EXCELLENT SERVICE. BILLY AND HIS GUYS DID A PHENOMENAL JOB ON MY 40TH ANNIVERSARY 911. I HAD RECENTLY PURCHASED THE VEHICLE, AND IT NEEDED A REAR MAIN SEAL. WHILE IN THERE WE DECIDED THAT IS WAS PRUDENT TO REPLACE AND UPGRADE THE IMS, CLUTCH, AND FLYWHEEL. BILLY MADE THE PROCESS EASY, AND WAS HAPPY TO DISCUSS OPTIONS WITH ME. EVERYTHING WENT OFF WITHOUT A HITCH, AND THE CAR FEELS GREAT. I HAVE DEALT WITH MANY SHOPS THAT DEAL WITH SPECIALIZED AND HIGH END VEHICLES I HAVE TO SAY THIS WAS WITHOUT DOUBT THE BEST EXPERIENCE I'VE HAD.

From the Driver's Seat

Brian Powell, President

How far in advance do you plan your vacations? For us, it's generally been 5-6 months. Usually right after the beginning of the year, we'll start thinking about our summer plans. If a specific event, like Parade or Treffen, are in the plans then those take a little more forethought with registration dates and lodging deadlines. Parade in 2019 is in Boca Raton, and we're kind of on the fence on that one. Parades are a lot of fun. But South Florida in July doesn't give me hope of good driving roads. There are a few folks, like PCA Club racers, that set their year by the race calendar. Their travels are dictated by Sebring, Road Atlanta, Watkins Glen and Daytona. I know a few people who already know where they're going and when for the next 2 years. I never thought I'd be in that category until now.

Back in the 1600's, the small town of Oberammergau, Germany vowed if God spared them from the plague, they would produce a Passion Play. They were and the play has been repeated every 10 years since. The production involves the entire town with over 2000 performers, musicians and stage hands. It runs from May to September and the total play runs over 6 hours with an afternoon act, a 2 hour dinner intermission and an evening conclusion. Seeing the production has been on Angela's bucket list for a long time. We're making plans to go in September of 2020 as part of a tour group, touring some other notable point of interest in the history of Martin Luther. So I put any mention of Porsche out of my mind. I was not going to bring up that Oberammergau was less than 3 hours from Stuttgart. She's attended gracious many PCA events without ever asking for any pay-back. So although we'd be temptingly close

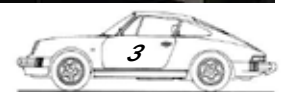

to the factory, I bit my lip and didn't say a word. Made no mention of the Mercedes Museum, nope. It would be a fun trip regardless. But as we reviewed our latest information from the organizer though, she asked "So, how many nights are we staying over to visit the factory?" What?! I love my wife. After 35 years of marriage, she still puts up with me. Add 20+ years of Porsche ownership and she's put up with a lot of Porsche-craziness. You've heard some of them, like checking our kids out of high school to go work the Club Race, hauling a set of tires home from a wedding, or recently having her first grandchild attired in Porsche onesies, and most recently squeezing 3 cars in a 2 car garage as Hurricane Florence came through Charlotte. So Lord willing, we'll be heading to the factory and museum!

One of the best and worse things about this job is the obligation to write this column every month. I've been blessed with a family that tolerates my obsession, has inherited the same and doesn't mind too much when I share family stories. Over the last 4 years, you've heard of Ben, Carolyn and Rachel growing up in the club. Going way back to 2005, they were pictured on the cover of Tobacco Roads as we attended the 50th Parade in Hershey, Pa. Ben, now a member of Sonnenschien region, has his own son, Anson, to pass along the Porsche gene to. Carolyn is recently married and Rachel has setup home in Raleigh. Although I've still got a couple more columns to fill, I want to thank you for tolerating my ramblings and musings. My intent was to show that PCA extends beyond just the car and driver, its family too. I hope I've succeeded without boring you to tears.

TOBACCO ROADS / OCTOBER, 2018

PCA Club Racing at Monticello Motor Club, Monticello, N.Y.

by Marvin Jennings, Sandhills Member

The Porsche Club of America (PCA) recently introduced a new Club Racing class for Vintage Porsches. This class includes all air cooled Porsche's from 1983 and older. This is the third year for this growing class. Due in part to early air cooled cars not being competitive when racing against newer modern cars, e.g. Caymans and Boxsters, PCA felt the need to create this class.

