## Where German Engineering Meets Southern Hospitality

### Why Harmony Motors?

Harmony Motors is not just any car dealership. It is a place as special and unique as the people and places of Asheville and Western North Carolina. Like the feeling of comfort at your favorite local coffeehouse or the first taste of beer from one of Asheville's many micro-breweries.

A special place where you will be welcomed into a Volkswagen showroom

filled with vintage VWs, antique gas pumps, and original local artwork. From there, enter a gleaming showcase featuring the latest offerings from Porsche and Audi. And everywhere you look – smiling faces.

We like to think of it as the place *Where German Engineering Meets Southern Hospitality*.

Because we are Harmony Motors.

# From the Driver's Seat

Doug Smith, President

I want to share some thoughts from our Eastern Zone Presidents Meeting in late July. This is a gathering of Region Presidents in Zone 3 of the PCA (Zone 3 is pretty much all of the southeast, minus Florida. ). This year, our Zone Rep tried to make the meeting more accessible by splitting the meetings into "east" and "west" groups. First off, it's fantastic to gather with folks from across the zone to shake hands and exchange some great ideas about "club business" as it is in PCA. We often talk about the size of the Carolinas Region in PCA because indeed, it is very large on a relative scale. Within our zone, we have 14 Regions. The smallest is roughly 80 primary members, the largest is us with almost 1,700 primary members. Peachstate follows closely behind in terms of size. However, most regions in PCA are quite compact in terms of membership numbers. The mean is about 400 members and the median is about 200 members – again, just highlighting that we probably face a lot more complexity and challenges running such a large group. On the other hand, our region's size affords us the opportunity to run larger events, like the DEs at VIR and CMP. It also allows us

to host a larger variety of event types, like building up our autocross series because we can reach and hopefully engage more members at expensive venues like the Z-Max Dragway autocross facility.

**PORSCHE**

So, out of 14 region presidents in the zone, 7 were in attendance for the eastern meeting, hosted by our Zone Rep Jim Cambron, in Durham, NC. The invitation was extended to include key officers and many folks attended with VPs or other officers on their board. Matt Pohsweg and Don Morris attended with me to represent our region. We started with a Friday afternoon gathering at the Ingram Collection, and then moved to a group dinner at Maggiannos. That evening, time spent at the hotel bar helped us forge fast friendships. Our Treasurer demonstrated his cork-pulling expertise to our bartender, then Ed and Buddy from the Coastal Empire region didn't mind sharing a glass of wine with us. We started some great conversations and swapped some fun stories and also got readouts from folks who attended Parade in Traverse City this year.

We started early on Saturday morning at the Performance Porsche Dealership in Chapel Hill. Jim kicked the meeting off with his history and perspectives on the club. As stewards for the club, all of us were keenly interested in learning more about how to improve our regions and the experiences of our members. We had a chance to share our history and talk about some of the items that make each of our regions unique. We also had a great opportunity to share upcoming events and to brag about some of our regions' highlights this year

One of the key objectives of this meeting is also to educate the zone presidents on the Region Procedures Manual" or

RPM, published by PCA National. We covered some interesting topics such as club liability, as well as some opportunities to seek financial support from PCA National. We discussed membership challenges, driving higher member participation, and the challenges we all face with trying to "tailor" our specific regions to the tastes and interests of our unique members. In closing - it was a very valuable exchange for all of us and I'll look forward to the next meeting in 2014.

We had some great events since our last newsletter; with In Den Bergen in Waynesville showing a healthy turnout for another nice, laid-back weekend. We're 2/3 through our Autocross series, finishing our 4th series event at Z-Max in early August. Porsches & Pontoons had a fantastic turnout, in spite of some rainy weather! Fall Tour is coming soon after you see this, and I'm looking forward to this really unique event. We have a DE at CMP this month, and the Club Race (and DE) approaching rapidly next month! Keep your eyes peeled for upcoming announcements and I'll look forward to seeing you at one of our future gatherings.

See you soon, I hope. In the meantime, keep the shiny side up!

ECU tuning is an art and having the ability to manipulate various different ECU's is something that only a handful of companies throughout the world can successfully perform. GMP Performance is proud to offer EVOMSiT, one of the elite few that can successfully tune Bosch, Siemens, Campi / EFI Technology, Marelli, Delphi and select other ECU's in house; however this is only a piece of the equation.

