# From the Driver's Seat

Sadie Kilcrease, President

I have some information to share that I recently received from the Zone 3 representative. As some of you know, the Carolinas Region PCA is located in Zone 3 of PCA National. National is broken down into Zones like our Carolinas Region is into areas. Zone 3 has 16 Regions and Carolinas Region took top honors with highest net growth in 2019. We are the second largest region in Zone 3 with 2,008 Primary members with the Peach-state Region being the largest with 2,139 Primary members.

The Carolinas Region ended the year donating a total of \$47,885 to 10 different charitable organizations. The organizations receiving donations were The American Children's Home in Lexington, NC; YMCA Camp Hanes, King, NC; Children's Home Alliance, Barium Springs, NC; Crossnore Children's Home, Hickory, NC; Greensboro Urban Food Bank, Greensboro, NC; Juvenile Diabetes Research Foundation (JDRF), Greensboro, NC; Metrolina Food Bank, Charlotte, NC; Sandhills Community College Foundation, Pinehurst, NC; St. Vincent de Paul, Greenville, SC; Wake County Shrine Club, Durham, NC. Funds came from Raffles, Silent Auctions, various Charity Drives, Car shows, and donations from members and matching donors. Thanks to all the members of the Carolinas Region for making this total donation possible. Your generosity will touch and change many lives. Every member should be as proud as I am when I traveled around the region in 2019 as I witnessed just how passionate and generous our members are and it is amazing.

On January 18 Carolinas Region held the 1Q2020 Board meeting in Hickory at the Porsche Hickory dealership. We extend a big THANK YOU to the folks at Porsche Hickory for allowing us to use their conference room for the board meeting. At the board meeting budgets were presented, and after discussion and some amendments made, all budgets were approved. Many hours go into preparing the budget for all areas of the Region. Along with budgets, schedules were confirmed and/or tentative dates discussed. Area Directors and Committee Chairs discussed their plans for 2020. In 2020, there are 3 HPDE events scheduled—2 at Carolina Motorsports Park (March and Sept) and the end of year finale in November at Virginia In-

ternational Raceway. Autocross has 5 events tentatively scheduled. David Harrison has stepped up to serve as the Autocross Chair. Thanks to David for stepping up and thanks to Wayne Capwell and Cheryl Folds for serving as Autocross Chairs for the past several years. David is looking for alternate locations to host autocross events in 2020. Please contact David if you can assist with providing information on possible locations.

Our annual Fall Tour, chaired by Michael Vittorio, is scheduled for November 6-8. This is a very popular event and registration normally fills up quickly. Check the calendar in Tobacco Roads and on line as all Area Directors are posting Area Hosted events. There are too many area events around the region for me list here but on the National level, Porsche Parade will be held in Palm Springs, California this year June 21 -27.

Our Editor, Steve Showalter, has expressed his desire to step down at the end of the year so we are looking for a replacement to take over Tobacco Roads. If you are experienced in this area and may be interested, contact me or Steve Showalter. We are also looking for someone with a financial/accounting background to serve on the Financial Audit Committee. Contact me if you have an interest.

We are working very hard to make the 60th Anniversary Celebration a huge and memorable success. Charlie Massler, Chairman, is firming up details and we have tentative plans for registration to be open on Club Registration by the end of February.

There are a lot of events and activities planned for 2020 so please keep checking in Tobacco Roads and on the Carolinas Region website. Select PCA events that interest you and remember, it is your Club so please join in on the fun in 2020.

Look forward to seeing you Around the Region.

Sadie Kilcrease , President

### Monthly Meeting

2020 got off to a great start with our first monthly membership meeting hosted by member Ken Coffey and the folks at Black Top Studio. Ken and his staff provide a full array of automobile restoration services and have hosted events for us in the past. Recently, however, they have moved to a much larger facility in Valdese, NC, and Ken was eager to show us his new "digs".

Andy Horvat won our 50/50 raffle and generously donated all \$105.00 to Crossnore School. Our door prizes were won by Corinne Barwick and Kathy Bryson.

