# From the Driver's Seat

Sadie Kilcrease, President

What a heat wave we have been experiencing....but it has not dampened or slowed the activities of the Carolinas Region.

On June 27 I visited Lake Norman area for their June meeting. The meeting was held at the Peninsula Yacht Club and started with a gathering in the parking lot reserved for the Porsche Club. Beverages and water were available and the "kicking of the tires" and mingling with fellow Porsche members began. Christian had a challenge in trying to get the group inside for dinner and the business part of the meeting. The meeting was like a family reunion for me. There were a number of members in attendance that I had not seen in a long time. One of them I had not seen since 2004—William "Bill" Swartz. In October, 2004, the Carolinas Region held a Driver's Education event that included a "Ladies Only" run group. Jerry signed me up to participate. Bill Swartz was my instructor. What a surprise to see Bill and reminisce about that weekend. (include picture). Another bonus for the meeting...Martin Steger was the guest speaker and it is always a treat to hear Martin speak. The meeting continued with door prizes and the 50/50 raffle....I did not win either. Thanks to Christian for inviting me to attend and to the all the members for making us feel like part of the group.

The Metrolina meeting was held on July 17 in Charlotte at Maggiano's, South Park Mall. Doug Strait, Area Director, invited me and, as with the Lake Norman meeting, it was great to visit with members and meet new members. The heat did not encourage any "kicking of the tires" in the parking lot so the mingling of members was inside with a "meet and greet" held at the bar. The 50/50 raffle was held....I did not win.... but I did win a door prize. We had a lot of fun with the winning of the door prize. Thanks to Doug and all the members for extending such a warm welcome.

The Triad Area held their annual Porsche Corral on July 20 at the American Children's Home in Lexington, NC on the hottest day of the year. The temperature reached 97 degrees with a heat index of 107. After the car show, all participants were invited down to our home at High Rock Lake for cool drinks, food and boat rides to celebrate raising \$3,370 for the American Children's Home. In June, the Triad Area hosted the Roads & Rails event and raised \$7,100 for Camp Hanes YMCA. This is a total of \$10,470 raised in June and July for charity. Thank you to all Carolinas Region members that participated in these 2 events. Funds raised at the events help to improve the lives of underprivileged, abandoned and/or neglected children.

By the time you read this, PCA Porsche Parade will be over. Eighteen members from the Carolinas Region signed up for Porsche Parade this year. We had a conflict with family commitments and were unable to attend but are looking forward to hearing and seeing photos of what a great time

we missed.

The Region has 3 more Autocross events scheduled: August 18 (Michelin Proving Grounds, Greenville, SC), September 14 (event #2 rescheduled) and October 12. Check Club Registration for more detail. The October 12 Autocross #5 is being held in conjunction with Triad Area Oktoberfest event at Greensboro, NC.

Our HPDE Chairman has 2 events remaining: September 7-8 at Carolina Motorsports Park in Kershaw, SC. Registration is open on Club Registration. Our season finale DE will be held on November 23-24 at Virginia International Raceway in Alton, VA

Michael Vittorio, Hickory Area Director, is hosting our Region Fall Tour to be held November 1-3 at the Ridges in Hiwassee, Georgia. Registration is now open on Club Registration. net This event is a very popular event so register early.

As always, your comments and suggestions are always welcome. Hope to see you around the Region.

## Triad Area By Jerry Kilcrease

Meeting: Third Tuesday of the month at 7:00 PM  
Location To Be Determined. See Web and TR  
Contact Jerry Kilcrease, Area Director  
[triad-ad@carolinas-pca.com](mailto:triad-ad@carolinas-pca.com) (336) 476-3120

THE TRIAD AREA PCA had a lite and lively monthly meeting on July 16th at Capt. Tom's Seafood in Kernersville. Kathy was there with the Carolinas Region Goodie store as we had 54 members and guests come out to purchase from her display of shirts, tee shirts, caps and other Porsche embroidered items. We want to thank Kathy for coming to our meeting from N. Wilkesboro and she in turn asked me to pass along her "thanks" to all members that made purchases. Ron had a variety of past event photos displayed on the screen while Rick and Elaine hosted the 50/50 charity pot ticket sales table. The winner for the evenings 50/50 charity event was Brad Faircloth (thanks Brad for donating your winnings to the American Children's Home). Attending members celebrating birthdays during July and receiving a desert and a "Happy Birthday" serenade from the members were Serge Ayache, Jim Hess, Frank Tullos and Jerry Kilcrease. Steve and Pamela Karr were recognized as they celebrated their 5 year anniversary in PCA and Wayne Capwell shared autocross events information and invited everyone to attend an event soon. After announcements and other discussions from the group, we closed the meeting and folks continued to shop from the Goodie Store. Thanks to all that attended and we hope you come back for the August 20th monthly meeting.