Another critical aspect of ECU tuning is to possess complete hands on mechanical understanding of the latest generation high performance engines. This is the foundation of EVOMSiT and there are no other US based aftermarket performance companies that have more experience and built more high HP engines than Evolution MotorSports has. They have practically reengineered the entire Porsche flat 6 engine manufacturing their own components that replace the OEM internals. Combining these two equally important facets of the engine tuning process clearly sets EVOMSiT as a true leader in all aspects of engine tuning and development.

# Autocross: Report

Report By Sean Steinbruck Event #4 August 3rd, 2013 Z-Max Race Way Concord, North Carolina

August 3rd was the Carolina Region's final Z-Max Autocross for the 2013 season. And we saved the best for last. With a record 102 registered drivers this was our largest turnout to date.

Best of all, there was no chance of rain. Finally, a sunny day in North Carolina.

Andy, John, and I spent 3 hours on Friday setting up the course. This was the longest and fastest course we had setup, so I was eagerly awaiting some feedback Saturday morning.

After the first few drivers had finished, it was all smiles and thumbs-up. I knew we were going to have a good day.

As with most all our autocrosses this year, we had over 35% "new drivers" attending. One of them was the return of the Carolina DE Chair, Brian Powell from his 5 year hiatus. He wanted to compete with his daughter, but unfortunately, she's still on the fence. So instead he mentored her boyfriend. Brian must have done a good job, because after just a few runs on the course, he was already 8 seconds faster than his previous lap.

Another first timer was our very own Membership Chair Tammy Collins. She was driving her Cayenne, while her husband Jerry Collins, Charlotte Area Director, was driving their 911 Carrera. By the end of the event, Tammy

decided next time it's probably better she drive the 911. We actually get a Lot of husbands and wives who autocross together. As well as fathers and sons. It's truly a family event.

Because the Z-Max facility is so widely known around the Carolinas for hosting the best Autocross events, it was no wonder we drew some 10 plus SCCA drivers to come out and play with us. For those of you who aren't familiar, the SCCA folks are the best of the best. They drive all over the country and compete in hundreds of Autocross events. They were all amazingly fast. But, Porsche drivers are no slouches either. We know how to handle a car. By the end of the day after all the timed laps were recorded it was a Porsche Driver on Top of the Time Sheet. Actually two Porsche drivers, followed closely behind with a slew of SCCA Drivers.

A good day for the P-Cars indeed.

Our next event will be in Greensboro on October 5 as part of the Oktoberfest celebration; sponsored by Foreign Cars Italia.

And of course our 6th and final event will be November 2 at the Manheim Auction Facility in Statesville. This is a HUGE Location with a great course layout.

Hope to see you out there

Now in its 4th year, In Den Bergen proves to be an enjoyable and popular event. Top, People's Choice Concours winner. Adjacent, the golf course fairways at the Waynesville Inn are the perfect place to view Porsches.

Top, a light and lively 914 in excellent shape. Above, these participants may rather be driving a Porsche, but enjoying a round of golf. Below, Boxter with striking two tone interior.

*“All that glitters is not gold”*

Whoever this can be attributed to, Shakespeare or Aesop or whomever, must not have ‘passed the limited edition 10th Anniversary Datsun 280-ZX. So lavishly appointed there are virtually no options’, as proclaimed in the fantastic television and print ads. This is not in the strictest sense a ‘My Favorite Porsches’ article, but a follow up to last month’s trip down memory lane of the Porsche print ad series of technical papers from the 1980’s. The Pontiac Firebird advertisement shown last month in comparison with the Porsche products with its blinking lights and gold dash was not the only automobile painted in black and gold roaming the streets in 1980.

There was BlackGold, the 10th Anniversary Datsun 280-ZX. I vividly remember the ads on broadcast television for this car. They are etched in my brain in deep grooves, don’t ask me why, but BlackGold is about as much as an enigma to me

as the Pontiac Aztek. An obsession really. It does had a stainless steel faced eight track cassette player, perhaps that is it? Maybe the numbered exclusive production run? Or maybe it was the way it was marketed?

I am pretty sure this is why parents should monitor what their children watch on television, lest they write about it years later in a Porsche Club newsletter. What happens when a man like this meets a woman like this?

**“I have BlackGold”**

**“Let us go to the discotheque together now”**

Well, if he is driving Datsun’s 10th Anniversary Datsun 280-ZX, specially numbered in their limited production, of course this:

As in last month’s column, there are obviously two ways to skin a cat and more than one way to sell a car. Very different marketing when compared to the by the numbers technical approach highlighted last month and how directly glitzy! Perhaps this was to compensate for the fact that this car had no additional turbo, suspension, brakes, or performance when compared to the regular, not black and gold version.

