Sadie Kilcrease, President

May was a very busy month for the Carolinas Region with area and regional events filling the calendar. Our annual Carolinas Region Sommerfest returned to the Pinehurst Area this year and was hosted over the Memorial Day weekend by the Sandhills Area in conjunction with the Sandhills Motoring Festival. What is the Sandhills Motoring Festival? It is considered to be the replacement for the Pinehurst Concours d'Elegance which ended in 2017 after a 5 year run. Car enthusiasts wanted to fill the void. In 2018 several Mercedes-Benz and Porsche enthusiasts formed The Sandhills Motoring Festival and The Inaugural Event hosted by MBCA and the Carolinas Region PCA was held—a 4 day event over the Memorial Day weekend. Focused on cars and camaraderie it was a fun filled weekend with Road Rallies, Restoration Shop tours, concours and social dinners. The Inaugural event was a huge success and so plans began for 2019 Sandhills Motoring Festival.

Marty Barrett, Sandhills Area Director, and Marvin Waters, our Social Media Chair and one of the organizers of the Sandhills Motoring Festival, discussed hosting Sommerfest in conjunction with the Sandhills Motoring Festival over the Memorial Day weekend. Several meetings and hours of discussion later, the decision was made that Sandhills Area would host our Carolinas Region Sommerfest in conjunction with the Sandhills Motoring Festival. Plans started last Fall for the big event. Much excitement was generated and continued to mount until the big weekend finally arrived. It was a huge success including a Concours event in downtown Pinehurst. There will be a separate write-up on the event giving more detail about all the activities. I would like to extend a big THANK YOU to:

- Porsche Greensboro for sponsoring our Sommerfest Event
- Marty Barrett, Marvin Waters and all the organizers/volunteers that worked both events
- Goodie Store Chair, Kathy Boehm for bringing the Goodie Store
- All the participants for supporting the events and the Carolinas Region Goodie Store
- Porsche Club of America for supporting the event

Check the calendar for upcoming events in your area and around the region. Autocross Event # 2 is scheduled for June 9 at Michelin Proving Grounds in Greenville, SC. Autocross Event #3 is scheduled for July 14 in Greensboro. For more information contact Wayne Capwell at autocross@carolinas-pca.com or David Harrison at autocrosscochair@carolinas-pca.com

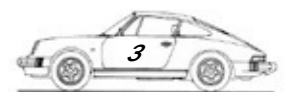

I am looking forward to attending the Lake Norman Area

Meeting on Thursday, June 25. This will be our first visit to the Lake Norman area and I am excited to meet new members and visit with old ones.

Sad news..... Dick Lane passed away on May 22. Dick and was a member of the Porsche Club of America for 39 years, serving in many leadership roles with PCA National as well as several Regions of PCA including the Carolinas Region. In addition to holding several officer positions in the Carolinas Region, Dick served as Chief Instructor for Carolinas Region High Performance Driver Education Events for 10 years and was co-founder/owner of the Carolina Motor Sports Park located in Kershaw, South Carolina. Dick had a passion for Sports Cars and racing and was an avid racer. He loved sharing his passion and knowledge of driving with the many drivers that participated in the HPDE. Our thoughts are prayers are with Helen Lane, his wife of 49 years and a former Carolinas Region President, and all of the family. RIP our friend....

Look forward to seeing you around the Region....

The Bucket List

article provided by Brian Powell

I'd always read about Bucket List trips, I never thought I'd do one myself though. Back in February, I was talking to my son, Ben and offhand mentioned the Petersen Museum "Porsche Effect" exhibit was closing and we hadn't been to see it. He'd been interested in it too and on a whim, we chatted about meeting out there for a weekend. He'd fly out of Pensacola and I would depart Charlotte for a long weekend to Los Angeles. I let the idea drop, thinking better of it. Flying to the west coast for barely more than 48 hours to visit a museum didn't seem like the best use of time or money. We continued to bat the idea around and finally said "Lets do it". We'd fly out on Saturday, April 7th, go to the museum on Sunday, visit a few other sites on Monday before catching the red-eye back Monday night. My coworkers thought I was nuts. Trying to explain a trip to Los Angeles to visit an exhibit at car museum, I finally gave up and just shortened it to we were visiting a museum.