PAST TRIAD AREA HOSTED EVENTS:

Roads and Rails Charity Drive was held on June 21-23 and was chaired by Robert Van Camp. This year we had 33 attendees (17 cars) that registered for the event. The event started on Friday morning (June 21st) as we gathered at Porsche Hickory for coffee/pastries and drivers meeting. As we lined up and started out from the dealership, Robert arranged for a local police escort from Porsche Hickory to the interstate where we then headed for the Pisgah Inn (host hotel) located on the Blue Ridge Parkway. We all enjoyed an intermediate stop along the way to visit Chimney Rock State Park, then onto to the host hotel. On Saturday morning we departed the Pisgah Inn for Bryson City and the Great Smokey Mountain Railroad. We boarded the dining car and departed for a round trip to the Nantahala Gorge with lunch along the way. We returned to the Pisgah Inn and drove the parkway to Asheville for dinner. Sunday morning after breakfast some members departed for home while some members headed to Mount Mitchel State Park then a stop for lunch, then home. It was a great event and everyone enjoyed the weekend. Roads and Rails Charity Drive was a big success as the Triad Area PCA was able to donate \$7,100.00 to YMCA Camp Hanes. This donation is a combination of proceeds from registration, sales from the silent auction, club donations and donations from attendees, and will send 10 deserving under privileged kids from local children's homes and other organizations for a week at Camp Hanes.

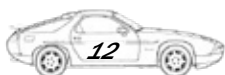

tions of the awards, the Triad Area PCA presented a “big” check to the American Children’s Home that indicated that a total of \$3,370.00 had been donated. This amount came from several sources: proceeds from registration; donation from Triad Area split the pot; the Triad Area’s GIP’s; Carolinas Region charity donation, and other donations from members. Thanks once again to all that helped make this generous donation possible. Your support will provide financial assistance to help improve the lives of abused and abandoned children.

Porsche Corral was held on July 20 in conjunction with the American Children’s Home (ACH) Car Show at their campus in Lexington, NC. This was the Triad Area’s 11th year of supporting this charity event and while it was one of the hottest days in July, we still had 19 cars come out for the People’s Choice Car Show. The ACH car show had over 150 cars, trucks and motorcycles staged next to the Porsche Corral along with food tents, silent auction tent, DJ and a kid zone with an estimated 1000 people attending throughout the day. The Porsche Corral also had a “marque display” of Porsches displayed on site that was provided by Porsche Greensboro. When the Porsche Corral people’s choice votes were counted the top 3 winners were: Serge & Sue Ayache, 911 C4 wide body; Rick & Elaine Huskins, Boxster GTS; and Jerry & Sadie Kilcrease, 1976 912E. NEXT TRIAD AREA MEETING – Tuesday, August 20th, 2019

The Triad Area will hold its next monthly meeting at Captain Tom's Seafood in Kernersville on Tuesday, August 20th. We start socializing around 6:00pm and generally begin our business meeting and discussions at 7:00pm. Please make plans to join us.

### Hickory Area By Michael Vittorria

Meeting: Second Tuesday each month at 6:30 PM  
Refer to Monthly Area Report for Location/Detail

The Hickory Area PCA held its July (Saturday the 20th) meeting at the Porsche Hickory Dealership. Our hosts Caleb Pletcher (Sales Manager) and Marsha Cameron (Customer Service Representative) kindly provided a complimentary light breakfast and their showroom to conduct our morning meeting prior to departing on our drive to Shatley Springs in Crumpler, NC. Keith Antal filled in for Michael Vittorria since he and Jane were on vacation with their family. Thirty-one members and guests were in attendance.