Twenty -two members and friends met on January 14. Among these were new members Allen and Corinne Barwick and first-time attendee Andy Horvat. We also had Al and Adrienne Johnston join us all the way from Washington, NC.

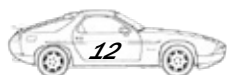

Ken and Josh showed us around the shop and the more than 40 restoration projects currently under way. These include cars and light trucks from the early 1900's to 1980's. At least three of these are projects on behalf of PCA members - E.g., Andrew Straw's Marmon pictured above. It is truly amazing how much time, effort and care goes into one of these restorations, many of which are multi-year endeavors. Many thanks to the folks at Black Top Studio for opening their business to us and for providing a very interesting meeting and program.

### Drive and Dine

On Thursday, January 16 we held the first of our Tour Pour de Jour series of weekday drive and dine events for 2020. Fourteen people joined the drive organized by Keith and Donna Antal.

Following a light dinner compliments of our host, Ken Coffey shared a fun experience at last years' Amelia Island Concours at which one of his creations - fully restored 1962 Lotus Elite Super 95 - made an impressive showing its first time out. The fact that its owner had not seen the restored car until its unveiling at the show made this a particularly poignant experience.

We gathered at Porsche Hickory for a light breakfast, compliments of the dealership, before departing on a leisurely drive through the NC foothills. Our first stop was Judges Restaurant in Morganton, NC where barbecue seemed to be the meal of choice.

As is generally the case with our drives, it ended at a winery. Keith led us to a small tasting room located in a renovated textile mill and flea market in Glen Alpine, NC. I have no idea how Keith originally found this place but some of the wine was actually pretty good. So ... after recounting the events of the day over a little sampling of the grape, we all struck out for home on our own. Another good day with PCA friends.

Keith Antal will lead us on a scenic drive through the foothills of NC and a visit to the Blue Ridge Distilling Company (home of Defiant - American single malt whiskey) in Bostic, NC. We will gather at 9:15 for a 10:00 departure and stop for lunch along the way. A whiskey tasting and tour of the distillery is \$15.00 per person.

~ Coming Up ~

> March 5 - 8: "Porsches at the Palace": A Winter Tour to New Bern, NC. Sponsored by the Hickory Area PCA and Porsche Hickory. Additional information and registration at: [www.clubregistration.net](http://www.clubregistration.net) Register today! - only 5 openings left.

Following lunch, most of us drove to the Burke County History Museum where we were given a private tour to learn more about the area and its history. The curators of the Museum have done a great job with their many displays of items and artifacts that typify life in Western NC and in Burke County in particular. Of course, I suppose none of us should have been surprised to see that many of the "antique" items on display were the very same things several of us recognized or used in our youth. Wow!! Does that mean that we, too, could be classified as antiques?

## Lake Norman Area by Christian Roedlich

Location: The Peninsula Yacht Club (Cornelius)  
Contact: Christian Roedlich Area Director

Our first meeting of the year/decade in January was very well attended (almost 40 attendees). We were very fortunate to welcome 6 new members/transfers in our midst - further proof of the continued interest in this wonderful brand and the LKN Area.

Our featured speaker was Spencer Gates with Hagerty. He shared with us first the latest data that were gathered from auction companies in 2019 all put together neatly in a hand-out (much appreciated Spencer!). His presentation focused on the valuation of Porsches. He displayed values from 2014 through 2019 and the largest (almost 50%) appreciation was enjoyed by the 914/4, while most other models displayed experienced more modest appreciations. It was also interesting that there were some downward market corrections too, notably in the 930s as well as for the 918. In addition, Spencer brought with him 20 books titled "Never Stop Driving" (a tribute to what driving cars means to us - does that need any more explanations???) and 10 cool baseball hats to be used in our 50/50 raffle. Again, thank you Spencer!