BlackGold was not invented by Datsun, and in the automotive world it may not have been invented by the Formula 1 team sponsored by John Player & Sons brand of cigarettes, known as Players brand, but it certainly was popularized by them and their sponsorship of Formula 1. The color

**“It has multi function digital display”**

**The black and gold livery of the John Player Special at Monaco, 2008**

scheme was used on other cars and motorcycles, namely on the Lotus Europa, John Player Special. In most of the cases the gold being used more judiciously than the 10th Anniversary Datsun 280-ZX, maybe more of a sign of the times at the dawn of the 1980's: a decade not re-known for its restraint.

Here is the personal Porsche connection: my Dad, once an owner of the Lotus Europa John Player Special has always told me, the decision for him in the early 1970's was between the 914 and the Lotus Europa for an affordable sports car. He chose the Lotus product. Coincidentally, after hitting a cat running

**Contemporary of the Porsche 914, the mid-engined and light weight, Lotus Europa, John Player Special**

across the road and destroying the very light weight, fiberglass bodied Lotus, his next car of purchase was the predecessor to the 10th Anniversary Black Gold 280-ZX, the Datsun 280Z 2+2; my Dad being a practically minded fellow. Which ties most of the loose ends and closes the loop like an episode of Seinfeld. But I still have a couple lingering questions: had my dad bought a 914 instead if of a Lotus John Player Special, would the 10th Anniversary Datsun 280-ZX BlackGold have imprinted on me the way it has? Further, had Bud Cort's character in Harold and Maude had the option of building

his hearse mobile from a Lotus Europa instread of the iconic E-Type Jaguar, would he have? Which, the Datsun 240 Z is deservedly called the poor man's Jaguar E-type, as the Jag was the benchmark for Datsun.

**Bud Cort as Harold in a still from 'Harold and Maude'. He has made his E-Type Jaguar into a hearse.**

## Area Updates:

### August 2013

#### Metrolina Area By Jerry Collins

Monthly meeting: Third Wednesday of the month at 7:00 PM, see report for location  
 Contact Jerry Collins, Area Director  
 metrolina-ad@carolinas-pca.com

#### Monthly meeting:

Meetings alternate between the North side of Charlotte and South side... For the monthly meeting, we started our 50-50 drawing, and I think everyone really enjoyed that addition to our meeting and dinner. For those who wish to participate, bring cash to the meeting!

Watch for an email blast for details: September will be at the City Tavern in South Park, Charlotte

Contact Jerry Collins, Area Director for more details or questions.

We did a fun drive to Childress Winery in Lexington on August 17th. Rain it did, but 7 cars

and 11 people in total had a great time together!

#### Recurring events:

Cars and Coffee at the Carolina Music Factory in Charlotte, parking lot is next to Mattie's Diner.

It usually gets going pretty early in these warm months, so think the 8AM- noon range. First Saturday of the month.

Cars & Cappuccino Charlotte - NOW BACK in action. Third Sunday each month at Foxcroft East Shopping Center located at 7814 Fairview Road, Charlotte, weather permitting. 9-11AM

What was the Shine and Show, now perhaps called Drive, Park and Eat. (Working on a new name). will be on an announced basis, as weather makes it a go or no go for any given weekend. Look for an email blast on this one. At Salsaritas in Quail Corners, CLT.

Additional details, make sure you log onto [www.carolinas-pca.com](http://www.carolinas-pca.com)

Tobacco Roads is live on line for more information as well.

Drive it like it's a rental!

The Triad Area held its August 20th monthly meeting at Giadas located in Kernersville and for the first time in months it did not rain. We ended up with 45 members and guests and

were also pleased to welcome first timers Steve and Pat Tosi, Eric Freed, Audrey and Eric Muck, Emily Sis and Andrew Sachs. Ron Reed posted photographs on the overhead taken at In Den Bergen and Sadie had the Goodie Store set up. The

**Fred and Tanya Split the pot**

50/50 split pot was won by Fred Bauman and Tanya Reed presented him with his half. Several members celebrated birthdays in August, so we all joined in and sang Happy Birthdays to Sadie, Vince Gallo and Allen Picket. After a short business meeting and several announcements about upcoming events

everyone finished eating their dinner and continued to enjoy talking and visiting with other Porsche enthusiasts. Thanks to all that attended and we hope to see you again next month.