New Porsche – White and Gayle Iddings confirmed they have a new 2019 Mamba Green Macon “S”.

In response to a request to share experiences from recent events, Rudy Mauney reported on his - and wife Martha's - attendance at last month's Roads and Rails event. Rudy notes that there were 15 Porsches and around 29 attendees. All really seemed to enjoy the drives and accommodations. Once again, the Roads and Rails organizers did a great job.

Sale of tickets for our 50/50 Charity raffle resulted in collection of \$115. Jim Buchanan won the drawing and donated his winnings to the Crossnore School.

Door prizes – Lake Hickory Area Member Walter Strader won a Porsche wine opener and bottle topper; his wife, Susan, won a

Drive and Dine - Shatley Springs drive – Jim Buchanan, the events' “route master”, reviewed the drive and route. He also reviewed the Porsche Safety driving instructions before beginning the drive with 23 attendees: 11 Porsches and one VW bus ... oh, I mean one Mamba Macon. We had a beautiful sunny day for a drive straight north of Hickory. Jim organized a great route through some fun winding roads along mountains, hills and farm lands. We arrived at the Shatley Spring Restaurant where we joined a Mustang car club, a motorcycle club and many other hungry patrons. Jim had made reservations so we did not have a long wait. We had a family style lunch which satisfied everyone. We all left with overfilled bellies. Thank you, Jim for a fun filled Saturday.

### Next Meeting

- August 13 (Tuesday) - Monthly Membership Meeting - 6:30 – 8:30 @ Fourk Restaurant, 1410 4th St Dr NW, Hickory, NC 28601. No program is planned so Members will have an opportunity to enjoy dinner and conversation with friends.

### Upcoming Events

- August 20 (Tuesday) – Ladies in Porsches - 11:30 to

1:30 @ Fourk Restaurant, 1410 4th St Dr NW, Hickory, NC 28601. Please RSVP to Jane Vittorio, [janeann.vittorio@icloud.com](mailto:janeann.vittorio@icloud.com).

• **August 21 (Wednesday) - Weekday Drive and Dine -** We will meet at 8:30 at Porsche Hickory for a complimentary light breakfast prior to departure promptly at 9:00. Bob and Judy Futrell will lead us on a scenic drive through the NC highlands. Lunch will be at the Grassy Creek Golf and Country Club in Spruce Pine, NC

If you plan to attend our August 21st event, please sign-up using the following link: <https://www.signupgenius.com/go/508044DAEAA22ABFB6-august2>

• **September 14 (Saturday) Our Second Annual "Poker Run for Charity" to benefit The Crossnore School.** Those who attended last year's event know what a great time it was - AND we raised nearly \$1,000 for our favorite Charity. The 2019 event promises to be even better ... think barbecue, wine ... and a little friendly competition. Details to follow. Be sure to put this one on your calendar.

### Upstate Area By Robert Rainer

Meeting: First Monday of the month at 6:30 PM  
Quaker Steak & Lube

Hello everyone. We had a great meeting in July. We heard about some new technology developed my Michelin that will monitor the conditions inside your tires when using them on the track. John Bundinich also has set up a time for us to go through the BMW museum on Aug 20 at 6:30 pm. I will get the details in a bit and send that out to you all. I do think the model cars that were collected will be for sale so if you have a desire to check that out and like what you see, you can make it yours. I would also like to go to Hans and Frans Beer Garten afterwards to have an informal gathering.

I think the parade is kicking off this weekend, so those of you who are traveling down to South Fla in July, be safe and hoping your AC is solid and blows cold air all over you. It will eb a good time, there is some interesting stuff down there.

Also we are going to do a fall drive on the weekend of 10/5 and 10/6. We will meet in Spartanburg and take some back roads up to I40 where will get on I77 to Hillsville Va and then pick up the parkway to the peaks of otter lodge on the parkway. This is a bit of a haul, about 6 hours on sat and a drive back on Sun that can be done in 4 ½ hours via the interstate. IF you are interested, make a reservation at the hotel. <https://www.peaksofotter.com/stay> as you will see it is a pretty nice spot with a great water feature, some trails and an old mill. We should be getting into some fall color that weekend. At least that is my hope. Also let me know and I will put you on a list to keep in touch with you all.