As always, we conducted our 50/50 raffle at the end of the meeting and generated \$406.00 (thank you LKN members for your continued generosity). The winner of the cash prize, Mike Jones, donated his winnings to the children at Childrens' Hope Alliance in Barium Springs, ensuring that all the money raised goes to people who really need it!! In turn, he received a beautiful Porsche embroidered duffle bag provided by the Goodie Store. Thank you for your generosity Mike (please see photo below)!

Brian Powell is putting another official PCA drive together in the spring, this time to the Back of the Dragon. This will be an overnight event. More to come, stay tuned!

The 60th Anniversary of PCA Carolinas will be celebrated on Sept 26, 2020 at the Grandover Resort in Greensboro. This will be an exceptional, well sponsored event with a big gala and several events around it. Our president, Sadie Kilcrease, is putting in a lot of time and effort in planning and organizing this event. So please mark your calendars.

David van Epps with Sonderwerks is hosting a charity event on Feb 15th at his shop in Davidson featuring rides with a brand new Taycan Turbo S.

There will be a Luft/Wasser event again in Brevard, NC on April 25th hosted by the Appalachian Region. Registration opens on Clubregistration on February 22.

### Event Reminders:

Every second Saturday from 8:00 am to 10:00 am is Cars and Coffee at Waterbean Coffee in Cornelius (at the corner of Catawba Av. and Jeton Dr.). Great local event.

Also every second Saturday from 9:00 am to 11:00 am is Stuttgart Saturday at Hendrick Porsche, free coffee and donuts/crepes are provided.

My good friend Rich Wittholt AKA "The Ticket Master" helped us get our 50/50 Split The Pot raffle off to a good start with a Jack Pot of \$380, in which Lyle Sandlin won taking home a cool \$195. Our big January door prize was a 2020 Spectrum calendar won by Kirk Crawford. Several other members took home some nice Porsche posters. Congrats guys!

Many thanks to all of our generous members for your participation in last year's 50/50 Split the Pot raffle's, which generated \$3807 that will be donated to the 2nd Harvest Food Bank. The Carolinas Region PCA chapters raised over \$48k for their respective charities. Let's keep the momentum going!!

### AND WE'RE OFF TO THE RACES!!!

Metrolina started the year off in grand fashion. Our January 15 meeting saw 45 members in attendance and several new members join us for dinner and our meeting. The excitement and momentum from last year has carried over to the start of 2020, as we had a lot of great suggestions for drives and events to start planning for. We are in the process of forming a "DRIVE & EVENTS" team to put together fun drives and destinations, so if you have a fun route to drive or some fun place to visit, let us know and we can build a fun day to join in on.

Giselle Burner suggested starting a "Ladies In Porsches" group, that she branded as "LIPS", to get the ladies together for lunches and catching up. The women at the meeting liked that idea...So, Ladies if you want to join the group contact Giselle at: [giselle.burner1@gmail.com](mailto:giselle.burner1@gmail.com) for future plans.

UPCOMING SCHEDULE: NOTE: All 2020 Metrolina Meetings will be held at Café Monte..

Wednesday FEBRUARY 19, Monthly Metrolina PCA meeting will be held in a private room at Café Monte located in Phillips Place, 6700 Fairview Rd #108, Charlotte, NC 28210. Check out their web site for menu and location: [https://cafemonte.net/..](https://cafemonte.net/) As always, meet & greet at 6:30 in the bar, dinner and meeting starts at 7PM.

PLANNING FOR 2020: If you have any ideas or events you would like us to set up, please feel free to share them with us, and we can feature your ideas at our upcoming meetings. Please submit your ideas to me via email: [carerra9972@gmail.com](mailto:carerra9972@gmail.com). If you would like to set up a drive, let me know and we can put together a team to help make it happen.

Again, Many Thanks for your Support this past year, and looking forward to a Great 2020!!

Sincerely,

Doug Strait-Metrolina Area Director

## Upstate Area By Jeff Price

The Upstate Area meeting was held on January 6th @ Quaker Steak & Lube in Greenville, SC. Member turn-out pushed our meeting room capacity to its limit this month with 59 members attending. With the time change, our "Meet & Greet" in the parking area is now after sunset, so the usual Porsche ogling is now limited to under the lights.