The Petersen is a one of a handful of museums around the country dedicated to the automobile. In collaboration with Porsche A.G., Porsche Design of America, the Porsche Club of America, and others, the Petersen gathered significant Porsche road and race cars into a special exhibit celebrating the 70th anniversary of Porsche and the extent of Porsche into our culture. The exhibit contains not only an impressive collection of Porsche vehicles but also memorabilia and other artifacts.

We made our plans, but Ben didn't want to be stuck driving a standard economy rental. Being a savvy techie, he cruised Turo trying to find something interesting. Turo is a person to person rental app, similar to VRBO or AirBNB, only for cars. Looking through the options, we saw everything from GT3's to Hyundai Elantras. Ben was looking for sporty, but I reminded him how much we'd be sitting in traffic. So as much as he wanted to sample the GT3 or the Civic Type R, we'd need something better suited for sitting in Los Angeles traffic.

As the weekend got closer, I noticed the local PCA region was having a cars and coffee style event at the museum on the Sunday we would be visiting the exhibit. So in addition to seeing the collection inside, we'd get the extra bonus of seeing the Porsches gathered outside.

Ben arrived first on Saturday morning. As I arrived, he was waiting to pick me up at LAX in a white Kia Stinger packing a 330hp V6 twin-turbo. We'd read a lot about the new Stinger and thought it would be a good chance to try it out. Our first afternoon was playing tourist, cruising through Beverly Hills and Hollywood. We drove Mulholland Drive, spotted the Hollywood sign, hiked up to the classic LA landmark Griffith Observatory before heading back to the hotel to wrap up day one.

Sunday dawned and we headed over to the Petersen Museum to check out the local region's get-together. As we got closer, we could have turned off navigation and just follow the Porsches. Heading up the parking deck, the entire top level was filled with easily more than 100 of Stuttgart's finest. Ben and I didn't know where to start, 356's over there, a Singer over here, a couple of Ruf's in this corner, a 964 Carrera RS hiding in that corner. As we wandered the field, we were welcomed by several local PCA members. One owner had owned his 912 since new. With over 200,000 miles he'd driven it all over the US and recounted stories of changing the oil and checking the valves in the Badlands of South Dakota. Another owner, of the 964 Ruf, had a long conversation with Ben about wheel offsets and tire widths.

As the PCA event came to a close, we headed inside the museum to begin our tour, passing a Jeff Zwart Pikes Peak Cup Car and a Jagermeister liveried 962. We had made 11:00 AM reservations for the Petersen Vault. The Petersen houses over 400 cars, but not all are on exhibit. When not on display, the cars in their collection are housed under the museum in the Vault. The Vault tour is a guided tour led by a Petersen docent. During our 2 hour tour, we walked through the collection while our docent pointed out the significance of each vehicle. Ben and I were somewhat disappointed by the Vault tour. Being a guided tour, we were at the mercy of our docent's time management. There's so much to cover in the vault that by the time our 2 hours were coming to a close, we had to run through the Post-War era. After our vault tour, we headed back into the museum to visit the 3 levels of exhibits. We were now able to go at our own pace. One exhibit, Winning Numbers, celebrating race cars of all different shapes and sizes. Starting with a 1950's Belly Tank Racer that literally started from a left over WWII aircraft belly tank. Of interest to Ben and I were the Le Mans class winning Ferrari 250GT, a 1967 Ferrari 625/250 Testa Rosa, and the Bruce Meyer owned Kremer K3 infamously campaigned by the Whittington brothers to an overall win at the 1979 24 hour of Le Mans. Continuing through the building, I've always been a Bugatti fan, so I stopped off at a beautiful deep

blue 1939 Bugatti 57C once owned by the Prince of Persia. Each of the 3 floors had something of interest. While Low Riders are not my thing, you've got to be amazed at the intricacies of the paint and interior work.