Each year new track venues have been added as Club Racing popularity has grown. One of the newest and most popular venues is Monticello Motor Club in Monticello, New York. It is located about 2 hours north of N.Y.C. MMC is a challenging 22 turn, 4.1 mile long track that includes hairpins, increasing and decreasing radius turns and fast straight sections.

My first thought when I arrived was, wow this is definitely a luxurious destination! Everything was new and impeccable, and looked like a country club, and that's exactly what it is! PCA is the only club that has been given the opportunity to host a club race at this track. Typically MMC is open to its members, who often fly in via private plane or helicopter, to drive their exotic cars housed in one of MMC's multiple garages.

One really cool event occurred during lunch when eight MMC members came out and drove parade laps in their Carrera GTs! Yes, I said eight! I've seen two in person, but not eight... together. MMC also features a Collector Car Gallery housing MMC members significant classic and sports cars. This first class show car facility is 13,000 square feet and overlooks the road course.

MMC was my second club race event. Of course, being very nervous after traveling hundreds of miles, still a rookie, and driving a new track! Initially, I thought I would never be able to drive his track comfortably because there were a lot of different types of turns that I had not encountered before, and my car had a lot of oversteer. After my second session I started to settle down and things were beginning to come together but; I still had a lot of oversteer. After making a sway bar adjustment the track seemed to flow better and the car felt great in the corners!

Typically during a club race weekend, Day 1 would be a practice day with practice starts, Day 2 would be practice and 30 minute sprint races, and Day 3 would consist of a warm-up session and a another sprint race. In spite of my trepidation I was able to improve my times every session. My first lap time was 3:02.994, and my last lap time was 2:53.608. The highlight of my sprint races the entire weekend was that I was always slower than two of my competitors. But, during my final race I was able to catch and pass both drivers simultaneously. This move allowed me to finish forth in class. Wow, what a sense of accomplishment! As a result of me

having a flawless event with no incidents, I am now allowed to remove the X from my rear bumper indicating that I am no longer a rookie club racer!

For those that have an early air-cooled Porsche and have been contemplating racing, do it! It is so much fun and every minute is exciting. Over my many years of track events, I've done drivers education and instructed for years but, not until I started racing did I find out how it all came together. My biggest regret is that I didn't start sooner! Go For It!

Shown below are a couple of action shots of me doing battle.

Driver's Education:

Getting ready for the Track

By John Babinski

Carolina Motorsports Park in Kershaw, SC was the site of our fall DE held Sept 8-9, 2018. By calling this our "Fall DE" we are always optimistic that with the dog days of summer behind us, temperatures will finally moderate and be a bit more tolerable. Unfortunately, no such luck this year as we had typical southern hot and humid weather all weekend resulting in repeated PA reminders to "drink some more water and keep yourself hydrated". Thankfully everyone appears to have heeded these warnings and we experienced no "red mist" issues or incidents on track. That's always a desired outcome at our DE's, where safety is our priority followed closely by having fun. Despite a slightly lower turnout than past events, those who attended were treated to a great event. Our Green student group included eight first time attendees. We're always glad to see new members taking part in our DE program. When you buy a Porsche you're buying a vehicle that was designed and built to use on the track and the DE program is the ultimate place to start learning about your vehicle's capabilities. Using a controlled environment with an experienced instructor by your side, it's amazing how quickly people build up skills and speed. As I was watching the green group go on track for their first session, there was a parade of roughly 13 cars in a constant train almost the entire session. I thought to myself "This may be a long weekend for that group if some of them don't pick up a bit of speed and get things spread out". Well, by Saturday afternoon's session, the group had spread out and obviously had picked up speed and confidence. Great job by our new students and their instructors.