Don't forget Cars and Coffee at the end of this month. There will be a charity judging and you can enter your car in one or more categories. Check out the Facebook page for more info. Also that event will be on Sat July 27th. The event will begin at 8 am and end at 11. There is also a car show in Powdersville on Aug 17th from 9-2. The event will be at New Springs church. Will be

great to get a couple of Porsches there. Tickets go to support the Salvation Army and they are \$25 in advance and \$35 at the Door.

Finlay if is with mixed emotion, but mostly positive, I get to announce that I am stepping down as area director. Jeff Price has agreed to take over, and I am truly grateful. Work has gotten a bit too busy for me. I will still remain active and help Jeff out but just relieved that I will not have to manage the overhead that comes with area directorship. We have a great group of folks and it has been fun herding all you crazy cats, but unfortunately work has crazier cats right now. Jeff will take over in Sept. We are also going to begin to plan out Holiday party so if you want to help out that will be great.

### Lake Norman Area by Christian Roedlich

Monthly Meeting: Fourth Thursday of the month at 6:30  
Location: The Peninsula Yacht Club (Cornelius)  
Contact: Christian Roedlich Area Director  
[christianroedlich@hotmail.com](mailto:christianroedlich@hotmail.com)

As usual, we conducted our last meeting on the fourth Thursday of the month, i.e. on June 27th. Thanks to our featured speaker, we had over 50 PCA members in attendance - mostly from the Lake Norman area - for our monthly meeting at the Peninsula Yacht Club in Cornelius.

Again, the PYC staff set up a beer vending station in our Porsche parking corral (see photo). The weather was sunny and Carolina hot! Consequently, the cold beers were particularly enjoyable for our members while being surrounded by our four wheeled friends. In other words PCA at its best! Naturally, it was hard to ask the group 45 minutes later to move inside so that we may finally start our actual meeting ...

Our June meeting featured an absolute highlight as our featured speaker: Martin Steger. Hard to imagine that somebody hasn't heard of Martin, for those who haven't, he joined Porsche as an apprentice in 1962 together with a group of carefully selected young men. Hence, his background makes him truly a "one of a kind" in this neck of the woods. During his PP presentation, Martin shared with the group how rigorous the training was, especially in the beginning. At one point, he said, he was even wondering whether he would ever see an actual Porsche after filing, drilling, lathing, etc. for months on end...

Martin, all the while showing us original photos from his private collection during the presentation, went on to share with us his experience working on the iconic 917. Priceless were his insights about homologation so that the 917 could participate in the 24 h of LeMans (due to lack of resources - Porsche was rather small back then - nobody expected them to be able to accomplish this and it did indeed require some "creativity"). Martin definitely had a captive audience as we felt like participating live in a Porsche history documentary... BTW, Martin has agreed to a sequel in the coming months! Stay tuned!

Our current Carolinas president, Sadie Kilcrease, also attended our June meeting. She addressed the group and encouraged everybody to continue to stay engaged in PCA. Sadie also briefly

talked about our 60 year anniversary coming up in 2020. More to come!

As always, we conducted our 50/50 raffle at the end of the meeting and generated \$ 560.00. The winner of the cash prize, Andrew Leonard, donated the money to the children at Barium Springs, ensuring that all the money raised goes to people who need it. In return he received a great Porsche embroidered duffle bag from the Goodie Store. Thank you for your generosity Andrew! Of course, there were plenty of other great prizes, some purchased from the Goodie store, and several great prizes donated by Steve Mann with Hendrick Porsche – again thank you!

Our next drive on the north side is scheduled for Saturday, September 7th, so please mark your calendars. As usual, Brian Powell, our past PCA Carolinas president, is putting a fantastic drive together, this time it will take us pretty much straight west into the NC mountains.

We want to continue keeping our monthly meetings interesting for our PCA members. Therefore, we are always looking for suggestions and ideas for speakers as well as events we may want to plan for the LKN area. As you know, the Upstate Area has been conducting a very successful chili cook off for years (to raise money for charity). We are still looking for one or two volunteers who want to spearhead a similar project in our area!