As we worked our way down to the first level to our reason for the trip in the first place, the Porsche Effect Exhibit, the first car we saw was the 50th Porsche car produced, a 1949 Gmund Coupe, beside it was a 1951 356 SL Gmund Coupe. Showing the range development put into the original 911 design, a Guards Red '65 911 alongside a 959 in the same color. Showing off the years of racing heritage, a 550 spyder, 910, 917 short tail, 962, 911GTLM, RS Spyder and wrapping up with a 919. For an example of recent production cars, a 2016 911 Club Coupe in Club Blau signifying the 60th anniversary of PCA was on display. A black and white list of cars just doesn't do the exhibit justice though. Outside of PCA Parade, one of the best collections of Porsche road and race cars I've seen. Ben and I left the museum having our fill of automotive eye candy.

We were flying out Monday evening on the red-eye, so we had one more day to explore Los Angeles. For starters, we took the Stinger up the Angeles Crest Highway to Mt Wilson, 5700 ft above sea level. Since it was a Monday, we were blessed with very little traffic and were able to exercise the Stinger a bit. 47 miles later we were at sea level, sitting at the beach in Santa Monica. We grabbed a bite of dinner as the sun went down and headed to the airport. As we returned the Kia to its owner, overall I was impressed with the car. Although there were some finishes that weren't up to par with what you would expect in a \$50K car wanting to compete with the like of Audi and BMW. Dropping of at the curb, Ben and I said our goodbyes having a great father-son weekend. It was a lot of air travel for a short visit, but it'll make good memories. Hmm, now about the Simone Foundation Museum in Philadelphia..?

THE TRIAD AREA PCA held the May 21st monthly meeting at Capt. Tom's seafood in Kernersville and we were pleased to welcome seven first time attendees to our group. They were Jim Markus, Dale Moses, Pat and Dell McGill, Bob Eaton and Francis and Joe (sorry, did not get their last name). We were pleased to welcome 57 members and guests to our meeting that included sponsor representatives Steve Sudler from Porsche Greensboro and Evan from HBI in Mocksville. Rick and Elaine hosted the 50/50 charity split the pot table and at the end of the evening, Tonya Reed was the lucky winner taking home \$71. Birthday wishes and free birthday deserts went to Dave Tosi, Marcia Johnston and Blair Holden and the group all joined in to sing Happy Birthday. Ron Reed had a collection of past PCA event photos displayed on the overhead and our guest speaker for the evening was Spencer Gates, Territory Manager for Hagerty. Spencer gave us a short discussion covering some of the many products and coverage options offered by Hagerty for owners of exotic, collectibles and current model cars that could be of interest to our members. Many thanks to Spencer for his presentation and for making a round trip from from Charlotte to be with us. After discussions covering past and upcoming Triad Area and Regional events, we ended the meeting by giving out several door prizes to lucky ticket holders including Ron Reed, Alan Picket and Jimmy Marcus. It was a good meeting, lots of fun and conversations shared between PCA members and guests. Thanks to all that came out and we hope to see you next month.