New or First Time members attending; Sven Stefan Nielsen, Tim Fisher, and Calvin & Becky Wright. Welcome!!

Feedback on our Christmas Party held in December was appreciated, and will be taken into consideration for 2020. Thank you to all that provided feedback on the event!

From our Christmas Party Auction, our area raised \$6387.00., - add to that our monthly Raffle proceeds plus the PCA \$600 match and we raised a total of \$9181.78 for our charity: St. Vincent de Paul Society. Dave Anderjack from our charity was present to accept a check from PCA - Carolinas Region, Upstate Area, and gave a brief summary of how the funds are used to pay folks Utility Bills to avoid disconnection, or a Mortgage Bill to avoid foreclosure.

### Event Reminders;

- There are still a few spots open for the Carolinas Region Winter Tour to New Bern, NC. See details at [Clubregistration.net](http://Clubregistration.net).
- Upstate Area "Love Run" to the Mimosa Grill in Charlotte, NC will be held on Sunday, February 16th. Meet at Starbucks on US176 at 8:30am, plan on leaving at 9:00am. Contact Robert Rainer ([Drwhosc@gmail.com](mailto:Drwhosc@gmail.com)) for more information.
- Protech Motorsports - PCA Chili Cook-off will be held on Saturday February 1st at Protech Motor Sports, 211 Riverside Ct, Greer, SC 29650.

Plan to arrive around 5:30pm. Tasting will begin about 7pm. If you are entering a pot of Chili, remember to bring a ladle or serving spoon. Also, if you wish to sit, bring a folding chair. Soda and water will be provided, so BYOB if you want an adult beverage. We also made a challenge to the area members for the need to "un-seat" Alex Galloway as the 1st Place Winner in the Dessert category. Alex has won this 4 of the last 6 years (He did not enter in 2017 & 2018) with some fantastic concoctions, so he needs a little more competition!

- Save the date of Sept 25th - 27th for the Carolinas Region 60th Anniversary Party, to be held on the evening of September 26th, at the Grandover Resort in Greensboro, NC. We are planning to drive up as an area group on Friday afternoon, have a nice dinner in Greensboro, spend Saturday touring the area, then attending the Anniversary Party that evening. Sunday return home. More information to come.

- Potential Drive and Dines to Marion VA. (Back of the Dragon), and a Summer BBQ at Riverain Farm were discussed to gauge potential interest. Further planning will take place on both of these events.

Drivers Education is holding their Introduction to Drivers Education Winter Seminar on January 26th at Carolinas Motorsports Park. This Seminar will provide an introductory overview of what the HPDE program is all about and answer all of your DE questions. It is an off-track seminar to introduce the concepts behind the Carolinas Region's Driver Education Program, which is a series of high performance driving schools conducted at local tracks like Carolina Motorsports Park - it is not a racing school. Time: 11:00 am to 1:00 pm Time permitting, the group will also make a few laps on the track at parade (i.e. highway) speeds. There is no charge for this seminar. Sign up

at [Clubregistration.net](http://Clubregistration.net).

The Guest Speaker for January's meeting was John Budinich from Michelin Tires. John gave an informative presentation and discussion on Driving UHP Summer Tires in Winter Weather / Temperatures, and the advantages/disadvantages of UHP All-Season Tires and Winter Tires. Many thanks to Michelin and John for their time and knowledge on this topic.

The meeting ending with our charity raffle: this month our raffle prizes included; (5) Scratch-off certificates to Quaker Steak & Lube, each worth \$10, \$15 or \$20, and the 50/50 pot. Porsche level charity was shown by 50/50 pot winner C. Wright when he elected to give his 50% back to the charity! Many thanks!

We will not have our usual February Meeting on Monday Feb. 3rd, as it will be held in conjunction with the Protech Chili Cook-Off on Saturday, Feb. 1st. So bring a pot of Chili, Dessert or Appetizer and socialize with your fellow Porsche Club of America Upstate Area members and learn what's going on in our club!