After a long hot day of track time, everyone was ready for some cool beverages at our social. HBi Auto had signed on as our exclusive sponsor for this event and were the designated host for the social. They stepped up and offered a full BBQ spread which everyone enjoyed immensely based on the few scraps left in the buffet pans once we were done. Special thanks to Cheryl Folds and Kathy Boehm for coordinating and setting up the social. HBi Auto had a display of colorful track prepped Caymans and 911's showing off their shop's capabilities. They also brought along their staff and mechanics who were put to work diagnosing and fixing several cars allowing those drivers to continue enjoying the weekend. If you missed it on the Carolinas Region Facebook page there is an awesome video that was put together by HBi Auto of the weekend. See their link: <https://youtu.be/60NIHYiNuYY>. HBi Auto has already agreed to be our Exclusive sponsors at next year's CMP events. We thank HBi Auto and Billy Wenk for their continued support of our DE program and look forward to working with them at our 2019 spring and fall DE's.

Sunday morning started with a weather delay due to fog. It took a while to burn off and caused a loss of a run session for each group. Corner workers kept radio communications lively with their visibility reports. "Control, this is corner 8. Unable to see the tree line going back to turn 7 or looking on to turn 9. No way you want to put cars out here". Just when it seemed like the fog would never lift it was suddenly gone in just minutes and we were back to cars on course! After lunch it seemed like the heat was starting to take its toll as fatigued participants were starting to pack up a bit earlier than usual. Overall, another great event thanks to the help of our entire DE team. Mark your 2019 calendars for next year's spring and fall DE's at CMP on March 16-17 and Sept 7-8.

Next up is our season finale DE at Virginia International Raceway (VIR) on Nov. 16-18. This time of year it seems like the DE teams work is never done. The CMP fall DE finished on Sun Sept. 9 and registration for the VIR DE opened the next day on Sept. 10. Within the first 24 hours we already had 120 registrants. This event has been a sell out over the past years and it appears set to do it again. If you haven't registered yet, don't wait until the last minute or you may not get in. Event information is available at this direct link. <https://clubregistration.net/events/signUp.cfm/event/8745>

Thanks again to those who came out for a great fall DE at CMP. Your DE team looks forward to seeing you on track at VIR.

Once again PORSCHE OF HICKORY and PORSCHE OF GREENSBORO are our Title sponsors for this event.

<https://www.porschehickory.com/>
<https://www.porschegreensboro.com/>

They have supported us and this event for several years and we look forward to their participation again in 2018. Signing on as an additional sponsor is Quantum Speed Works (434-483-8043), offering trackside support from their shop at VIR. <https://www.facebook.com/QuantumSpeedWorks/>

For those unfamiliar with this event, it is a 3-day DE where Friday is designated for solo qualified drivers only. This is an add-on option after registering for the weekend and provides experienced drivers an additional day of multiple track sessions. Following a full day of track sessions on Saturday, we host a social in the Gallery building with plenty of food and beverages where we announce the Carolinas Region's Instructor of the Year Award. We also conduct Charity Parade Laps on Saturday and Sunday during lunchtime, weather permitting. For just a \$10 donation per car you get to drive several controlled speed laps around this iconic track. That activity is open to anyone, so bring the family and pile them in the car!

The Triad Area PCA held the September 18th monthly meeting at Captain Tom's Seafood in Kernersville. We were pleased to welcome 57 members and guests to the meeting including first time attendees Richard and Sharon Agresto, Steve Thompson, Marybeth and Scott Ford and Judy and John Wilkins. We also recognized several of our club sponsors including Steve Sudler (Porsche of Greensboro), John McKenzie (McKenzie Enterprises) and Billy Wenk and Jimmy Winchester (HBI of Mocksville). Birthday wishes and deserts went out to those attending members celebrating during the month of September including Dixon Johnston, Mary Mascenik, C.J. Holiday and Charles Branch. Steve Sudler discussed the upcoming "Celebration of Speed" charity event being co-partnered by Petty Garage and Porsche of Greensboro on September 21st/22nd at the GAA Automobile Place in Greensboro. Other upcoming PCA events were discussed including the Triad Area hosted Oktoberfest Event (Oct. 13th), Fall Tour (Nov. 2nd/4th) and the upcoming Drivers Education Event at VIR being held on November 16th-18th. Elaine Huskins and Bill Suite sold 50/50 split the pot tickets (Rick was out of town) and when the drawing took place it was Mike Mann who had purchased the winning ticket. Our guest speaker for the evening was Mike Rose, Director of Marketing at VIR. Our thanks go out to Mike for driving down to our meeting and sharing a very informative presentation about VIR and the many historical events, changes and improvements that have taken place since it was founded. Thanks to all that came out for the meeting and we hope to see you next month.