PAST TRIAD AREA HOSTED EVENTS: - May 18th, 2019 – Joint Area Picnic -We had a great turn out for the Joint Area Picnic from the Triad Area and Hickory Area at the Greenstreet Camp Grounds in Traphill, NC. We had a total of 82 members and guest attending and all had a great time and enjoyed the fun and activities planned by event hosts Herbert and Kathy Boehm. HBI sponsored the picnic and many thanks from all of us goes out to them. The Triad Area had 12 cars (including several Porsche SUV's) and 23 people show up at HBI's facility in Mocksville for coffee and doughnuts and a tour/introduction to their personnel and facility. Afterwards we caravanned up to the Greenstreet Camp Ground where we met up with folks from the Hickory Area and other members that elected to drive directly to the event. After staging the cars for the Shine/Show, everyone enjoyed a catered BBQ lunch with all the trimmings, then we all went outside where everyone checked out the Porsches that were staged for the People's Choice Shine & Show. Next came the golf cart autocross with the driver wearing blacked out glasses and given directions by a navigator sitting beside them. Lots of stories to tell but this event was the highlight of the day. A lot of laughing and joking but after everyone that wanted to participate had a turn and the best times were determined, Daniel and Troy of HBI were the trophy winners. The winners of the Shine and Show were Phil and Ruth Evans from the Hickory Area in their 1969 912. Beautiful car and thanks to Phil and Ruth for attending. Herbert and Kathy also presented a "team resulting in the most laughs" award from the blind driver golf cart event and that award went to Jerry Kilcrease, driver, and Sadie was doing the navigating. It was a great day, lots of fun participating in all of the activities and enjoying socializing with other Porsche enthusiasts. Thanks to all that attended and special thanks to Herbert and Kathy for planning the event and especially thanks to our sponsor HBI, Billy Wenk and all of their staff.

UPCOMING TRIAD AREA HOSTED EVENTS:

Friday-Sunday, June 21st-23rd – Roads and Rails Charity Event: There is still time to register. For registration and information on all of the activity details go to www.clubregistration.net and sign up for the event. This is the 8th year that Robert Van Camp has chaired the Roads and Rails Charity Event benefitting YMCA Camp Hanes located in King, NC. This year our group will be travelling on the Great Smokey Mountains Railroad departing from Bryson City. Host hotel is the Pisgah Inn on the Blue Ridge Parkway. This event fills up fast so get your reservations posted early. Contact Robert Van Camp at www.gsrj.com if you have questions or need addition information. See the Roads and Rails event flyer in this edition of TR. (add Road/Rails flyer that was

used last month)

Saturday – July 20th, Porsche Corral at the American Children’s Home in Lexington, NC. Again this year the Triad Area PCA will be hosting a charity events in support of the American Children’s Home that provides services and homes for abused and abandoned children. Porsche Greensboro is our sponsor and they will be providing a ‘Marquee’ display of new Porsches, there will be a fun Shine and Show completion with 1st, 2nd, and 3rd place awards and other surprises. Complete details and registration information will be coming later but please circle your calendar and make plans to join us for this very worthwhile and fun annual charity event.

At the January annual planning meeting of the PCA Carolinas Region, Herbert Boehm approached Jerry Kilcrease (Triad Area Director) and myself with an idea: Why not have a picnic at a private resort near Stone Mountain NC? We could have lunch, play some games and even stage a golf cart autocross - with driver blindfolded, no less. To say the least, we were intrigued. After some discussion and preliminary planning, we decided to take Herbert up on his idea and to make this a joint Triad/Hickory Area event. Herbert’s idea came to fruition on Saturday, May 18th ... and what an idea it was!

Nearly 50 people participated from the two Areas. Since HBI Automotive in Mocksville, NC graciously agreed to sponsor the event, the majority of Triad members met there for a light breakfast prior to traveling to Greenstreet Mountain Resort Campground in Trap-hill, NC – site of the event. The Hickory contingent met at Porsche Hickory for breakfast – compliments of the dealership – and a brief membership meeting. The two groups travelled separately but arrived on site at exactly the same time.

Herbert and Kathy (Goodie Store proprietress) are part-time resi-

dents of the “campground” that includes a meeting hall, fishing lake, and a variety of games and activities. With the help of some friends and fellow residents recruited to help out, they did a wonderful job of organizing the event.

Shortly after arrival, we were ushered to the meeting hall for lunch, compliments of our sponsor HBI Auto. Locally prepared barbecue and all the fixin’s were on offer along with a variety of homemade desserts. Afterwards, participants gathered in the shade for a little relaxation and to socialize with friends. Folks also had an opportunity to review the cars on display and to vote for their favorite.