I just returned from our first dinner meeting of the year, and we had a great turnout. The dinner and conversation was wonderful, which is always the case! In addition to catching up on all things related to our families and friends, we talked about how we want to start off the new year in our part of the PCA world. Here is a list of the activities we discussed:

- **Martin Steger – Porsche History:** Martin Steger has had an amazing career centered around the Porsche brand. He was trained as a technician in Germany in the program that Dr. Porsche personally founded. His knowledge of Porsches is widely recognized as among the best in the country. With the help of PCA member Jim Proper, we hope to schedule a meeting for our area to hear Mr. Steger personally tell his incredible story. The date is TBD. But, I'm hopeful that we can have this special event sometime between February and April. We're looking for the right community banquet hall or club house for the event. If you have any suggestions, please let me know.

- **Dine & Drive to Carthage in February:** The destination is the famous Pik 'n Pig. If you haven't been there before, it's a great BBQ restaurant that's adjacent to a historic air field. I've been there many times over the years, and it never disappoints. I've asked area director Marty Barrett and our friends from the Sandhills Area if they would like to meet up in Pinehurst while we're en route to Carthage. They're a great group of PCA members and they know all the best back roads to Carthage. I'm going to start the PCA insurance paperwork for this trip next week, and we'll head out just after our Cars & Coffee on the 3rd Saturday of February (Feb. 15). We will plan to leave by 10am.

- **Dine & Drive to the Tavern at VIR:** Driving to VIR has always been enjoyable to me. The Tavern is a great place for a meal and the journey there is scenic and relaxing. If anyone wants to try the Kart track while we're there, I can make sure it's available. For those who would rather book a spa visit, that's available too. The date for this drive is TBD.

- **Couples Dine & Drive to Tanger Outlet in Mebane:** We have many PCA members who live in Mebane or the western part of the Triangle Area. Everyone agreed that it would be wonderful to meet more of the members by coming out to there part of the Club's area. The date for this drive is also TBD. But, I'm hoping to have this event in March.

- **Photography of Jimmy Sykes:** Jimmy is a former photographer for TRG Motorsports and has shot pictures of countless incredible races. Professional drivers from around the world has his photos of Porsches, BMWs, Aston Martins, etc. We're hoping to schedule Jimmy on a monthly Triangle Area dinner night to share some of his work with us.

As I mentioned in one my previous updates, our biggest opportunity in 2020 is to schedule driving events that our members can enjoy. It was the first thing I was asked to focus on when I became the new area director last year, and I didn't accomplish nearly enough in 2019. But, it's a new year and, as member Jim Sykes says, "We love to drive these cars! Let's get together and drive them!"

Two last items from tonight's meeting:

- **Special shout out to Jonathan** who is a member of the Triad area PCA. He drove from Greensboro to Chapel Hill to meet us tonight in his beautiful '02 Boxster. He is one dedicated Porsche owner and club member, and we look forward to seeing him (and his car) again soon!

- **Also, we tabled a proposal** made by Jim Sykes and André Bourse to create a Carolinas Region Beret for the winter season. They were kidding, but we just might have to try it! It could be our unique head gear!

If you haven't had the opportunity to meet the members who regularly attend our Saturday Cars & Coffee or our Thursday dinner meeting each month, I encourage you to take the leap and join us. I know that attending your first Porsche Club event with people you don't know might be a little off-putting. But, I assure you that you will be welcomed with open arms and treated like a friend by this very special group of Porsche enthusiasts!

Please check your email for communication from me ([triangle-ad@carolinas-pca.com](mailto:triangle-ad@carolinas-pca.com)). If you haven't been receiving any emails from me over the last few weeks, please check your Spam or Junk email folder.

Lastly, I have resurrected the Triangle Area PCA Facebook page that I created years ago. If you are on Facebook and you'd like to join, please send me a request. Just provide your PCA member number and name when you contact me.