**Event Reminders:**

Every second Saturday from 8:00 am to 10:00 am is Cars and Coffee at Waterbean Coffee in Cornelius (at the corner of Catawba Av. and Jeton Dr.). Great local event, about 80 cars.

Also every second Saturday from 9:00 am to 11:00 am is Stuttgart Saturday at Hendrick Porsche, free coffee and donuts/crepes for participants.

Cars and Cappuccino, every Third Sunday – (New Location: South Park Mall in front of Maggiano’s, 8:00 am to 10:00 am), for the “European Sports Car”. This has grown into a rather sizable event.

The next PCA meeting is scheduled for Thursday, July 25th, 2019 at The Peninsula Yacht Club (6:30 pm), 18501 Harbor Light Blvd., Cornelius, phone 704-892-9858.

Captive Audience!

**METROLINA PCA WAS SIZZILING IN JULY!!**

The month of July was a HOT 1 here in Metrolina, with some really cool events on the calendar. On July 6th, Bud Oerhli put together a fun drive to West Jefferson, NC to join in the fun at the annual Christmas in July event. Everyone got to enjoy some great food, the local craft beers and the many arts and crafts on display. Thank you Bud, for your time and energy to put these fun drives together. Looking forward to your next adventure....

On July 13, Bill Wolfe put together a great tour of Core Autosport in Rock Hill, SC, where we all got a very informative, up close and personal tour of their race shop, hosted by Mr. Michael Harvey-Team Manager for Core. We got to see some beautiful Porsche race cars in various stages of a build, including the new mid-engine RSR’s and the Nissan #54 race car. It was really great to speak with the Porsche technicians who build and modify these cars. Michael explained that Porsche’s recent success on the track is a result of Porsche’s finely honed strategy to win, and how

it takes a highly skilled team in every facet of the race, from car set up to pit stop execution. A special "Thank You" goes out to Bill Wolfe for arranging this very cool "Bucket List" event!!

Our July 17 meeting at Maggiano's saw a great turnout with 43 P-Nuts in attendance. We had a very special guest couple join us at the meeting, Sadie Kilcrease – President Carolina's Region and her husband Jerry Kilcrease – Triad AD. Sadie and Jerry had a great time joining in on our fun meeting. Sadie even had the winning ticket for our door prize, a nice Porsche coffee mug. Our 50/50 split the pot winner was Vicki Taylor a guest of Linda Liberty, taking home a cool \$165. We gave away several race posters signed by the Porsche drivers from Le Mans, Sebring and Daytona, compliments of Core Autosport. . Steve Mann of Hendrick Porsche brought some nice posters of Porsche race cars too. Thank you Steve!!

Our guest speaker, Mr. Ross Gallin-Time Piece Expert for Diamonds Direct, showed us some great sports car gift items, like some very cool time pieces made from original Porsche cars. Each watch in the REC 901 Collection was made from the metal from an original Porsche, like the first Carrera made and an early 901. Each watch has the VIN of the car the metal came from, and even had some of the cars features built into the watch like, a Fuch's wheel hub on the back of the watch. .

**UPCOMING EVENTS & SCHEDULE: AUGUST PCA MEETING:** Wed. Aug. 21, at Maggiano's South Park mall. Meet & Greet in the bar at 6:30 PM. Dinner and meeting starts at 7 PM. **PRIVATE PARKING** for club members is in the Valet Parking lot just behind the pick-up lot across from the entrance. Look for a Porsche SIGN to mark our spot.

**PLANNING FOR 2019:** If you have any ideas or events you would like us to set up, please feel free to share them with us, and we can feature your ideas at our upcoming meetings. Please submit your ideas to me via email: [carerra9972@gmail.com](mailto:carerra9972@gmail.com). If you would like to set up a drive, let me know and we can put together a team to help make it happen.

**COMMUNICATIONS UPDATE:** If you're not getting emails about our meetings etc. please send me a note to my personal em: [carerra9972@gmail.com](mailto:carerra9972@gmail.com) so I can update our database.

Thank You for your Support!