The objective, of course, is to travel the route in the least time without knocking over any cones - time is added to your score for each downed cone. This proved to be a real test of how and how well spouses communicate with one another. Though no tempers were seen to flair, there were a few instances of quiet frustration.

When the dust settled, all agreed it was a really enjoyable event. Lots of laughing, a little teasing, a lot of good-natured fun. The Blind Fold Autocross was won by representatives of HBI Auto. They had the lowest time and NO downed cones. Sadie and Jerry Kilcrease won the award for “Most Entertaining” Autocross participants – you had to be there to know why. Phil and Ruth Evans won the People’s Choice Award with their 1969 911-E.

It wasn’t long before the start of the “main” event was announced – blindfolded golf cart autocross. Herbert had laid out a course in the grass and provided the golf cart. As the start time approached, eager participants could be seen walking the course and devising their strategy to “crush” the competition – no competitiveness in this group! The driver of the cart was required to wear a pair of black glasses that completely blocked his/her vision. The passenger/navigator was responsible for providing direction and guiding the driver through the course. In most cases, driver and “navigator” were husband and wife – this could be tough on a marriage!

As folks packed up to leave, there were rumblings of "We need to make this an annual event". I'm not sure our hosts will be up for that but I am reasonably sure we will be back. Many thanks to Herbert and Kathy Boehm, Jerry and Sadie Kilcrease and, of course, HBI Auto for a great time.

After the picnic, a small group of Hickory Area Members decided to check out a couple of the wineries in the area. A little wine at the Jones-VonDrehle Vinyards and a delicious dinner buffet at Roaring River Winery provided a fitting finish to a full day.

Next meeting

- June 11 (Tuesday) – Monthly Membership Meeting - 6:30 – 8:30 @ Fourk Restaurant, Hickory,

Ladies in Porsches

The May meeting of Ladies in Porsches (LIPs) was held in Statesville where we were joined by the Greensboro area ladies. Gathering at the Twisted Oak American Bar and Grill, the group of sixteen enjoyed a delicious lunch and a chance to socialize and visit with other ladies in our region. We decided to "split" the 50/50 and each group collected \$40.00 for their charities. It was a fun day and both groups agreed it's something we want to do again. Looks like another Road Trip is in our future!

Coming up:

- June 18 (Tuesday) – Ladies in Porsches - 11:30 to 1:30 @ Fourk Restaurant, Hickory
- June 26 (Wednesday) – Weekday Drive and Dine – 9:00 to ???, Porsche Hickory to TBA

Down the Road:

- July 16 (Tuesday) - Ladies in Porsches - 11:30 to 1:30 @ Fourk Restaurant, Hickory
- July 20 (Saturday) – Breakfast meeting/Drive and Dine – 9:00 to 3:00, Porsche Hickory to Shatley Springs Restaurant

Upstate Area By Robert Rainer

Meeting: First Monday of the month at 6:30 PM

So it is hard to believe the year is half way over. The June meeting will be held Monday June 3rd at Quaker Steak and Lube at 7PM. We had a decent turn out at our may meeting and I gave relatively short notice. Andy talked about the Chop top Challenge and showed a short film. It was very entertaining. Some folks go all out.

Jeff Price will be hosting the June meeting as I will be in the Atlantic Ocean sailing with my brother in law. I really appreciate his willingness to help out. Not sure we have much to report on, so it will be more of a social event. We have been having some great weather, and some nice new cars have been showing up. I wish I could be there as I finally got my engine installed and the car is running. I took it out for its inaugural run today and so far so good. Just a few minor adjustments and I should have it dial in.

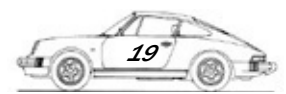

So at the end of last month, we had Luft Wasser and Brevard. The Appalachian region put this on, and It has only grown. About 170 cars. We had a small group meet up on sat and we drove up there. We took over about 3 blocks of main street and there was a nice variety of models represented.