I look forward to seeing you soon!

Bob

# Driver Education:

by Steve Barrier

Greetings again from your friendly Driver Education program! The year 2020 has kicked off with a bang. Our Mid-Winter Seminar was a resounding success at Carolina Motorsports Park on January 26th. With over 60 cars it was a standing room only event. We had many different makes represented, and Carolinas Region is proud to be an open marque group, welcoming anyone interested in improving their skills. Three groups of 20 cars were able to get on track, see what being on a racetrack is all about, and got an added treat of Jerry Widner presenting a mini-beginner classroom session this year! If you missed it, and still want to come to an event, that's cool too as no experience is required for attending a DE event with Carolinas Region.

So what did you miss? I'm glad you asked! Driver Education is our club's way of promoting safer motoring through better knowledge and experience in the control of your automobile at speed. First and foremost, DE is NOT racing. We don't teach racing ideology, don't time anyone, don't give out awards, and stress SAFETY above all other concerns. My three "rules of track club" are that 1. You and I go home in one piece, 2. Your car goes home in the condition you brought it (with a little extra wear), and 3. You have fun. Breaking the first or second rule will cancel any fun you were having.....trust me.

In our program you can expect to get about three hours of classroom instruction in various track specific areas such as SAFETY, traffic management technique, car control, and driving accurate and consistent lines on track. We focus heavily on visual awareness; of your corner workers there to keep you safe, of other vehicles on track, of the track conditions, and of your own internal biology. Understanding how all these things work to maintain a safe track experience becomes second nature over time, and you progress from beginner skills, through more advanced techniques such as heel-toe downshifting for older manual cars, trail braking, throttle steering, and tire slip angle.

What does it take to get into your first DE? That's super easy, barely and inconvenience! You will need any street car properly inspected by an approved shop, a SNELL SA rated helmet with a 2010 or 2015 manufacture date sticker, proper clothing (we prefer long sleeve and long pant natural fibers), gas (perhaps lots of it), and a positive attitude. You may want to think several times about coming in a long bed dually pickup, but just about any car will get the job done. You might also need to register here for March:

<https://clubregistration.net/events/signUp.cfm/event/10352>

The cost of the event is \$265 for PCA members, or \$295 for non-PCA friends who may be interested. Finally, you need to be over 18 years of age and have a valid state issued driver's license. It's that easy! Everything else you will learn about at the track. We do have a handy guide for recommended items to bring, so check that out, and make sure to download and use the region-approved tech inspection form when getting your car inspected. There is a list of approved non-dealer inspection shops throughout our region. Make-specific dealers are considered approved inspection shops for your make.

So if you or a friend of family member interested in what our program is all about, our events will be held March 14-15 at Carolina Motorsports Park near Kershaw, SC. If you're already steeped in the program and want to give back through instructing, we will hold our national instructor school class on March 13, also at CMP. If you are interested in becoming an instructor, please contact myself or Shane Tisdale for details.

Thank you to the club for the continued support of our HPDE program, and we hope to see you at the track!

## Don't Want To Receive The Printed Copy of Tobacco Roads?

Did you know that Tobacco Roads is available online on the region's website? If you no longer wish to receive the printed copy, simply contact PCA by phone or by going to the PCA website. The online version is available in full color, and the region saves about \$1.60 for every copy that we don't print and mail. If you decide later on that you do want the hardcopy, simply go back to your PCA profile record and change your selection. It's that easy!

To opt out by phone, simply call PCA National Headquarters at (410) 381-0911. You can also send an e-mail to [admin@pca.org](mailto:admin@pca.org) or go directly to website: [www.pca.org](http://www.pca.org) to make the changes.

If you go to website ([www.pca.org](http://www.pca.org)) just sign in and select Edit. All of your information will be listed.

To opt out of receiving the printed copy of Tobacco Roads, scroll down to EMAIL SETTINGS and then look for "Opt out of printed regional newsletters". Select this option and then go to the bottom of the page and press Save. Your selection will not be stored until you press Save.