Sincerely,  
Doug Strait-Metrolina Area Director

## Sandhills Area By Marty Barrett

Meeting: Fourth Tuesday of the month at 6:30 PM  
Rotating Location - See report below  
Contact Marty Barrett, Area Director

A couple nice events in Sandhills in late June and July....a few of our track junkies attended the Corvette Museum 2-day event at VIR. 150 cars, six or seven Porsches...almost everyone behaved well and we had FUN...an R8 lost brakes at top of Roller Coaster... no excuse, and fortunately only his car was destroyed!

Mike Elder, Area Director Cape Fear PCA, invited us to join his members in Holden Beach on July 13. We've done this once before, and want to make it an annual event. On a beautiful Saturday morning, 7 cars, 11 members, from Sandhills joined 21 Cape Fear members at Provisions restaurant on the Intracoastal Waterway. Very busy area this time of year, but lunch was very good and logistics worked out well. It was member appreciation day for Cape Fear, so Mike treated all of us to ice cream at Beaches & Cream! Very nice! A few of us headed over to the beach to test the waters.

Local Cars&Coffee events continue to attract 20-25 cars...80% Porsches. We had 36 members and guests for dinner July 23 at Little River/Filly&Colts. Very good meeting with help from Porsche Greensboro and Porsche Wilmington. Dealer guys presented highlights of the 992 training they had just attended... expected launch in October! Members had several maintenance questions which sparked a very enlightening discussion. The raffle generated \$285 for Sandhills Community College Foundation scholarships.

Next dinner meeting is August 27 at Little River. A small group of Sandhills members are planning a drive to Outer Banks in mid-September, and a few of us will head down to CMP too.

## Triangle Area By Bob Kim

Monthly Meeting: Fourth Thursday of Month  
 Nantucket Grill  
 5925 Farmington Rd Durham NC  
 Contact Bob Kim, Area Director

July marks the return of the Triangle Area Dine & Drives. On Saturday, July 20, a small group of 6 Porsches and 8 PCA members took a drive from our monthly Cars & Coffee in Durham to Pittsboro, NC. At my first meeting as the new Area Director in January, Jim Sykes mentioned how he hoped we could schedule more dine & drives in 2019. Thanks to Jim's work of identifying a Greek restaurant in Pittsboro and a great route from Durham to Pittsboro, we finally put got our first organized drive of the year for the area. Thank you, Jim!

The day was clear and sunny. It was also hot - the temperature was in the high-90s. But, Andre Boursse was not thwarted by the heat. He drove his black Boxster S with the top down as our 6 Porsches meandered down winding roads and through peaceful forests.

We made one stop along the way at the B. Everett Jordan Dam - a scenic overlook and nature center that sits high above beautiful Jordan Lake. The view was stunning and we actually comfortable in the shade of the trees surrounding the nature center.

After a few photos at the dam, we took off again for the final leg of the drive. The last mile or so was truly perfect for a group of Porsches - long sweeping curves and elevation changes surrounded by beautiful scenery. Shanti and Kelly Quisenberry's Cayman S exhaust was amazing as we cruised the winding roads. Up ahead, I could see Art Pappas' grey '89 911 trailing behind Mary and Jim Sykes' white 991. Behind Art was Jimmy Sykes in his stunning Guard's Red Cayman S, followed by Andre Boursse's black Boxster S and Kelly and Shanti's black Cayman S. My black '99 996 brought up the rear of the group. We definitely turned quite a few heads with our parade of diverse Porsches.

We ended our journey at a Greek Kousinas restaurant and enjoyed a tasty Mediterranean lunch. Everyone seemed happy with

the drive and food, and I was reminded how great it is to be out on an adventure with my fellow PCA members.

Our next scheduled drive is on Saturday, August 24th. A group of us will leave from Apex and drive the country roads to Virginia International Raceway for the IMSA Race and Michelin GT Challenge. We will join the other PCA members from across the region and other parts of the country in the Porsche Corral. If you haven't purchased tickets for the Porsche Corral yet, you may be too late. But, the race is still well worth the price of the tickets! It's an amazing weekend of the world's best drivers and cars - only 90 minutes from Raleigh!

This week, our monthly dinner will host Daniel Wagner from Teen Driving Experience. Dan is a highly experienced racer and instructor who created the Teen Driving experience to stem the tide of teenagers who are fatally injured in accidents every year in our state. We have historically had one of the highest rates of teenage fatalities due to automotive accidents in the country. Thanks to Dan's organization, teens learn how to control the car they drive under almost every potentially frightening and challenging situation.