Some regional things coming up. The Sandhills area is hosting Sommerfest later this month. I think it starts on May 24th. On June 9th there is also an Autocross in the area. If you are interested, might be good to check out. I hear the facility is quite nice. The event is Sunday June 9th at 7:30 to 3:30 at the Michelin Proving grounds in Laurens. They are going to have another autocross event in Greensboro on July 14th.

So now that you made it this far. We are also going to have a drive and dine event after this months cars and coffee. So if you want to grab a bite, we are going to have an informal gathering at about 10Am and leave from Michelin off of Pelham road. We will probably head up to Saluda and have some lunch. That will happen on May 25th. This is the mothers day event I have been talking about. I decided the weather was too nasty on mothers day, so I though this will be a good time to meet.

Finally remember the parade is on the east coast this year. I found out that there are budget flight to south Florida and I plan on showing up for the concours. That is happening around July 20.

See you soon, and enjoy the ride... I am glad to have my 996 back. The 928 did well. Now I have to fix my range rover. Take care– rr

Lake Norman Area by Christian Roedlich

Monthly Meeting: Fourth Thursday of the month at 6:30
Location: The Peninsula Yacht Club (Cornelius)
Contact: Christian Roedlich Area Director
christianroedlich@hotmail.com

As usual, we conducted our last meeting on the fourth Thursday of the month, i.e. on April 25th. It attracted around 25 PCA members from the Lake Norman area to our "home", the Peninsula Yacht Club in Cornelius. As always, we had a great social and finally called the meeting to order after about 45 min (otherwise we would have never started with dinner...). It is great to see how well Porsche people get along and love communicating with each other and exchanging thoughts and ideas.... As always the PYC staff had arranged for a Porsche corral, so as to safely park our beauties, which is highly appreciated! One of the first timers was driving a GT3RS - not the worst mode of transportation to bring to a PCA meeting...

Wayne Capwell, the PCA Carolinas Autocross Chair, addressed the group talking about the great fun all of us can have when taking our Porsches to an Autocross. BTW, Wayne stressed that Autocross may very well be the safest way to open up our Porsches while simultaneously having a blast! There are still several Autocross events coming up this year in Greenville, SC and Greensboro, NC: 6-9, 7-14, 8-18, 10-12.

As always we had our 50/50 raffle at the end of the meeting that generated \$205. The winner of the cash prize, Chuck Harris, donated the money to the children at Barium Springs, ensuring that all the money raised goes to people who need it. Thank you for your generosity Chuck! Of course, there were plenty of other great prizes most of them purchased from the Goodie store.

We had a great ride through the NC mountains on May 4th, driving towards Lenoir. Led by our past president, Brian Powell, we hit some fantastic twisty roads - not always at legal speeds though. We had a total of 10 Porsches participate, which seems to be a great number for a rather enhanced driving experience. We can only recommend signing up for our next drive in the fall.

We want to continue keeping our monthly meetings interesting for our PCA members. Therefore, we are always looking for suggestions and ideas for speakers as well as events we may want to plan for the LKN area. The Upstate Area has been conducting a very successful chili cook off for years (to raise money for charity). Is there anybody interested in spear heading something similar in our area? Just let me know.

Event Reminders:

Every second Saturday from 8:00 am to 10:00 am is Cars and Coffee at Waterbean Coffee in Cornelius (at the corner of Catawba Av. and Jeton Dr.). Great local event, about 80 some cars.

Also every second Saturday from 9:00 am to 11:00 am is Stuttgart Saturday at Hendrick Porsche, free coffee and donuts for participants.

Cars and Cappuccino, every Third Sunday - (New Location: South Park Mall in front of Maggiano's, 8:00 am to 10:00 am), for the "European Sports Car". This has grown into a rather sizable event.