### PAST TRIAD AREA HOSTED EVENTS:

**SATURDAY, JULY 27TH - PORSCHE AND PONTOONS** - The Carolinas Region "Porsches and Pontoons" Event was hosted by the Triad Area at High Rock Lake in Lexington, NC. In spite of the constant down pour on Saturday we still had 71 members and guest brave the rain and show up for the event.

Fortunately we had been able to borrow a big tent and had several other smaller tents set up so everyone was able to stay dry. We also cleared out the boat house and set up two sets of "corn hole" game boards where quite a few members competed while the rest of us cheered them on. There were 17 Porsches parked on the grass for the people's choice Shine and Show but because of the bad weather most of the members drove their SUV or sedans. We finally got a break in the rain around 4PM so people got a chance to walk around the cars and vote for their favorite. When the votes were counted; 1st place went to Rick Huskins (2006 911C4S); 2nd, Jim Proper (1992 911C2 Cabriolet); and 3rd; Greg Konney (2009 911C4S Cabriolet). In the late afternoon when the rain finally stopped, Ron Reed, Doug Hill and Charles Branch manned their pontoons and took members and guests for a short tour around the lake.

Around 5:30pm the BBQ and fixings arrived and dinner was served along with deserts that were donated by the ladies from the Triad Area. When everyone finished eating we held a drawing for door prizes and gave out Carolinas Region t-shirts

**P&P Group photo**

and caps to the lucky ticket holders. After that, most folks starting packing up their umbrellas and headed for home. Thanks to all the Triad Area volunteers that pitched in and helped with the event. The support made it possible for everyone that attended to enjoy the day and take home memories of having fun and enjoying the fellowship. Thanks again to everyone.

**NEXT TRIAD AREA HOSTED EVENT;**

SATURDAY, OCTOBER 5TH - OKTOBERFEST 2013 - Sponsored by Porsche of Greensboro. Oktoberfest will be held at the Lee Street Parking lot (across from the Coliseum Complex at 1921 West Lee Street in Greensboro). There will be a People's Choice Shine and Show Charity Event; a Carolinas Region Autocross Series Event; a free catered lunch for PCA members and guests; along with other activities. ### In the Rearview:

Another 'In den Bergen' has come to a close. With over 70 Porsches beautifully displayed on the fairway at Waynesville Inn, adorable adoptable hounds from Sarge's Animal Rescue parading around the cars, tons of people snapping photos and catching up with old friends....and did I mention the rain? It was just a drizzle, sort of, and the cars really looked lovely with their high shines and the rain beading up on their hoods. It may have dampened the venue but it certainly didn't dampen the fun. Frankly, the rain held out long enough to get all the cars placed and for most people to make a lap or two around the Concours to cast their votes for their favorites. And who was the fairest of them all? Tim Herman of Hickory took Best in Show with a gorgeous Grey on Red 1965 356C. This was one beautiful car! Who came from the farthest away? John Chichester from Reedville, Virginia, driving a lovely 2013 Boxster S, which also took first in his class. There was so much gorgeous Porsche eye candy that even the most jaded Porsche enthusiast had to be impressed.

Through our raffle tickets sales and silent auction, we were able to raise close to \$3500.00 for our charity, Sarge's Animal Rescue of Waynesville, NC. We can't go without saying that this event simply could not happen without our sponsors. We truly wish to thank Harmony Motors, Jan Davis Tire Store, Stuttgart Motorwerks and Heinzelmännchen Brewery for helping to make this event great. We also want to thank Sadie Kilcrease for bringing the Goodie Store and Ron Reed for photography. And, of course, thanks to all of the volunteers and the entire planning committee.

### In the Headlights:

September 7th @4PM--Peoples Choice Barbeque Cook-off at Reynolds Mountain Pavilion in North Asheville. Please come and bring your best barbeque to be judged by the crowd. If barbeque isn't your thing, please bring a side dish or dessert. We have rented tables and chairs so you probably won't need your own chair. But please bring your own libations or soft drinks and a healthy appetite. Please contact Lauren at Lauren911@charter.net with your headcount and what you are bringing. See you then!

October 5th--Drive and Dine to the Lake Lure, Bat Cave and Chimney Rock area, with lunch at La Strada. We'll make a stop at the home of Chuck and Jeannie Shimer. Details of the drive are forthcoming, so check your email. And we may have an "after lunch" adventure for those that want that "something extra", so stay tuned and check your email.

