www.carolinas-pca.com). We will also be posting the results of each event along with Current Drivers standings, and Total Class points for each driver.

Class Points will be awarded for each Autocross event as follows:

1st Place	6 Pts.
2nd Place	4 Pts.
3rd Place	3 Pts.
4th Place	2 Pts.
5th Place and beyond	1 Pt.

After each event the Overall Standings will be updated in Tobacco Roads and our Carolina PCA Website, so each driver can track how they are doing in their class as well as their fellow competitors.

Our goal this year is to hold at least 6 events. The Year End Points total will be based off your Best 5 finishes out of 6 events. So don't worry if you miss 1 event, or have a bad day. No worries. Everyone gets one Mulligan.

At the end of the season, Year End Autocross Awards will be handed out for 1st and 2nd Place in each class, Mens and Ladies. If you are uncertain what class your car would be categorized in, please feel free to send us an e-mail.

## Metrolina Area By Don Morris

We have a very nice December meeting at Maggiano's Restaurant in South Park Mall off Sharon Road on December 15. There were over 40 attendees who shared in a 4 course meal. What a treat. Hendrick Porsche donated some give away items, and we gave away several Goodie Store Porsche shirts. We will do it again next year.

I missed the December Cars and Coffee due to the year end Board meeting and 50th Anniversary celebration. There were about 100 in attendance in Greensboro. Great food, great people, and great fun.

At the awards dinner, our own Metrolina member Jim Buchanan was announced as the winner of the Enthusiast of the Year trophy. Where-ever I went this year, Jim was there, having fun. Congratulations Jim. He was presented his trophy at the December meeting in Charlotte by Harvey.

Auto Cross awards were given out for the year, with Sean and Cari Steinbrueck, Phil Evans, Will Balance, and I getting got first place trophies from our area. Other Metrolina Area members also took second place trophies. We had a good auto cross year and are looking forward to a bigger and better one next year.

At the board meeting new officers were elected and Harvey continues as our President. Read more in Tobacco Roads.

Keep the sunny side up.

- Don Morris

## Mountain Area By David Butler

The Saturday December 4th meeting was attended by 18 members at Deal Motorcars at 10:00 a.m. An update on what's new for 2011 from Porsche was provided by Porsche/Audi VW Sales Manager Charlie Shieren and Porsche technician James Bugg of Deal Motorcars. This was followed by an interesting technical session on BG Products presented by Dennis Kiser. Dennis focused on BG Products Fuel System Cleaner System that when performed will remove harmful carbon build-up in engines caused by gasoline impurities. In addition, David Butler was approved as Mountain Area Director by area members and the Carolinas Region Board on December 4, taking over for Jim Peterson. Lunch was provided by BG Products.

On November 18 some members were able to view two very special race cars at Deal Motorcars. A Porsche 907LH (#54) and 910 (#37) were in Asheville for inspection, and Deal Motorcars made them available for viewing. Reportedly, this specific 907LH was the first Porsche to win a 24 Hour event, Daytona 24 Hours 1968. Broadus Brannon, Mario de Francisco, Mona and Frank Gregg, Jim Peterson, and I were among those who enjoyed seeing the cars.

We are currently developing 2011 meeting content and schedule based on input to our annual survey of Mountain Area member interest. All survey details are being reported in a separate note

**Porsche racers from the late 1960s, a 908LH (top) and a 910 (bottom), on display at Deal Motorcars in Asheville.**

to Mountain Area members. Top 5 finishers (Rating Average) in order of interest are: Tech sessions at local dealers, Guest speakers at monthly meetings, General tech sessions (e.g. detailing, upholstery, tires, lubricants, etc.), Drive and dine with lunch, and In den Bergen (Waynesville, NC). We will continue to look for ways to include various activities of interest but focus on those events and topics that members say add the most value to their membership.

No meeting is scheduled for January (Saturday 1/1/11.) **Our next meeting will be Saturday February 5, 2011, at 10:00 a.m. at German Motor Werks, 1274 Sweeten Creek Road, Asheville, NC.** Scott Spence will lead a technical session with the specific subject to be announced later, and Area Director will also provide a short review of our annual survey results.

We would like to express our appreciation to Jim Peterson for his leadership as Mountain Area Director over the last two and a half years. He brought stability to the Mountain Area, coordinated many fun and informative activities, led the membership in successfully hosting PorscheFest in 2009 and 2010 and supported the beginning of In den Bergen in 2009 and its continuation in 2010. We look forward to his continued guidance and participation in club activities.

- David

## Sun Fun Area By Sandy Shirley

December was off to a very cold start and what a treat it was to see snow at the Christmas Party in Greensboro. We had a great time and our very own Helen Lane was recognized for being one of the Carolinas Regions Past Presidents as part of the 50th Anniversary celebration held jointly with the Christmas Party. We had a nice turn out for the Sun Fun Christmas Party and it ended my first year as area director. I would like to thank my mom, Janet Shirley for being so supportive, Stephen Brown for cooking at several events, Bunny and Charlene Craven for their help with the 50th anniversary tour, and Gary Pennington for opening his garage for several events and for all the support he gives our region. I am looking forward to another great year and I truly appreciate all the support everyone has shown me.