guests from the American Children's Home in Lexington including Kevin Williams, VP of Clinical Services; Eryn Crews, Director of Financial Development and Josh Gilmore, Supervisor Resident Counselor. Upon arrival we were greeted by Amber Harris and were all invited to join the "campers" for dinner. After dinner the group was given a short tour of the facility led by Val Elliott, executive director of Camp Hanes. Then we all gathered outside to make the presentation to Camp Hanes of the proceeds from the 2018 Roads and Rails Charity Event. This year the Carolinas Region, Triad Area PCA was happy to donate a total of \$12,300.00 to YMCA Camp Hanes. Thanks again to Robert Van Camp and Charlie Massler (co-chairs) for their hard work associated with organizing and planning this event. Thanks also goes out to all of the PCA members and guests that participated in the 2018 Roads and Rails Charity event.

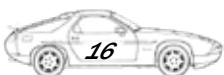

PAST TRIAD AREA PCA EVENTS:

August 21 - Drive to YMCA Camp Hanes - On August 21st members from the Triad Area PCA gathered in the afternoon in Winston-Salem and caravanned up to YMCA Camp Hanes in King, NC. We had 14 members registered for the drive along with

UPCOMING TRIAD AREA PCA EVENTS:

October 13th - Oktoberfest Event - This is our annual Oktoberfest event sponsored by Porsche of Greensboro and will be held at the UNCG Park and Drive lot (across from the Greensboro Coliseum). There will be a Carolinas Region PCA Autocross Event held along with a Charity Shine and Show Event and a free German Style lunch provided for all PCA members and invited guests. For

registration information and details see the "Oktoberfest Event Flyer" in this issue of TR. Contact jkilcrease@triad.rr.com if you have any questions.

December 4th – Triad Area Christmas Party – Details and registration information will be coming out soon for the Triad Area Christmas Party. The Christmas Party will be sponsored by Porsche of Greensboro and will be the Triad Area's last event of 2018 so mark your calendar now and save the date.

NEXT TRIAD AREA MEETING – October 16th, 2018

The Triad Area will hold its next monthly meeting on Tuesday, October 16th at Captain Tom's Seafood in Kernersville. We start socializing around 6:00pm and generally begin our business meeting and discussions at 7:00pm. So please make plans to come and join us... hope to see you then.

AutoLawn Party: The Autolawn European Classic Car Show to benefit the Hickory Museum of Art was held in mid-September. A number of Hickory Area members attended the event and several had cars on display - four of whom brought home awards! Tim Herman and his grey 1965 Porsche 356 C won "Best of Show" (Overall) and "Best in Class - German". James Stanislaw took home second place in the Hagerty Youth Choice Awards for his lava orange 2016 911 GT3 RS. As a testament to the varied interests of our members, Gene Spainhour won "Spectator's Choice" for his 1935 Morgan SS and Anita Doran won "Best Motorcycle" with her 2009 Vespa. All in all a good showing for Hickory Area PCA members

Drive for Charity: Our September meeting was held later than usual - Saturday, the 22nd - and paired with our annual fund raising tour. Forty-nine members and friends gathered at Porsche of Hickory for a light breakfast compliments of the dealership. Following a brief membership meeting, members Ruth and Phil Evans were given a special gift of thanks in honor of their 40th Anniversary as PCA members.

After the meeting, Bob Futrell introduced our drive. Each year the Hickory Area holds an event to raise money for our chosen charity, the Crossnore School (<https://vimeo.com/131904975>). This year, we decided to do a "Poker Run" - a drive wherein participants travel to designated checkpoints, drawing a playing card at each. The object is to enjoy the drive and to have the best poker hand at the end of the "run".

Members Bob and Judy Futrell did an outstanding job of organizing and running the event. The weather was perfect, the drive very pleasant and the chosen end point - South Creek Winery - was wonderful.