By the time you receive this update, the dinner will have already taken place. But, I want to be sure I highlight that we're bringing some new content into our monthly dinner meeting. There won't be a formal presentation - just our usual conversational style.

Lastly, welcome to the many new members in the Triangle Area from the last two months. We have seen almost a dozen new members join our ranks in the last few weeks, and I can't wait to meet you all (as well as your Porsches)! Please feel free to call me or email me with any questions. You can find our most up-to-date listing of activities on Meetup.com under Triangle Area Carolinas Region PCA.

I look forward to seeing you all soon!

Bob

# Driver Education:

by Steve Barrier

My how time flies, and it's time for another installment! Our second DE of the year is right around the corner on September 7-8 at the beautiful (and technical) Carolina Motorsports Park. As I contemplate topics for this article, my mind circles back to an instructor school not so long ago where I mentored our now 2018 Instructor of the Year, Colin Graidage. Colin had been instructing for some time already, and participated in our school to obtain his PCA National status. Mentoring might be too strong a word, for I believe I learned more from Colin than he could have from me. Listening to him discuss the importance of vision in the DE process inspired me to "up my game" in the passenger seat, and his way with words continues every time I speak with him.

Speaking of vision, every sense can provide critical clues to impending success (or doom) in a DE session. Humans are visual creatures, having a wide field vision with the ability to pick details out of a seemingly overwhelming volume of information. But it isn't the only thing on which to focus your attention. Sometimes what we feel, smell, or hear can be just as important. "Is that the smell of (insert substance here....brake pads, oil, brake fluid, antifreeze)?" More often than not if you smell brake pad, it's you.

Not long ago I instructed a student at Summit Point with Potomac Region. She and her husband had been campaigning a mid 90's Honda Accord hatchback in ChampCar (130 HP on a good day), and he had recently decided to step up their skills by acquiring a turbocharged, 700+ HP early 911 tubbed race car on full slicks. Confidence in your car is an entire article of its own, but suffice to say she was intimidated by the car into which she had been thrust (and "thrust" is right word for a 700 HP car). After our third session of the day a question popped into my head as we idled through the paddock. "Do you hear that ticking sound?" I asked her. After getting out and listening to it

I convinced her it hadn't been there before and she called their mechanic. The mechanic promptly said, don't rev over 3000 rpm and bring it to me Monday. It was an end to their weekend on Saturday afternoon, but who knows how much money they just saved. What if the engine had failed going through a high speed sweeper?

Among other senses, if you ride in the right seat long enough you will no doubt feel stability control step in. Modern sports cars are capable of such high G loads and cornering speeds that we no longer recommend instructing with stability control disabled. Porsche cars in particular are so seamless in the application of stability control it is hard for new DE participants to tell when it is doing the saving. I learned old school, with no ABS, traction control, or stability control, and I still feel that provides the best learning environment to car control. I generally open my student introductions with my three rules. 1: You and I go home in one piece. 2: Your car goes home in one piece. 3: We have fun. Developing an accurate "seat of the pants" feel for what the car is doing can help you not violate rules 2, and possibly 1. To that end we have been discussing incorporating skid pad time into the DE program, disabling the nannies and feeling the loss of directional stability in a safe environment. I'd like your feedback on this topic including your thoughts on how best to structure it. Feel free to email me at the DE Chair email. I'm happy to talk about "upping our game" together.

I promised myself to keep this short, and I am prone to rambling, so on to the upcoming DE. Once again HBi Auto is our sponsor for the event, and we will be honoring the contributions of Dick Lane to Carolinas Region, the DE program, and PCA in general. We promise to request the best weather possible, but like a box of chocolates, you never know what you're going to get. Come on out and help us help you learn to up your driving skills!

### Customer Testimonials

The entire staff at Porsche Greensboro is outstanding in my opinion and are always accommodating to my needs and my requests.

- Carl

The (Porsche Hickory) service manager listened to my need to get the repairs made to pass inspection and took care of the inspection without an additional visit. That saved me at least an hour of my time. Thanks again.

- Bobby