October 12th--Our private Ingram Collection trip in Durham, NC. This event is full.

### Down the Road:

November 2--Asheville VA Medical Center "Saluting Our Veterans" car show and fundraiser. An award is given to the Car Club with the most entries and we came in SECOND last year...let's take FIRST PLACE this year. The entry fee remains the same, \$10 and one unwrapped toy for a child.

December 7--Tech Session at Discount Tires in Asheville. Details to follow.

Cheers and don't lift

Sandhills will have 4 or 5 drivers at the DE in Sep at CMP. This is always a well attended spectacle.

Just registered this morning for NCMA Porsche By Design exhibit on Nov 9. The nine Porsche videos that NCMA has released are incredibly well done and fun to watch!

Working on a fall tech session in mid-Nov. And, we will have another cars & coffee and local drive in Oct.

## Upstate Area By John Budinich

**Meeting:** First Monday of the month at 6:30pm

Greenville, SC

Contact John Budinich, Area Director  
upstate-ad@carolinas-pca.com (864) 915-0011

What a great turnout at the August meeting. We had 64 people in attendance, including 8 new members. Our parking lot area was overflowing and everyone seemed to have a great time.

Amanda Prekins with the Greenville Road Warriors hockey team was on hand to offer to have a "Porsche Club" outing at a future Road Warriors game. They will reserve a section of parking for us, have 5 or 6 Porsches on display in the entrance area and provide us with a dedicated seating area. The people in attendance at the meeting voted for holding the outing on one of the \$2 Beer Thursday's. We will be sending a note out to members with scheduling options by the beginning of September as the season starts in October.

Steve Forsstrom has put together a Drive & Dine event starting in Easley, going to Table Rock State Park, Links O Tryon and ending with lunch at Hans &

Franz in Greenville. We are looking forward to a great drive and look for a report in a future Tobacco Roads.

Porsche of Greenville has invited PCA members to a party they are having on September 12 presenting the new Panamera to the public. A note will be sent to members as soon as the details are identified. The parties at Porsche of Greenville for the new 991, new Boxster and new Cayman were great events, so I am looking forward to another one for the Panamera.

Patrick Kirby gave an update on his experience at the Porsche Sport Driving School at Barber Motorsports Park. He showed shots of the Panamera GTS, Cayman S and Carrera 4S they had for the students. He mentioned that while there is classroom instruction at the event, the majority of the time is spent behind the wheel of one of the Porsche's. While not cheap, he highly recommends this event for those interested in honing their skills and trying out the newest Porsche has to offer.

As a reminder, there are some major events coming up over

the next few months. I encourage all members to check these out and register as soon as possible. These include Driver's Ed at CMP on 9/7-8, EURO Auto Festival at the BMW Zentrum in Greer, SC on 10/18-19 (featured marque is Ferrari), Club Race at CMP on 10/25-27 and the "Porsche by Design / Seducing Speed" exhibit at the NC Museum of Art from October through February. With regard to EURO Auto Festival, as of this writing there are 218 vehicles registered including 32 Porsches. Of the 32 Porsches, 24 of them are from the Carolinas Region. Way to go Carolinas...

Look for complete details of these and other events in Tobacco Roads or on the Carolinas Region web site.

### Upcoming Upstate Area Meetings

Thursday, September 5 at 6:30 pm at Quaker Steak & Lube, Greenville, SC (Labor Day conflict)

Thursday, September 12 at 6:00 pm at Porsche of Greenville, Greenville, SC (Panamera party)

Monday, October 7 at 6:30 pm at Quaker Steak & Lube, Greenville, SC

Monday, November 4 at 6:30 pm at Quaker Steak & Lube, Greenville, SC

As always, I would ask members to keep the ideas, suggestions and feedback coming to upstate-ad@Carolinas-pca.com as they can only help to improve our meetings and activities throughout the year

## Placing a classified ad: how does it work?

This short article explains the process, what to expect, and how to make sure your ad is printed on a timely basis.