Upon completion of the "run", participants gathered at South Point for food, wine, music and an opportunity to socialize. Our first and second place finishers - Jim and Nelly Hess and Fariha Peters - received a nice prize, compliments of Porsche of Hickory. In addition to having a lot of fun, we raised almost \$1100.00 for Crossnore School. Given the universally positive feedback about the event, look for a repeat next year. Thank you Bob and Judy for all the time and effort invested in this fun activity.

Next meeting: Tuesday, October 9, 6:30 ~8:30:

Porsche of Hickory, 1207 S Center St., Hickory, NC 28602

Porsche of Hickory will provide dinner and, for those interested, a tech session. Kathy Boehm and the "Goodie Store" will be there for those who might want to get a jump on their Holiday gift giving (or just add to their existing Porsche wardrobe!)

We do hope you will attend. Porsche of Hickory always does a great job for us. To help us better plan for the event, please RSVP using the following link:

Upstate Area By Robert Rainer

Meeting: First Monday of the month at 6:30 PM

Hope everyone had a great summer. We are now entering fall, and without a doubt, this is one of my favorite times to get out and drive. I am going to be pulling the hardtop off the 996 this weekend. I was hoping to do it after Labor Day, but you know a little thing named Florence came through the area.

So this weekend, we are going to have our Octoberfest celebration at Hanz and Franz in Greer. I am told they will be tapping the first keg. Turns out I was lucky and chose the 22nd of the month for our gathering. Unbeknownst to me, so did the folks in Munich. So, everyone can quench their thirst Bavarian style. I want to thank George Drucker for helping out with this event as I had to see a man about a horse in Tryon that day.

If you missed the notices on the Octoberfest, you are not getting emails. You are going to have to figure out a way to receive emails from mailchimp. Check your junk and spam folders to see if there are messages from Mandy Creesman. The subject line will be "Upstate Carolina's Porsche Club of America". Also go to <http://www.priderealty.com/porsche> and sign up. Given the number of folks we have in the club, you have to make this work since there is little other alternative to sending out bulk emails.

We will have our regular meeting on Oct 1st at 7pm at Quaker Steak and Lube. WE will talk about some upcoming events. I am trying to confirm that Bobby Cranford will give us a talk on some

of the equipment his company makes that are race-related. We will also discuss the upcoming Holiday party. As you know we decided to hold it at the upstate children's museum this year, and we will be selling tickets. I am going to try to have some preliminary info for you at the meeting and set up the infrastructure to get you tickets. The gathering will be Friday Dec 7th.

Some upcoming events to consider. There is a regional autocross in Greensboro on Oct 12. We also have EuroFest coming up on Oct 20th and Tryon Rolling art on Nov 3rd. Finally, the ever-popular DE at VIR is happening on Nov 16. So, lots of things in the future. I am also trying to see if we can do a leaf peeping drive to the Sierra Nevada Brewery, but want to hold off to see what the best weekend will be.

That is it for now. Be safe. - rr

Tryon Rolling Art added an event. August 20 at 8:07 AM

The 7th Annual Tryon Rolling Art show returns to Tryon on the first Saturday in November. We hope you will join us!

Entry is free - contact us for details to sign up. All Cars, Trucks and motorcycles are welcome.

We ask that all participants bring canned food to be donated to Thermal Belt Outreach - in 2017 we donated 354 pounds! ... [See More](#)

Our regular monthly LKN Area meeting will be as usual on the fourth Thursday of the month, i.e. September 27th (after the deadline for this edition). This will already be our sixth time we will have met at our new "home", the Peninsula Yacht Club in Cornelius. Our featured speaker will be Bryson Kiser, PCA member in the Hickory area, who is also on the organizing committee for the PCA event in Glade Springs in May 2019, which will be a Thursday through Sunday event with drives, car show, and gimmick rally. More to come!

We had another Porsche drive on the north side on September 8th to Black Mountain, NC via Lake Lure. The drive was again extremely popular with 15 Porsches as well as 25 participants. Our tour leader Bob Mulica together with his navigator Susan did a great job leading our group through some beautiful country and especially mountain roads in Western NC. As always, we met at Waterbean Coffee in Huntersville, and via Lincolnton we continued to Lake Lure, where we stopped for a brief photo op (please see photos below) at this beautiful NC lake. From there, we headed north on some fantastic roads to the "Berliner Kindl" restaurant in Black Mountain. As you might have guessed, it does serve some great German food, certainly fitting for a group of German sports car enthusiasts...