## Sandhills Area By Marty Barrett

Great Holiday Party in Greensboro!! Thank you Sadie, Jerry and all the Triad folks who helped put everything together...even the 2" of snow was in the holiday tradition.

A couple of days later our Sandhills PCA'ers met for dinner... about 30 of us! A very nice evening made even nicer by the great Goodie Store surprises put together by Sadie and Santa. We distributed a survey for each participant to tell me what activities interest them most for the coming year. An initial look tells me that local tech sessions and the cars & coffee events with the Triad Area are very popular, but several other options also got several strong responses.

Bob Kim sent me a copy the PCA membership roster he received for the Triad Area. Several sections also pertained to the Sandhills Area. I contacted ten members who were not on my contact list and six responded asking to be added to the Sandhills Area. Thanks Bob.

The schedules are starting to develop for 2011...the five DE's and the Club Race are already on the calendar. Now, the Winter Track seminar is also scheduled for late January... a great way to avert severe cabin fever! We also have the Amelia Island Concours in early March... almost as good as Pebble Beach. And, really looking forward to Porsche Parade 2011 in Savannah!!

Happy New Year!

- Marty

## Triangle Area By Bob Kim

December was relatively quiet for the Triangle Area. Most of the conversation turned to 2011 activities, as well as ways to improve communication within our part of the Carolinas Region. We have some great ideas for the calendar next year that I will share with you in detail after the first of the year. In the meantime, here are a couple important reminders:

Our monthly Triangle Area meetings are on the second Saturday morning of each month, 9:30am to 11:30am. The meeting is held at the Bean & Barrel in Chapel Hill. Their website is www.beanandbarrel.com. Our next meeting will be held on Saturday, January 8th.

We will not be having a holiday party this season. It was the consensus of the group at the last monthly meeting that we should save the limited funds we have for an event during the warmer months. Most attendees mentioned that they have many holiday functions to attend every November and December, which makes the Triangle Area holiday party less appealing.

Here is the preliminary list of events that we are currently working on for our members:

January – Tech Session with Miller Motorsports

February – Cars & Coffee with Triad Area or Sandhills Area.

March or April – Drive to the Homestead Resort in Hot Springs, VA

April – Detailing Session

May – BBQ Run

June or July – New Bern Antique Car Show with Hurricane Region

August – Tail of the Dragon or Surrounding Area

August – Porsche Parade in Savannah

September – Autocross

October – Beach Run to Beaufort, Oktoberfest

November – Charity Laps at VIR

Also, we have located a viable location for an autocross event in

the Triangle Area. I will work with the Carolinas Region Board to confirm that the location is acceptable.

One final reminder that I always welcome your feedback and suggestions. The events listed above are tried and true, but we always need/want fresh ideas. Please e-mail me at triangle-ad@carolinas-pca.com. Also, you can call me at (919) 816-6117.

Thanks to everyone who I have had the pleasure to meet this year. You have made my first few months as your Area Director a very enjoyable and satisfying experience. Drive safely and have a wonderful holiday season.

– Bob

## Upstate Area By Gene Kendrick

The Upstate Area of the Carolinas PCA finished off 2010 with a tremendously well attended and successful Charity Auction and Christmas Party . The event was held Dec 10th at the home of John and Kelle Corvin. The house was beautifully decorated for the season. Everyone brought Porsche related or recreation related items to be donated to the Charity Auction. Gail and Gary Hediger work closely with the St Vincent DePaul Charity. The money raised goes toward supporting many families in need of basic items such as food, kerosene for heat, help with utility bills, etc. in our local community. There is no overhead to be supported, all the money goes where it is most needed. Shane Tisdale served again as our Auctioneer. We sold everything from a sailboat charter in Charleston to a Sally Carrera Pez dispenser that is famous in the Upstate for being resold every year for big bucks. Thanks to the extreme generosity of many of our 50 attendees the total donation amount was \$5740.00. This amount is our largest total to date.

We have elected John Budinich to serve as the Upstate Area Director. He has been a member of PCA since 1986. John has been active in the Upstate and is well known by our group. Our new leader will hit the ground running this January. It will be a very active year.

Our Annual Chili Cook-off will be held Saturday, January 29th at 6 PM. Protech Motorsports in Greenville SC will sponsor and host the event as they have done for many years. We normally have a very large turn out with 30 or more chili pots submitted for judging . It is customary to sample each bowl and vote for your favorite. Prizes are awarded three deep.

As my year as Upstate Area Director draws to a close, I would like to thank our membership for being active and supportive. I have made many new friends throughout the year. Paula and I look forward to remaining active on the local level and participating in the regional track events as instructors.

Respectfully submitted,

– Gene Kendrick