The Carolinas Region has a classified ads coordinator who handles all incoming ads. Once the coordinator receives your ad, it is formatted and checked that it includes all of the essential information. The most common reasons for rejection are forgetting to include location (city and state) of the car or parts, forgetting to include your PCA membership number (which doesn't get printed in the ad) and forgetting to include an asking price. Other formatting includes fixing obvious typos and trimming both ad copy if it's too long and resizing pictures to 800x600 pixels. Note that only a single picture is published, and only in the web version. Be aware, too, that you will not typically get a confirmation email or postcard in return. Your notification will be seeing the ad in the next edition of Tobacco Roads and on the web.

Before the end of the month, the coordinator sends the formatted ads and pictures (zero or one per ad) to both the Tobacco Roads editor and webmaster for inclusion. Because Tobacco Roads

is a monthly publication, and because there's some prep time required for that, there is a lag between when an ad is received and when it gets published. To avoid making a mess of ad tracking, the publication of web ads and the Tobacco Roads ads is synchronized so that they both appear at close to the same time.

Ads that are received before the 15th of each month will make it into the following month's issue (and web site) but ads received after that will have to wait another month before publication because of the nature of print publication. As an example, an ad received on the 20th of May will not make it into the June issue, and would first appear in the July issue. This may seem an eternity compared to internet auction or classified ad sites, but is typical for publishing (including Panorama).

The process works well and efficiently, powered solely by the volunteer efforts of your fellow club members. If you try to pattern your ad after the example printed in each month's issue of Tobacco Roads, and if you include all of the required information and email or US mail the ad so that it arrives before the 15th of the month, you'll have the shortest possible duration between when you decide to sell your "baby" and when the ad appears in both Tobacco Roads and on <http://www.carolinas-pca.com>.

## Keeping It Current:

Have you bought or sold your Porsche? Moved or otherwise had a change of address or contact information? Those updates are handled at the national level of Porsche Club of America and can be updated either on the website, [www.pca.org](http://www.pca.org) or by writing to:

**PCA National Headquarters**  
**P.O. Box 6400 Columbia, MD 21045**

**(410)381.0911 (p) (410)381.0924 (f) and email: [admin@pca.org](mailto:admin@pca.org)**

**Do you have a question you would like answered? Technical issue with your Porsche? Track technique? Etiquette? How best to clean the duster used for the next concours event victory? Send an email to [editor@carolinas-pca.com](mailto:editor@carolinas-pca.com) with your question and an expert will be contacted to address your question with both the question and answer printed in a forthcoming Tobacco Roads.**

## Want to buy or sell a Porsche, or Porsche related parts or items?

### Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beroset, Classified Ad Coordinator, at:  
[classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com)  
602 Stonehill Rd  
Chapel Hill, NC 27516-9526  
Home: 919-942-3838
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed. Submissions received by the 15th of the month will be posted in the following edition. Web and print classifieds work on the same monthly cycle
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) **Ads will run for two months.** If the item is not sold within that time frame the seller will need to contact the Classified Ad

- Coordinator at [classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com) and request an extension. Each extension will be for one additional month.
- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
  - 8) Pictures will run on the website only.
  - 9) All ads will be subject to editing for consistency and length.
  - 10) Ads should include:
    - a. An accurate description of the item or items (including VIN preferably if applicable).
    - b. Price (Ads will not be accepted without pricing).
    - c. Where you and the item are located.
    - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:

**Opt out update:**  
 Just a quick update. As of 6/20/13 we have had 375 members choose to receive the "electronic only" version of Tobacco Roads. What does this mean ?? It saves us \$ 9,000.00 per year that we can put in the bank to offset other club expenses (ie, Autocross, Christmas Party, etc). As mentioned in other publications TR is the biggest expense, averaging 3.00 per copy.

We're announcing an exciting new option to receive your copy of Tobacco Roads - we'll be offering "electronic-only" delivery. This is truly a special publication and is used to transmit valuable information content across the region. However, the new "greener" option is to send this publication out via an email link to the Adobe PDF copy posted on your region website. For those members who wish to continue receiving the hard copy via USPS, no action is neces-

sary at this time. However, if you wish to opt-out of future paper delivery, simply reply to [membership@carolinas-pca.com](mailto:membership@carolinas-pca.com) with your name and area, indicating your preference to opt-out.

Presently, the largest single expense for the Carolinas Region PCA is printing and mailing costs associated with Tobacco Roads. Each monthly copy costs the region about \$2.00 per recipient. By opting out, you're allowing the region to divert more membership funding to help support events and other special member activities. You're also guaranteed to get the timeliest copy of the newsletter in color!

Please contact me to take advantage of this offer. **If you wish to continue receiving the paper copy – then no action is required.**