Every third Friday, Hot Rods and Hops, great family entertainment with brewery and food vendors (10228 Bailey Rd., Cornelius) starting at 6:00 pm, mostly American muscle cars with a few Europeans too.

The next PCA meeting is scheduled for Thursday, June 27th, 2019 at The Peninsula Yacht Club (6:30 pm), 18501 Harbor Light Blvd., Cornelius, phone 704-892-9858.

SUMMER FUN IS ROCKING in METROLINA!!

Wow! What a busy and fun time we're having so far this year. The May 2-5, Spring Tour to the Glades Resort in Daniels WV, was a great time with 49 cars from 3 regions enjoying catching up with old friends and making many new ones. The weather held out for us, and we headed out for several fun drives & sight seeing, working our way thru all the twistie's & switch-backs along the beautiful scenic roads of West Virginia and Virginia. The sun came out on Saturday, and we had a great car show and more fun drives, especially the drive led by our very own "Queen of Curves" Ms. Re Racer.

Porsche Corral and Wayne's Presentation

On May 12, Bud Oerlhi, put together a very well organized and detailed drive & lunch to Seagrove NC, the Pottery Capital of the USA, where we enjoyed stopping at the NC Pottery Museum and the numerous farms/pottery shops, showcasing their crafts and history.

May's 50/50 Split the Pot winner was Mr. Greg Gervasi, and Linda Liberty won the door prize, a very nice Porsche Martini #21 Racing coffee mug. Bobby McNeil got a nice Porsche 2019 calendar.

MacGyver's Tips & Tricks this month featured Mr. David Gold "The Radar Guy" telling us about the latest on-board electronics for our cars, including radar systems, GPS/stereos etc.

UPCOMING EVENTS & SCHEDULE: JUNE 19, PCA MEETING: Wed. June 19, at Maggiano's South Park mall. Meet & Greet in the bar at 6:30 PM. Dinner and meeting starts at 7 PM. **PRIVATE PARKING** for club members is in the Valet Parking lot just behind the pick-up lot across from the entrance. Look for a Porsche SIGN to mark our spot.

JUNE 23: We have 15 spots reserved for the annual Raffaldini Winery Euro Car show. An organized drive will be led by Rich Wit-

tholt. This is always a great trip, so plan on attending. <https://www.raffaldini.com/events/Euro-Car-Show>

JULY 6th, CHRISTMAS IN JULY: Dive to West Jefferson NC, to join in the fun day enjoying craft beers, food and Christmas items. More details to follow later in June.

JULY 13, CORE AUTOSPORTS TOUR: Join the Metrolina Area PCA Saturday July 13th at 10AM... for a tour of the Core Autosport race shop. Meet Michael Harvey, the GTLM team manager, at the Core Autosport complex, 483 Lakeshore Parkway, Rock Hill, SC, 29730

****See the new Porsche mid-engine #912 and #911 RSR GTLM race cars and the Nissan DPi prototype.**

Core Autosport was named official partner to operate Porsche's GTLM factory team in the IMSA SportsCar Championship series in 2014.

Currently the Core Autosport GTLM program is top of the IMSA/WEC race series championship points.

PLANNING FOR 2019: If you have any ideas or events you would like us to set up, please feel free to share them with us, and we can feature your ideas at our upcoming meetings. Please submit your ideas to me via email: carerra9972@gmail.com. If you would like to set up a drive, let me know and we can put together a team to help make it happen.

COMMUNICATIONS UPDATE: If you're not getting emails about our meetings etc. please send me a note to my personal em: carerra9972@gmail.com so I can update our database.

Thank You for your Support!

Sincerely,

Sandhill Area hosted Sommerfest over Memorial Day weekend in Pinehurst....May 24-26. We returned to the site of Sommerfest 2015 and added several new aspects to this annual Carolinas Region event. The big change was combining PCA Sommerfest with the second annual Sandhills Motoring Festival (SMF) which features Porsche and Mercedes Benz Clubs, and includes local Ferrari Club members, British Car Club and a few BMWCCA members.