We are planning on having another drive on November 10th, to Ricketty Bridge Winery, so please stay tuned and mark your calendars as these drives tend to fill up quickly!

Event Reminders:

Every second Saturday from 8:00 am to 10:00 am is Cars and Coffee at Waterbean Coffee in Cornelius (at the corner of Catawba Av. and Jeton Dr.). Great local event, about 80 some cars.

Also every second Saturday from 9:00 am to 11:00 am is Stuttgart Saturday at Hendrick Porsche.

Cars and Cappuccino, every Third Sunday - (1609 Elizabeth Av., Charlotte, Earl's Grocery, 9:00 am to 11:00 am), for the "European Sports Car".

Every third Friday, Hot Rods and Hops, great family entertainment with brewery and food vendors (10228 Bailey Rd., Cornelius) starting at 6:00 pm, mostly American muscle cars with a few Europeans too.

The next PCA meeting is scheduled for Thursday, October 25th at The Peninsula Yacht Club (6:30 pm), 18501 Harbor Light Blvd., Cornelius, phone 704-892-9858.

Metrolina Area by Doug Strait

The Metrolina Area held our monthly meeting at the Waldhorn German Restaurant on Wednesday Sept. 19. Although attendance was light due the impact of Hurricane Florence, 23 of our members who ventured out, had a great time and extended me a very warm welcome as the new Metrolina Area Director. Mr. Steve Mann of Hendricks Porsche, was there in support of our meeting and provided some very nice door prizes, that we included as part of our 50/50 Split the Pot raffle that benefits our featured charity the 2nd Harvest Food Bank. Debbie Shinn won the pot and took home a healthy \$95.00. Several of our other loyal members won some very nice swag, including a nice license plate cover, Porsche post cards, posters and Rick who had a new set of 997 floor mats, donated them to our raffle that Bill Wolfe took home for his 2005 Turbo.

Doug featured a new segment to our meeting, he referred to as McGivers Tips & Tricks, in which he showed how easily you can dress up your lug nuts and rotor hubs by using a rotary metal brush on your cordless drill and some Jet Black spray paint to spruce up your lug nuts and rotor hubs. If you have any similar ideas or techniques you use to enhance your ride, please feel free to share them with us, and we can feature your ideas at our upcoming meetings. Please submit your ideas and pics to me via email: carerra9972@gmail.com

With our annual club Christmas party just around the corner, we discussed ideas on where and when to hold our party. Stay tuned, as we explore some fun places to share the Christmas Spirit. Also, George Shinn had a great idea to have our monthly meetings on a Saturday morning, to get a better turnout and beat the traffic and work schedules that we all have to deal with trying to get to the meeting. If you have an opinion on this, please share it with me, so we can make better plans for our meeting in the future.

I'm very excited to take the lead of Area Director, and look forward to a great fun-filled future. Hope to see you all at the upcoming Fall Tour 2018.

Thank You for your Support!

Sincerely,
Doug Strait

A couple of us did go to the DE at CMP, although we did not get on track. Great fun to see the large crowd...especially the large novice group! Looking forward to VIR in November!

Marty

Sandhills dinner meeting in August attracted thirty-three members and guests to Fratello's Italian restaurant. Thanks to Porsche Greensboro, Porsche Wilmington, and our own charity raffle maestro, Larry Wolff, we added \$320 to our SCC scholarship funds. The September 25th dinner moves back to Elliott's on Linden.

Pinewild CC held it's annual car show on Sep 8th and Porsches far out numbered other marques thanks to Sandhills members!

The highlight of September activities revolved around the Richard Petty Foundation events at the Petty museum for dinner on Friday 21st and the indoor car show at Greensboro Palace on Saturday. This was the 2nd year for the event. It is unique in that cars of all marques, motorcycles, trucks, hot rods, etc. participate to support the Petty charities. Porsche Greensboro plays a major role in sponsorship and organization. Bob and Rory Ingram were there even though they are currently focused on Rennsport in Monterey where they will show six Porsches from The Collection.