Over 200 car club members registered for at least one event over the weekend, while most attended 3 events or more. 225 attended the Welcome Party Friday evening at Little River Resort. All proceeds from the entire weekend of events are donated to Sandhills Community College Foundation to support automotive technology training and education.

Porsche Greensboro and Foreign Cars Italia lead a group of sponsors including Mercedes Benz Fayetteville, Hagerty Insurance, RM Sotheby's Auctions, The Village of Pinehurst and Carolinas Region PCA. Porsche Greensboro's generous sponsorship permit-

ted PCA members to attend all events, including two dinners, for \$50 each! Incredible! Thank you to Steve Sudler, Jason Hausler and Matt Davis!

Sandhills Motoring Festival was created by Marvin Waters, a Sandhills PCA Area member. His key Sandhills Area team members included Bill Ainsley, Marvin Jennings and me. He was also assisted by Steve Redwine, Bill Faison, Chris Smith from MBCCA and John MacIntyre led the registration team. All of our Significant Others helped put together materials and manage all the details!

Four major Sommerfest/SMF events were attended by club members and guests from all Marques: Welcome Dinner, Fun Rally, Village Concours and Awards Banquet. Other events focused on specific activities like scenic driving tours, dealer and restoration shop tours and visiting Pinehurst local attractions. A highlight event for PCA Members was a visit to John & Jan Gregorich's modern and classic car collection! More on that in a future article.

The following pictures tell the story of the event. It was a successful Sommerfest/SMF in spite of unusually warm temperatures! The charity donation will be several thousand dollars! Over 60 volunteers helped in many ways to make this event a success! We estimate over 1000 people attended the SMF Village Concours in Pinehurst.

We continue to have some great social gatherings in the Triangle

The past 4 weeks has been exciting for the Triangle Area! We had a wide range of experiences this month that ranged from a once-in-a-lifetime event at the beginning of the month, to a great Cars & Coffee morning with members we haven't seen in a little while.

Before we describe the events in May, I want to thank Kelly Quisenberry and his wife Shanti for hosting our monthly dinner at Nantucket Grill in Chapel Hill. I was away for a business trip and couldn't be there. Here's what Kelly wrote me about the meeting: "The April meeting was quite a success and although our fearless leader was away on business, everyone was in good spirits! We had two new attendees show up: Ed Beroset (Gold 1980s era 911 SC) and Andre & Annis Boursse (Black 981 Boxster). They shared their stories of their first Porsches and a few of the cars they've owned in between."

On May 4th, Porsche Southpoint hosted its monthly First Saturday Cars & Coffee event. Members from the Carolinas and Hurricane Regions were in attendance. But, this was a very special event! Brian Redman, one of Porsche's greatest race car drivers and one of the most accomplished drivers in the world, was there to sign copies of his new book: *Daring Drivers, and Deadly Tracks*. He told us stories from his amazing career with unbelievable detail. His memory is astounding! Those of us who purchased a book were able to meet him - he is a very personable man, with a great sense of humor.

We also heard from Bob Ingram and his son Rory regarding the gas explosion that damaged part of their world class Porsche collection in Durham. Although the explosion tragically claimed the life of one individual and did extensive damage to the buildings and businesses in the area, the Ingram collection sustained relatively little damage and will be restored to its previous glory. The president of Porsche North America was also at the event to express his support of the Ingrams, who have been loyal friends to the Porsche family and organization for decades.

We finished up with a great Triangle Area Cars & Coffee on May 18th, which was attended by 10 members. The weather was perfect for a morning of car talk and social time. Steve Castillo's Cayman made a particularly big impression because of its Martini Racing livery. But, all of the Porsches were admired by PCA members and mall shoppers alike!

As always, please let me know if you have any questions about joining us for one of our monthly meetings. And be sure to check our meetup page for upcoming special events!

Have a great month!

Bob
